

## BRIGGS ENTERTAINMENT ASSOCIATION, LLC SECURITY ARRANGEMENTS

Points of ingress and egress will consist of a combination of:

- Two roaming security personnel whose training in monitoring the sale and service of alcohol is evidenced by TIPS certification.
- Removable traffic barriers placed at each entrance, from one side of the street to the other
- No alcohol beyond this point signage at each entrance

Security personnel to enforce established guidelines including:

- No serving of visibly intoxicated individuals
- No underage drinking
- No intoxicated loitering
- No removal of alcoholic beverages outside of common consumption area
- Removal of alcoholic beverages at end of operations
- No outside liquor allowed
- Each attached liquor establishment will ask for proof of legal age and place a uniform wristband on each patron taking their initial alcohol beverage into the common consumption area in order for security and law enforcement to easily identify those persons who are of age to consume alcohol

Licensed establishments that are adjacent but not attached to the proposed Common Consumption Area: Birdhouse, Lucille's
