| Effective Date: September 24, 2019 | | |
|--|--|--|

The following is the policy of the Town of Erie Board of Trustees on Oil and Gas Development within the Town of Erie:

The Town of Erie Board of Trustees is committed to protecting the health, safety and welfare of Town residents, visitors and the environment. Oil and gas development and operations are by their nature an industrial activity that causes noise, emissions, traffic, vibrations, visual and other environmental impacts. The Town will use its regulatory powers and the latest technology to ensure oil and gas operators are using all measures possible to prevent and mitigate those impacts. The Town will also work with experts to diminish the adverse impacts of oil and gas development and operations in Erie, inform the public of those potential impacts, and take appropriate enforcement action.

This policy statement is hereby approved and adopted on this 24th day of September, 2019.

Jennifer Carroll, Mayor
