

# Erie Airport Economic Development Board

# About Us

## What

The Town of Erie passed the Ordinance No. 030-2020, establishing the EAEDB to promote economic development that is beneficial to the Town at the Erie Municipal Airport

## Why

The Town believes it is in the best interest of the public health, safety and welfare to establish the advisory board

## How

The ordinance shows the commitment of the BOT to the value of the Erie Airport

# Our Team

**Jason Hurd**  
*Airport Manager*  
*Board Liaison*

**Brandon Bell**  
*Town Trustee*  
*Board Liaison*

## How Do We Help

*The advisory board will provide written reports to the BOT in connection with matters relating to economic development, financial vitality and economic impact of the Erie Municipal Airport and related activities.*

# Current Actions

Support for a New Airport Entrance at Arapahoe Road and County Line

Bring back the Air Fair

Recommend long term building lease at terminal

Support Economic Development

# New Airport Entrance

Resolution of support passed

Current State: Under Review

Next Steps: Conceptual Study

Requirements: Airport Layout Plan

# Erie Air Fair

Committee formed

Event manager identified

Budget Submitted

# Long Term Building Lease - Terminal

Current terminal building in need of repair

Long term lease would provide incentive for improvements

Separate the airport management from the building lease

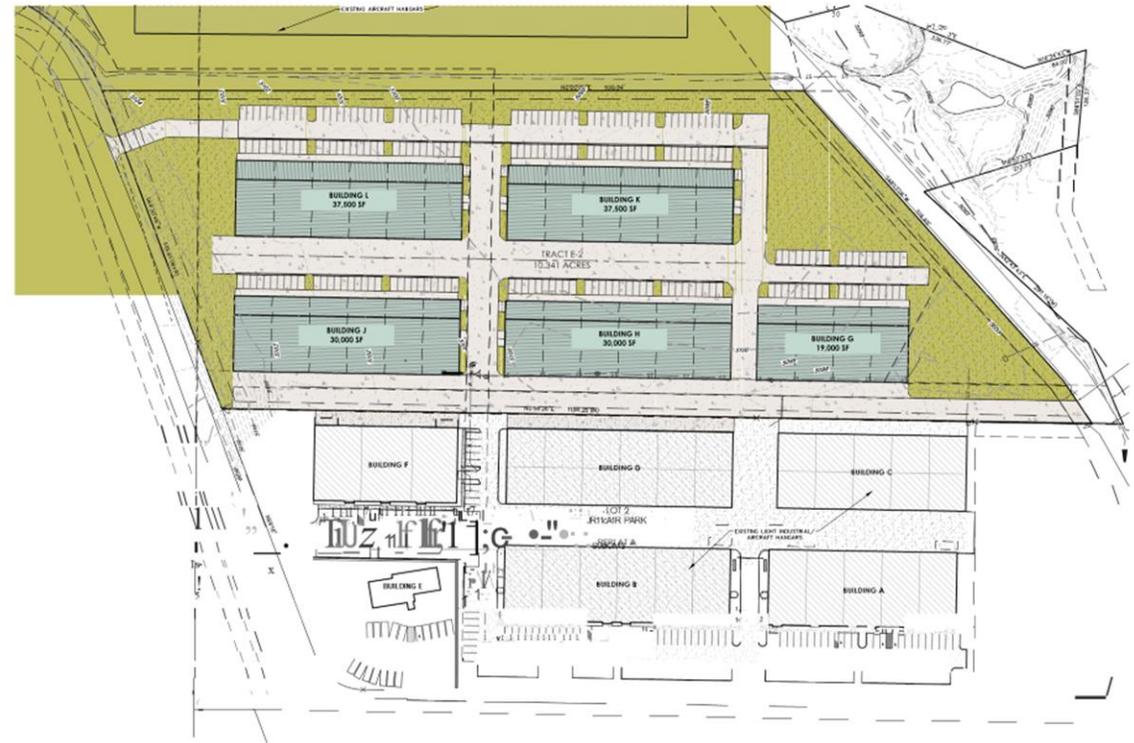

# Economic Development

## Current State:

Board consulted with 3 airport tenants to discuss generation of primary jobs for the town
