RE: Parkdale North PD Amendment & Preliminary Plat

Neighborhood Meeting

Per Erie's Review & Approval Procedures, a neighborhood meeting for the PDA-001720-2024 & PDA-001719-2024: Parkdale North PD Amendment & Preliminary Plat application was held on June 10th, 2024 from 6:30 pm to 7:15 pm, the meeting was held virtually via Zoom.

Prior to the meeting, mailing notices were sent to adjacent property owners within 500' of the property per UDC requirements and signs were posted along Arapahoe Road and County Line Road.

At the meeting, a powerpoint presentation was presented, the presentation is included with these meeting notes. In attendance were John Prestwich, Matt Janke, Chris Elliot.

The meeting had four attendees. The attendees thanked us for the presentation. There were questions related to the potential timing of the school site - the applicant team answered that they have no control over the timing but have worked with the School District on the location for the school site as well as the grade separated pedestrian connection. There was a question about if this portion of the community would have Multi-Family homes, the applicant pointed out that there are Townhomes proposed - which are required to meet the housing diversity for the overall community, but no Multi-Family is proposed. The remainder of the discussion related to ongoing landscape maintenance and construction debris clean up in the existing Parkdale community.

Sincerely,

John Prestwich, President, RLA, PCS Group, Inc.
