National Joint Powers Alliance®

HOW CAN NJPA CONTRACTS BENEFIT MY AGENCY?

National Contract Purchasing provides considerable time and resource savings for participating Member agencies.

- Streamlines the contracting processes and maximizes efficiencies
- No need to establish and or duplicate bid docs or contract process
- Reduce the impact of staff reductions and budget cuts

WHAT IS THE VALUE OF MEMBERSHIP WITH NJPA?

Membership establishes a legal paper trail between the Member and NJPA, justifying your contract purchasing decision. A no-cost, no-obligation NJPA Membership provides access to competitively bid contracts, procured by a national municipal contracting agency. Our contracts leverage national volume pricing and provide our Members with the desired vendor choices.

- Ease and time saving benefits of purchasing through national contracts procured, awarded and hosted by a national municipal contracting agency
- Unique advantage to purchase quality products/services deserving of the agency

DOES NJPA SATISFY MY LOCAL BID REQUIREMENTS?

Every state government/education entity has a purchasing level at which public agencies are required to "go out to bid." NJPA has nationally solicited, evaluated and awarded contracts through a competitive bidding process on behalf of its Members. These contracts can be leveraged by municipalities under the authority of NJPA's enabling legislation and your state's procurement laws and/or Joint Powers Authority. These laws allow access to NJPA's contracts and procurement process to satisfy your local/state bidding requirements, avoiding duplication of the process.

About Us—who we are, our contracting process, our legal authority and the value we provide our Members. **Contract Directory**—our current list of contract solutions. **NJPAdvantage Newsletter**—our quarterly newsletter.

The National Joint Powers Alliance® (NJPA) is a public agency; established through Minnesota State Statute in 1978. NJPA serves as a municipal contracting agency for over 40,000 Members throughout the nation with competitively awarded contract purchasing solutions through industry-leading vendors.

NJPA Membership is available to government, education and non-profit agencies located in all 50 states at no cost, liability or obligation to the Member. As a public, government agency itself, NJPA responds to its Members' purchasing needs by facilitating and awarding national competitively bid contracts. NJPA contract purchasing solutions result in valuable product and service solutions that range from office supplies to heavy equipment.

Terms & Conditions

Terms: 50% deposit required prior to ordering, balance due on delivery. All other terms and credit lines are subject to credit approval. Invoice will be due and payable, based on the original requested installation date, unless notified in writing 60 days prior of the requested installation date. We accept cash, checks, money orders, and wire transfers of funds. A late payment fee will be assessed at a rate of 1.5% (18% annual) per month on any unpaid balance remaining 30 days after the due date. Special Orders: A 100% prepayment is required for all customized products including but not limited to custom colors, sports flooring and products with logos such as plates, dumbbells and platforms.

Return Policy: Any returns require approval in writing by Advanced Exercise Project Management. A minimum 25% restocking fee, plus freight, will be incurred for all non-custom products returned. Customized products are nonreturnable. All products with color choices are defined as custom products.

Bolt Down Requirements: Life Fitness recommends that all strength training equipment be secured to the floor in order to prevent tipping, rocking or displacement which might occur in the event of unanticipated use of the equipment. Life Fitness requires that certain strength training equipment (specifically the Synrgy 360 90, T, XS, XM, HD Elite Half Rack/Short Base, Athletic Series Rigs, Athletic Series Racks with Wing option, Cybex PWR Play, Synrgy Outdoor BlueSky and other products to be used for body weight strap training) be secured to the floor. In the case of Synrgy 360S, T, XS, XM and the Elite HD Half Rack Short Base, the customer acknowledges:

- Customer has determined the proper placement of the equipment to be secured. **Customer Initial** _____
- Customer has identified and informed Advanced Exercise of the location of any utility, service lines, including but not limited to post tension cables. It is the customer's responsibility to identify the locations of any cables or lines prior to installation. **Customer Initial** _____
- Customer has confirmed that the subfloor consists of no less than 4.75 inches of concrete. (Synrgy Outdoor BlueSky requires a minimum 4.5 inches of concrete **Customer Initial** _____)
- Customer has obtained any and all consents to the drilling of holes in the flooring and subflooring. **Customer Initial** _____

If your order includes any of the equipment requiring bolting to the floor, initials are required above and an additional signed waiver will be required to place the order. Additional products may require bolting to the floor, wall or ceiling. Bolting is not included on these products unless otherwise noted on the quotation. Customer is responsible for bolting these products to meet the manufacturer's requirements. This includes TRX, Core Energy, Boxing mounts and other products that require bolting to the facility structure.

Wall & Ceiling Attached Items: The installation of any items such as TRX Multi Mounts., X Mounts, Wall Mat Racks, etc. that require bolting to walls or ceilings are not included in the proposal unless otherwise noted.

Flooring Installation: Refer to the product specifications to ensure that the sub floor meets the material installation requirements. Freight offloading, inside delivery, adhesive, moisture tests, moisture reducers, base boards, sub floor prep, sub floor cleaning, transition strips and existing floor removal and disposal are not included unless otherwise noted on the quotation.

Storage: We reserve the right to assess storage fees not to exceed 1.5% per month, or fraction thereof and request payment in full on the related customer's invoice, when a customer's original requested delivery date is delayed by circumstances beyond our control.

Taxes: We collect sales or use taxes only in jurisdictions where we are licensed to do so. Customer agrees to accept sole liability and responsibility to pay for any and all uncollected sales or use tax liabilities, related penalties and interest that arise as a result of the purchase of products and/or services from our company.

Security: Until all products are paid in full, customer hereby grants to, and Advanced Exercise shall retain, a security interest in and lien on all products sold to the customer.

I accept the terms and conditions of this quote.
