Special Review Use Application

Question 6: Narrative of proposed development

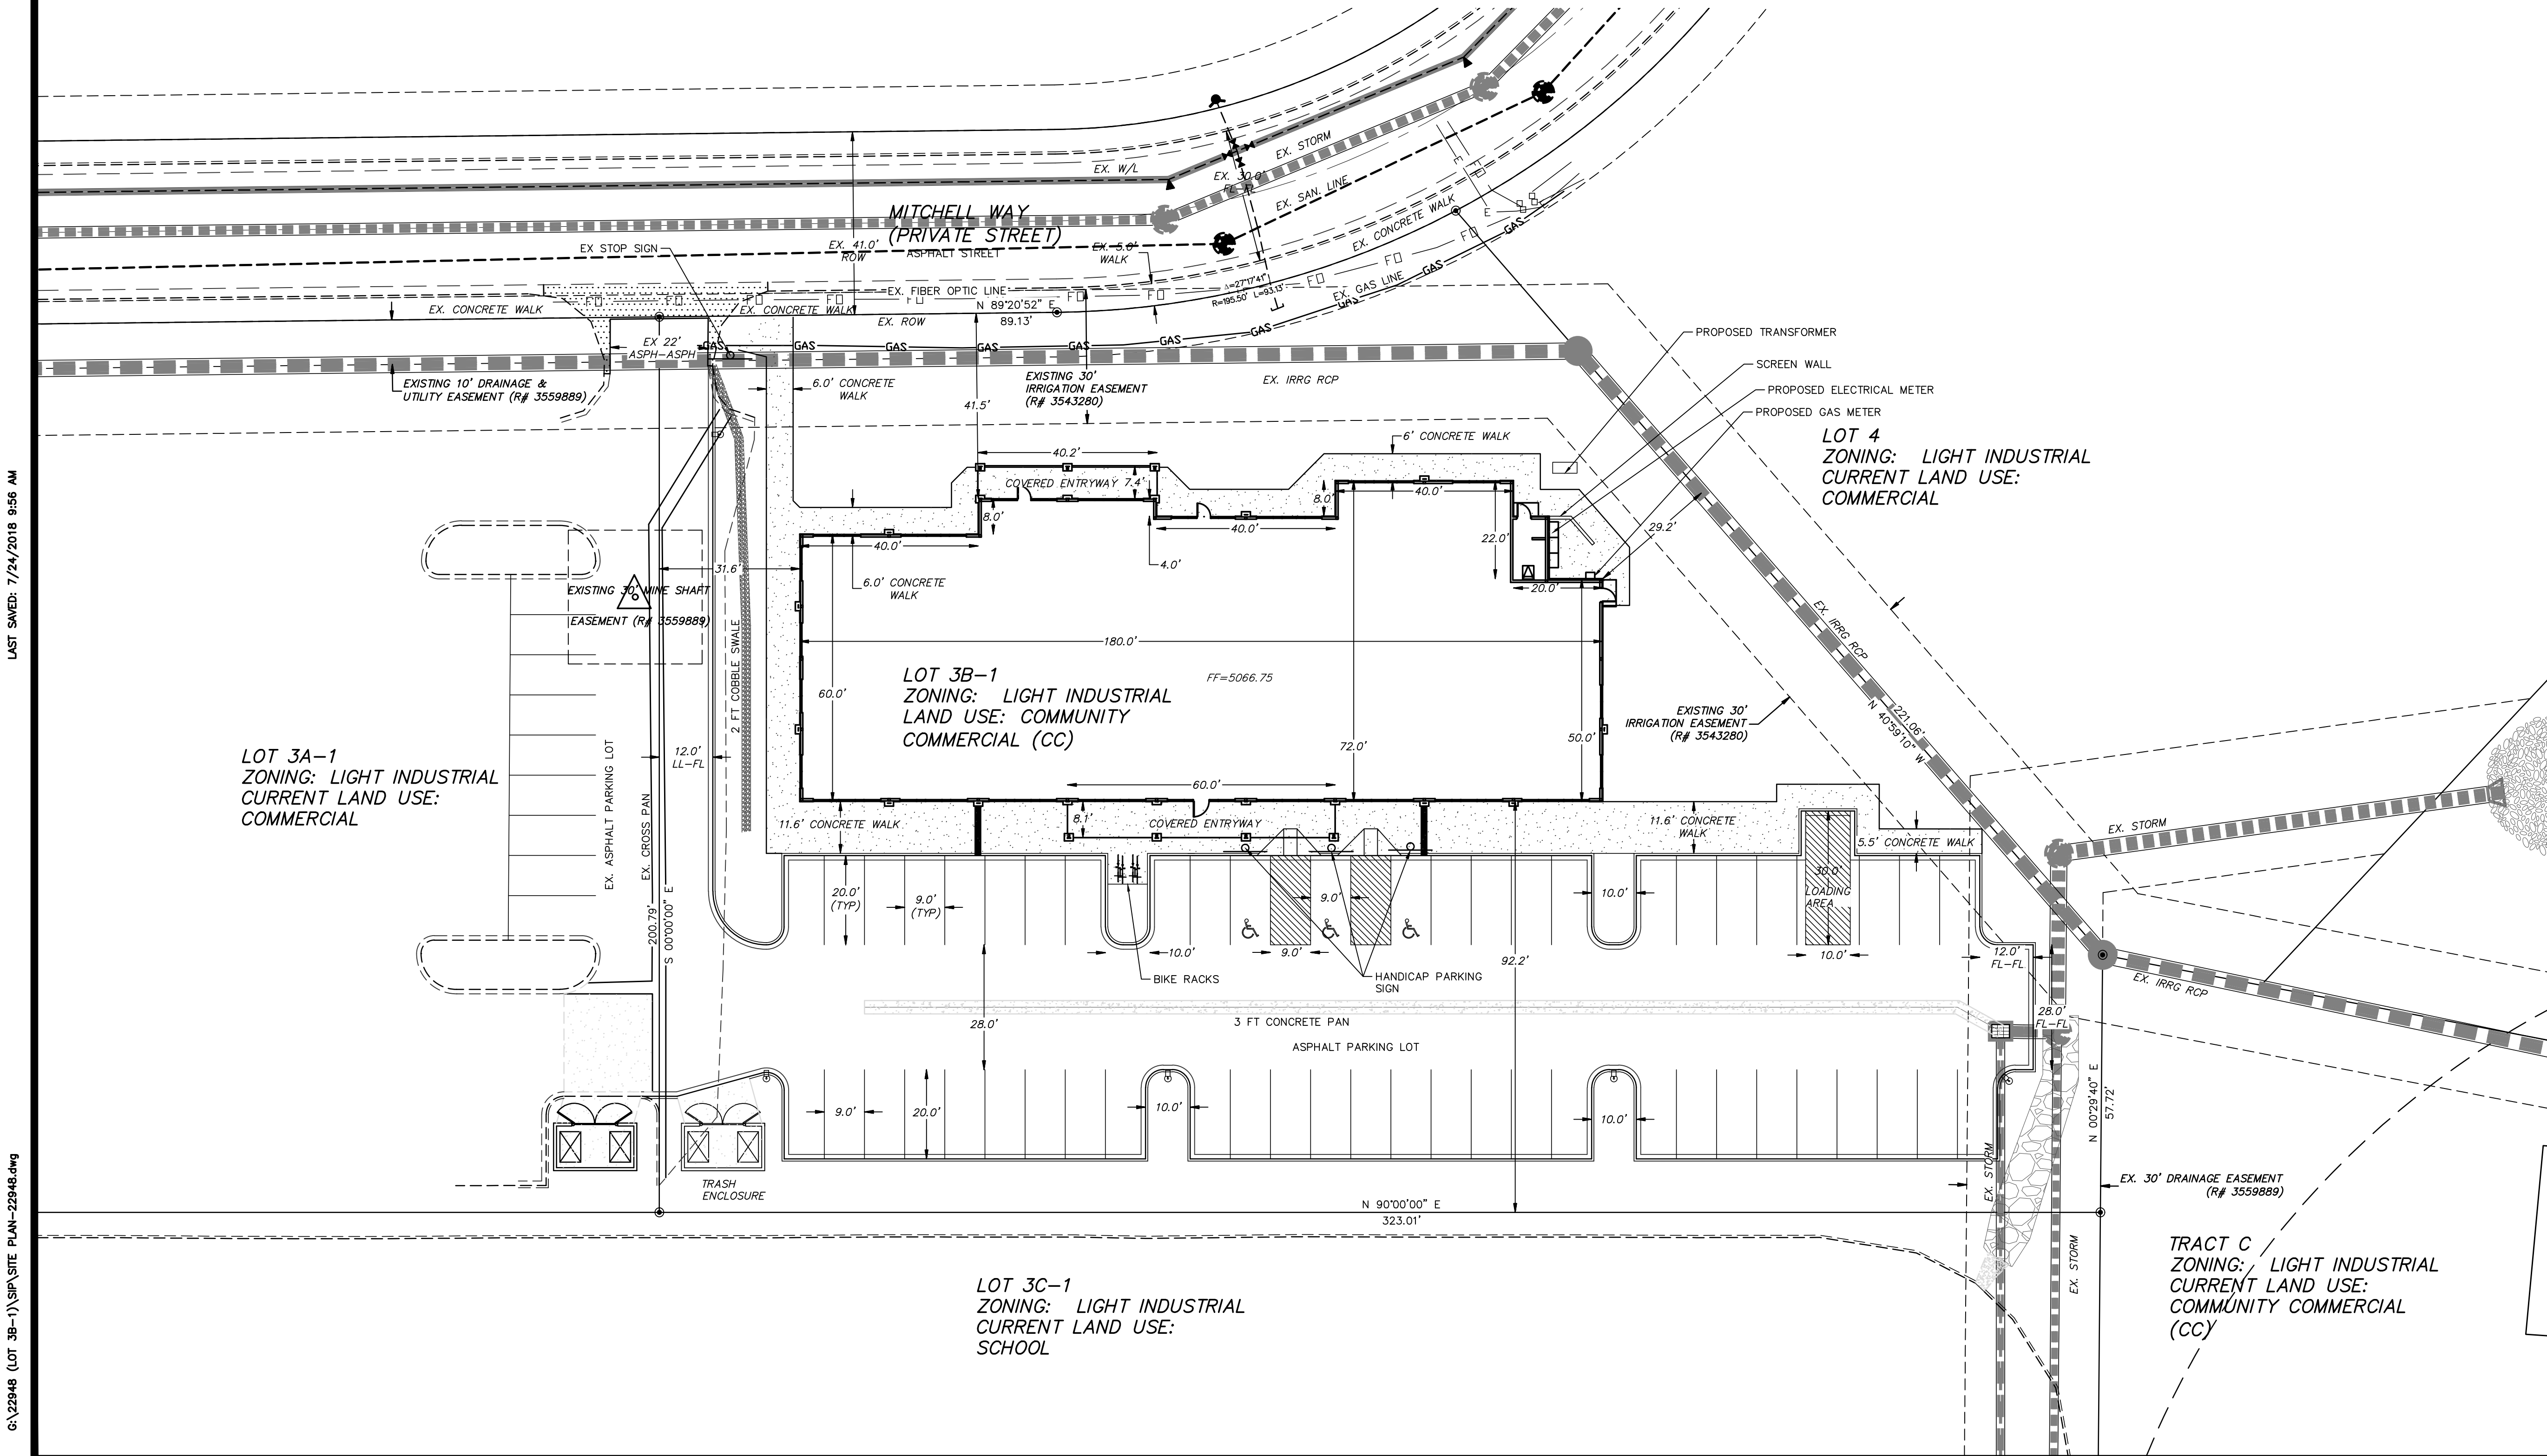

- A: The purpose of this request is to be granted authorization from the Town of Erie to operate a Fitness Club in a Light zoned area. Fitness 1440 provides group training, personal training, & a facility for its members to use to continue to evolve their fitness goals.
- B. Fitness 1440 would like to open our doors to our clients on March 1, 2019 as soon as construction is completed on the building.
- C. This concept fits well into a light industrial setting because of the open interior warehouse space. Our structural needs do not require anything more than an open lay out and feel leaving the building open for future needs. Adjacent properties are already utilizing light industrial zoning for similar fitness concepts due to the nature of Erie's market. We do not see any conflict being in a light industrial zone. Within a two block radius of 651 Mitchell Way, several other fitness concepts exist such as; Veledrome, Crossfit, Elevate Fit, Yoga Studio, & Tennis & Golf instruction.

Question 7: Management & Operational Plan

- A: Our opening goal is to provide 1-2 classes daily per day with one instructor with about 10-15 students & 8 to 10 sessions of personal training held daily.
- B: Our Facility will be a 24-hour badge access facility where only member will have access via our badge security system. We will man the operation with employees from 8AM-8PM M-Thursday, 8AM-2PM Friday-Sunday.
- C: At time of opening of Fitness 1440, there will be one General Manager, Fitness Director, Operations Manager, & one part time front desk attendant. Staff will be added as growth of business dictates.
- D: We require no outside storage or loading. The parking zoned for the building is more than adequate to service the clientele during their visit.
- E: Fitness 1440- Erie, CO is a franchise purchased under out the LLC name of Robbie's Pump House, LLC. It will be owned & operated by Robbie & Matt Mauch. Robbie's Pump House is in good standing with the State of Colorado.
