In 2024, sold \$1,745.07 worth of DT Business Cards (70 cards) in this test phase to gauge interest.

This year we are looking to partner with local schools and sports teams to help drive sales velocity after proof of concept.

We also want to make this an Erie-Wide Discount Card in the works based on the success and visibility to the Downtown Businesses with this past initiative with a goal of 40+ businesses.

(2024 was limited to Downtown Businesses and max of 12 businesses to test viability)

Santa strolled the streets of Downtown Erie and was ready for all his photo ops!
