

Board of County Commissioners

November 21, 2019

Dear Town of Erie,

Congratulations! The Board of County Commissioners is happy to inform you that the Town of Erie will be awarded your requested amount of \$15,000 to undertake sustainability initiatives in your community. The Sustainability Matching Grant will fund your proposal to offer water conservation services to residents in partnership with Resource Central. Note: The final award and grant funding are pending county 2020 budget approval on December 10th.

We look forward to partnering with the Town of Erie to advance sustainability in our region.

Sincerely,

Susie Strife
