AGREEMENT

This Agreement is made and entered into this ____ day of _____, 2024 by and between the Town of Erie, (hereinafter "Sponsor"), a body corporate and politic and constituting a political subdivision of the State of Colorado, and Ralph L. Wadsworth Construction Company, LLC (hereinafter "Contractor").

WITNESSETH

WHEREAS, Sponsor received sealed proposals for the provision and furnishing of any and all labor, tools, supplies, equipment, and/or materials necessary and required for the Runway, Taxiway, and Apron Rehabilitation – replace concrete panels, and which more fully defined and identified in AIP No. 3-08-0090-023-2024 & 3-08-0090-024-2024, or ACI No. 22847 (hereinafter "Project"); and

WHEREAS, Contractor submitted a sealed proposal to Sponsor for the Project; and

WHEREAS, the Project has been awarded to Contractor; and

WHEREAS, Contractor is willing and able to perform all of the work that is necessary and required to complete the Project; and

THEREFORE, for and in consideration of the fees, covenants, and agreements contained herein, and for other good and valuable consideration, it is agreed and understood between Sponsor and Contractor:

ARTICLE 1

ACCESS TO RECORDS AND REPORTS

(2 CFR § 200.334, 2 CFR § 200.337, and FAA Order 5100.38)

The Contractor must maintain an acceptable cost accounting system. The Contractor agrees to provide the Sponsor, the Federal Aviation Administration, and the Comptroller General of the United States or any of their duly authorized representatives access to any books, documents, papers and records of the Contractor which are directly pertinent to the specific contract for the purpose of making audit, examination, excerpt and transcriptions. The Contractor agrees to maintain all books, records, and reports required under this contract for a period of not less than three years after final payment is made and all pending matters are closed.

ARTICLE 2

AFFIRMATIVE ACTION REQUIREMENT

(41 CFR Part 60-4 and Executive Order 11246)

- A.** The Offeror's or Bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein.
- B.** The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows:

Timetables:

Goals for Minority participation for each trade 5.1%.

Goals for Female participation for each trade 6.9%

These goals are applicable to all the Contractor's Construction work (whether or not it is Federal or Federally-assisted) performed in the covered area. If the Contractor performs construction work in a geographical area located outside of the covered area, it shall apply the goals established for such geographical area where the work is actually performed. With regard to this second area, the Contractor also is subject to the goals for both its federally involved and non-federally involved construction.

The Contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a) and its efforts to meet the goals. The hours of minority and female employment and training shall be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from Contractor to Contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the Contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

- C. The Contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs (OFCCP) within 10 working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number of the subcontractor; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed.
- D. As used in this notice and in the Contract resulting from this solicitation, the "covered area" is in Erie, Weld County, Colorado.

ARTICLE 3
BREACH OF CONTRACT TERMS
(2 CFR § 200 Appendix II(A))

Any violation or breach of terms of this contract on the part of the Contractor or its subcontractors may result in the suspension or termination of this contract or such other action that may be necessary to enforce the rights of the parties of this agreement.

Sponsor will provide Contractor written notice that describes the nature of the breach and corrective actions the Contractor must undertake in order to avoid termination of the contract. Sponsor reserves the right to withhold payments to Contractor until such time the Contractor corrects the breach or the Sponsor elects to terminate the contract. The Sponsor's notice will identify a specific date by which the Contractor must correct the breach. Sponsor may proceed with termination of the contract if the Contractor fails to correct the breach by the deadline indicated in the Sponsor's notice.

The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder are in addition to, and not a limitation of, any duties, obligations, rights and remedies otherwise imposed or available by law.

ARTICLE 4

BUY AMERICAN PREFERENCE

(Title 49 USC § 50101, Executive Order 14005, Ensuring the Future is Made in All of America by All of America's Workers, Bipartisan Infrastructure Law (Pub. L. No. 117-58), Build America, Buy America (BABA))

*****SEE INSTRUCTIONS TO BIDDERS - SECTION 22 AND PROPOSAL FOR SOLICITATION COMPLIANCE. *****

Certification of Compliance with Buy American Preference Statement

FAA BUY AMERICAN PREFERENCE

The Contractor certifies that its bid/offer is in compliance with 49 USC § 50101, BABA and other related Made in America Laws,¹ U.S. statutes, guidance, and FAA policies, which provide that Federal funds may not be obligated unless all iron, steel and manufactured goods used in AIP funded projects are produced in the United States, unless the Federal Aviation Administration has issued a waiver for the product; the product is listed as an Excepted Article, Material Or Supply in Federal Acquisition Regulation subpart 25.108; or is included in the FAA Nationwide Buy American Waivers Issued list.

The bidder or offeror must complete and submit the certification of compliance with FAA's Buy American Preference, BABA and Made in America laws included herein with their bid or offer. The Airport Sponsor/Owner will reject as nonresponsive any bid or offer that does not include a completed certification of compliance with FAA's Buy American Preference and BABA.

The bidder or offeror certifies that all constructions materials, defined to mean an article, material, or supply other than an item of primarily iron or steel; a manufactured product; cement and cementitious materials; aggregates such as stone, sand, or gravel; or aggregate binding agents or additives that are or consist primarily of: non-ferrous metals; plastic and polymer-based products (including polyvinylchloride, composite building materials, and polymers used in fiber optic cables); glass (including optic glass); lumber; or drywall used in the project are manufactured in the U.S.

¹ *Per Executive Order 14005 "Made in America Laws" means all statutes, regulations, rules, and Executive Orders relating to federal financial assistance awards or federal procurement, including those that refer to "Buy America" or "Buy American," that require, or provide a preference for, the purchase or acquisition of goods, products, or materials produced in the United States, including iron, steel, and manufactured products offered in the United States.*

ARTICLE 5

CIVIL RIGHTS-GENERAL (49 USC § 47123)

5.1 General Clause that is used for Contracts, Lease Agreements, and Transfer Agreements. In all its activities within the scope of its airport program, the Contractor agrees to comply with pertinent statutes, Executive Orders, and such rules as identified in Title VI List of Pertinent Nondiscrimination Acts and Authorities to ensure that no person shall, on the grounds of race,

color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

This provision is in addition to that required by Title VI of the Civil Rights Act of 1964.

5.2 Specific Clause that is used for General Contract Agreements. The above provision binds the Contractor and subcontractors from the bid solicitation period through the completion of the contract.

5.3 Specific Clause that is used for Lease Agreements or Transfer Agreements. If the Contractor transfers its obligation to another, the transferee is obligated in the same manner as the Contractor.

The above provision obligates the Contractor for the period during which the property is owned, used or possessed by the Contractor and the airport remains obligated to the Federal Aviation Administration.

**ARTICLE 6
CIVIL RIGHTS - TITLE VI ASSURANCES
(49 USC § 47123 and FAA Order 1400.11)**

*****NOTE: SEE INSTRUCTIONS TO BIDDERS - SECTION 23 FOR SOLICITATION COMPLIANCE.*****

6.1 Title VI List of Pertinent Nondiscrimination Acts and Authorities. During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor") agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 USC § 2000d et seq., 78 stat. 252) (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination in Federally-Assisted programs of the Department of Transportation—Effectuation of Title VI of the Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 USC § 4601) (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- Section 504 of the Rehabilitation Act of 1973 (29 USC § 794 et seq.), as amended (prohibits discrimination on the basis of disability); and 49 CFR part 27 (Nondiscrimination on the Basis of Disability in Programs or Activities Receiving Federal Financial Assistance);
- The Age Discrimination Act of 1975, as amended (42 USC § 6101 et seq.) (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982 (49 USC § 47123), as amended (prohibits discrimination based on race, creed, color, national origin, or sex);

- The Civil Rights Restoration Act of 1987 (PL 100-259) (broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, the Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms “programs or activities” to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990 (42 USC § 12101, et seq) (prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities) as implemented by U.S. Department of Transportation regulations at 49 CFR parts 37 and 38;
- The Federal Aviation Administration’s Nondiscrimination statute (49 USC § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations (ensures nondiscrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations);
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs [70 Fed. Reg. 74087 (2005)];
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 USC § 1681, et seq).

6.2 Nondiscrimination Requirements/Title VI Clauses for Compliance.

The Sponsor must include this contract clause in:

- 1)** Every contract or agreement (unless the Sponsor has determined, and the FAA concurs, that the contract or agreement is not subject to the Nondiscrimination Acts and Authorities); and
- 2)** Service contracts with utility companies that are not already subject to substantively identical nondiscrimination requirements.
- 3)** Other types of contracts with utility companies involving property covered by A6.4.2, A6.4.3, or A6.4.4.

Compliance with Nondiscrimination Requirements:

During the performance of this contract, the Contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the “Contractor”), agrees as follows:

- 1) **Compliance with Regulations:** The Contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts and Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
- 2) **Nondiscrimination:** The Contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The Contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR part 21.
- 3) **Solicitations for Subcontracts, including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding or negotiation made by the Contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the Contractor of the contractor's obligations under this contract and the Nondiscrimination Acts and Authorities on the grounds of race, color, or national origin.
- 4) **Information and Reports:** The Contractor will provide all information and reports required by the Acts, the Regulations, and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Sponsor or the Federal Aviation Administration to be pertinent to ascertain compliance with such Nondiscrimination Acts and Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the Contractor will so certify to the Sponsor or the Federal Aviation Administration, as appropriate, and will set forth what efforts it has made to obtain the information.
- 5) **Sanctions for Noncompliance:** In the event of a Contractor's noncompliance with the non-discrimination provisions of this contract, the Sponsor will impose such contract sanctions as it or the Federal Aviation Administration may determine to be appropriate, including, but not limited to:
 - a. Withholding payments to the Contractor under the contract until the Contractor complies; and/or
 - b. Cancelling, terminating, or suspending a contract, in whole or in part.
- 6) **Incorporation of Provisions:** The Contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations, and directives issued pursuant thereto. The Contractor will take action with respect to any subcontract or procurement as the Sponsor or the Federal Aviation Administration may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the Contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the Contractor may request the Sponsor to enter into any litigation to protect the interests of the Sponsor. In addition, the Contractor may request the United States to enter into the litigation to protect the interests of the United States.

6.3 Title VI Clauses for Transfer of Real Property Acquired or Improved Under the Activity, Facility, or Program

This applies to agreements such as leases where a physical portion of the airport is transferred for use—for example a fuel farm, apron space, or a parking facility—and will be included as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Sponsor with other parties for all transfers of real property acquired or improved under the Airport Improvement Program.

CLAUSES FOR TRANSFER OF REAL PROPERTY ACQUIRED OR IMPROVED UNDER THE AIRPORT IMPROVEMENT PROGRAM

The following clauses will be included in deeds, licenses, leases, permits, or similar instruments entered into by the Sponsor pursuant to the provisions of the Airport Improvement Program grant assurances:

- A.** The (grantee, lessee, permittee, etc. as appropriate) for himself/herself, his/her heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree [in the case of deeds and leases add “as a covenant running with the land”] that:
 - 1.** In the event facilities are constructed, maintained, or otherwise operated on the property described in this (deed, license, lease, permit, etc.) for a purpose for which a Federal Aviation Administration activity, facility, or program is extended or for another purpose involving the provision of similar services or benefits, the (grantee, licensee, lessee, permittee, etc.) will maintain and operate such facilities and services in compliance with all requirements imposed by the Nondiscrimination Acts and Regulations listed in the Title VI List of Pertinent Nondiscrimination Acts and Authorities (as may be amended) such that no person on the grounds of race, color, or national origin, will be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities.
- B.** With respect to licenses, leases, permits, etc., in the event of breach of any of the above Nondiscrimination covenants, Sponsor will have the right to terminate the (lease, license, permit, etc.) and to enter, re-enter, and repossess said lands and facilities thereon, and hold the same as if the (lease, license, permit, etc.) had never been made or issued.*
- C.** With respect to a deed, in the event of breach of any of the above Nondiscrimination covenants, the Sponsor will have the right to enter or re-enter the lands and facilities thereon, and the above-described lands and facilities will there upon revert to and vest in and become the absolute property of the Sponsor) and its assigns*.

(*Reverter clause and related language to be used only when it is determined that such a clause is necessary to make clear the purpose of Title VI.)

ARTICLE 7

CLEAN AIR AND WATER POLLUTION CONTROL

(2 CFR Part 200, Appendix II(G), 42 USC § 7401, et seq, 33 USC § 1251, et seq)

CLEAN AIR AND WATER POLLUTION CONTROL

Contractor agrees to comply with all applicable standards, orders, and regulations issued pursuant to the Clean Air Act (42 USC §§ 7401-7671q) and the Federal Water Pollution Control Act as amended (33 USC

§§ 1251-1387). The Contractor agrees to report any violation to the Owner immediately upon discovery. The Owner assumes responsibility for notifying the Environmental Protection Agency (EPA) and the Federal Aviation Administration.

Contractor must include this requirement in all subcontracts that exceed \$150,000.

ARTICLE 8

CONTRACT WORK HOURS AND SAFETY STANDARDS ACT REQUIREMENTS (2 CFR Part 200, Appendix II(E), 2 CFR § 5.5(b), 40 USC § 3702, 40 USC § 3704)

CONTRACT WORKHOURS AND SAFETY STANDARDS ACT REQUIREMENTS

8.1 Overtime Requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic, including watchmen and guards, in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

8.2 Violation; Liability for Unpaid Wages; Liquidated Damages. In the event of any violation of the clause set forth in paragraph (1) of this clause, the Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this clause, in the sum of \$29 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this clause.

8.3 Withholding for Unpaid Wages and Liquidated Damages. The Federal Aviation Administration (FAA) or the Owner shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this clause.

8.4 Subcontractors. The Contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraphs (1) through (4) and also a clause requiring the subcontractor to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this clause.

ARTICLE 9
COPELAND "ANTI-KICKBACK" ACT
(2 CFR § 200, Appendix II (D) and 29 CFR parts 3 and 5)

Contractor must comply with the requirements of the Copeland "Anti-Kickback" Act (18 USC 874 and 40 USC 3145), as supplemented by Department of Labor regulation 29 CFR part 3. Contractor and subcontractors are prohibited from inducing, by any means, any person employed on the project to give up any part of the compensation to which the employee is entitled. The Contractor and each Subcontractor must submit to the Sponsor, a weekly statement on the wages paid to each employee performing on covered work during the prior week. Sponsor must report any violations of the Act to the Federal Aviation Administration.

ARTICLE 10
DAVIS BACON REQUIREMENTS
(2 CFR Part 200, Appendix II(D), 29 CFR Part 5, 49 USC § 47112(b),
40 USC §§ 3141-3144, 3146, and 3147)

10.1 MINIMUM WAGES.

- a. All laborers and mechanics employed or working upon the site of the work will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by the Secretary of Labor under the Copeland Act (29 CFR Part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalent thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the Contractor and such laborers and mechanics.

Contributions made or costs reasonably anticipated for bona fide fringe benefits under section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (1)(iv) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR § 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: *Provided*, that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under (1)(ii) of this section) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the Contractor and its subcontractors at the site of the work in a prominent and accessible place where it can easily be seen by the workers.

- b.
 - i. The contracting officer shall require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. The

contracting officer shall approve an additional classification and wage rate and fringe benefits therefore only when the following criteria have been met:

- (a) The work to be performed by the classification requested is not performed by a classification in the wage determination;
 - (b) The classification is utilized in the area by the construction industry; and
 - (c) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.
- ii. If the Contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by the contracting officer to the Administrator of the Wage and Hour Division, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.
- iii. In the event the Contractor, the laborers, or mechanics to be employed in the classification, or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer shall refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.
- iv. The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii) (B) or (C) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.
- v. Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.
- iv. If the Contractor does not make payments to a trustee or other third person, the Contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, *Provided*, that the Secretary of Labor has found, upon the written request of the Contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the Contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

10.2 Withholding. The Federal Aviation Administration or the Sponsor shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the Contractor under this contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees, and helpers, employed by the Contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working on the site of the work, all or part of the wages required by the contract, the Federal Aviation Administration may, after written notice to the Contractor, Sponsor, Applicant, or Owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

10.3 Payrolls and Basic Records.

- a. Payrolls and basic records relating thereto shall be maintained by the Contractor during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker; his or her correct classification; hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in 1(b)(2)(B) of the Davis-Bacon Act); daily and weekly number of hours worked; deductions made; and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5(a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the Contractor shall maintain records that show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual costs incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.
- b.
 - i. The Contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the Federal Aviation Administration if the agency is a party to the contract, but if the agency is not such a party, the Contractor will submit the payrolls to the applicant, Sponsor, or Owner, as the case may be, for transmission to the Federal Aviation Administration. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR § 5.5(a)(3)(i), except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors.

Contractors and subcontractors shall maintain the full social security number and current address of each covered worker and shall provide them upon request to the Federal Aviation Administration if the agency is a party to the contract, but if the agency is not such a party, the Contractor will submit them to the applicant, Sponsor, or Owner, as the case may be, for transmission to the Federal Aviation Administration, the Contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the sponsoring government agency (or the applicant, Sponsor, or Owner).

- ii. Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the Contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:
 - (a) That the payroll for the payroll period contains the information required to be provided under 29 CFR § 5.5(a)(3)(ii), the appropriate information is being maintained under 29 CFR § 5.5 (a)(3)(i), and that such information is correct and complete;
 - (b) That each laborer and mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in Regulations, 29 CFR Part 3;
 - (c) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.
 - (d) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by paragraph (3)(ii)(B) of this section.
 - (e) The falsification of any of the above certifications may subject the Contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.
- iii. The Contractor or subcontractor shall make the records required under paragraph (3)(i) of this section available for inspection, copying, or transcription by authorized representatives of the Sponsor, the Federal Aviation Administration, or the Department of Labor and shall permit such representatives to interview employees during working hours on the job. If the Contractor or subcontractor fails to submit the required records or to make them available, the Federal agency may, after written notice to the Contractor, Sponsor, applicant, or Owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR § 5.12.

10.4 Apprentices and Trainees.

- a. Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the Contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the Contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.
- b. Trainees. Except as provided in 29 CFR § 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination that provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate that is not registered and

participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the Contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

- c. **Equal Employment Opportunity.** The utilization of apprentices, trainees, and journeymen under this part shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

10.5 Compliance with Copeland Act Requirements. The Contractor shall comply with the requirements of 29 CFR Part 3, which are incorporated by reference in this contract.

10.6 Subcontracts. The Contractor or subcontractor shall insert in any subcontracts the clauses contained in 29 CFR §§ 5.5(a)(1) through (10) and such other clauses as the Federal Aviation Administration may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in 29 CFR § 5.5.

10.7 Contract Termination: Debarment. A breach of the contract clauses in paragraph 1 through 10 of this section may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR § 5.12.

10.8 Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract.

10.9 Disputes Concerning Labor Standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the Contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

10.10 Certification of Eligibility.

- a. By entering into this contract, the Contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the Contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR § 5.12(a)(1).
- b. No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of section 3(a) of the Davis-Bacon Act or 29 CFR § 5.12(a)(1).
- c. The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 USC § 1001.

ARTICLE 11
DEBARMENT AND SUSPENSION
(2 CFR Part 180 (Subpart B), 2 CFR Part 200, Appendix II(H), 2 CFR Part 1200,
DOT Order 4200.5, Executive Orders 12549 and 12689)

*****NOTE: SEE PROPOSAL FOR SOLICITATION COMPLIANCE. *****

CERTIFICATION OF OFFEROR/BIDDER REGARDING DEBARMENT

By submitting a bid/proposal under this solicitation, the bidder or offeror certifies that neither it nor its principals are presently debarred or suspended by any Federal department or agency from participation in this transaction.

CERTIFICATION OF LOWER TIER CONTRACTORS REGARDING DEBARMENT

The successful bidder, by administering each lower tier subcontract that exceeds \$25,000 as a "covered transaction", must confirm each lower tier participant of a "covered transaction" under the project is not presently debarred or otherwise disqualified from participation in this federally-assisted project. The successful bidder will accomplish this by:

1. Checking the System for Award Management at website: <http://www.sam.gov>.
2. Collecting a certification statement similar to the Certification of Offeror /Bidder Regarding Debarment, above.
3. Inserting a clause or condition in the covered transaction with the lower tier contract.

If the Federal Aviation Administration later determines that a lower tier participant failed to disclose to a higher tier participant that it was excluded or disqualified at the time it entered the covered transaction, the FAA may pursue any available remedies, including suspension and debarment of the non-compliant participant.

ARTICLE 12
DISADVANTAGED BUSINESS ENTERPRISE
(49 CFR part 26)

Prime Contracts (Projects Covered by a DBE Program)

Contract Assurance (49 CFR § 26.13) - The Contractor, subrecipient or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Contractor shall carry out applicable requirements of 49 CFR part 26 in the award and administration of DOT-assisted contracts. Failure by the Contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate, which may include, but is not limited to:

- (a)** Withholding monthly progress payments;
- (b)** Assessing sanctions;

(c) Liquidated damages; and/or

(d) Disqualifying the Contractor from future bidding as non-responsible.

Prompt Payment (49 CFR § 26.29) – The prime contractor agrees to pay each subcontractor under this prime contract for satisfactory performance of its contract no later than seven (7) days from the receipt of each payment the prime contractor receives from the Sponsor. The prime contractor agrees further to return retainage payments to each subcontractor within seven (7) days after the subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause following written approval of the Sponsor. This clause applies to both DBE and non-DBE subcontractors.

Termination of DBE Subcontracts (49 CFR § 26.53(f)) – The prime contractor must not terminate a DBE subcontractor listed in response to the Instructions for Bidders, Section 20 (or an approved substitute DBE firm) without prior written consent of Sponsor. This includes, but is not limited to, instances in which the prime contractor seeks to perform work originally designated for a DBE subcontractor with its own forces or those of an affiliate, a non-DBE firm, or with another DBE firm.

The prime contractor shall utilize the specific DBEs listed to perform the work and supply the materials for which each is listed unless the contractor obtains written consent Sponsor. Unless Sponsor consent is provided, the prime contractor shall not be entitled to any payment for work or material unless it is performed or supplied by the listed DBE.

Sponsor may provide such written consent only if Sponsor agrees, for reasons stated in the concurrence document, that the prime contractor has good cause to terminate the DBE firm. For purposes of this paragraph, good cause includes the circumstances listed in 49 CFR §26.53.

Before transmitting to Sponsor its request to terminate and/or substitute a DBE subcontractor, the prime contractor must give notice in writing to the DBE subcontractor, with a copy to Sponsor, of its intent to request to terminate and/or substitute, and the reason for the request.

The prime contractor must give the DBE five days to respond to the prime contractor's notice and advise Sponsor and the contractor of the reasons, if any, why it objects to the proposed termination of its subcontract and why the Sponsor should not approve the prime contractor's action. If required in a particular case as a matter of public necessity (e.g., safety), Sponsor may provide a response period shorter than five days.

In addition to post-award terminations, the provisions of this section apply to preaward deletions of or substitutions for DBE firms put forward by offerors in negotiated procurements.

ARTICLE 13
DISTRACTED DRIVING
(Executive Order 13513 and DOT Order 3902.10)

TEXTING WHEN DRIVING

In accordance with Executive Order 13513, "Federal Leadership on Reducing Text Messaging While Driving", (10/1/2009) and DOT Order 3902.10, "Text Messaging While Driving", (12/30/2009), the Federal Aviation Administration encourages recipients of Federal grant funds to adopt and enforce safety policies

that decrease crashes by distracted drivers, including policies to ban text messaging while driving when performing work related to a grant or subgrant.

In support of this initiative, the Owner encourages the Contractor to promote policies and initiatives for its employees and other work personnel that decrease crashes by distracted drivers, including policies that ban text messaging while driving motor vehicles while performing work activities associated with the project. The Contractor must include the substance of this clause in all sub-tier contracts exceeding \$10,000 that involve driving a motor vehicle in performance of work activities associated with the project.

ARTICLE 14
PROHIBITION ON CERTAIN TELECOMMUNICATIONS AND
VIDEO SURVEILLANCE SERVICES OR EQUIPMENT
(2 CFR § 200, Appendix II(K), 2 CFR § 200.216)

Contractor and Subcontractor agree to comply with mandatory standards and policies relating to use and procurement of certain telecommunications and video surveillance services or equipment in compliance with the National Defense Authorization Act (Public Law 115-232 § 889(f)(1)).

ARTICLE 15
DRUG FREE WORKPLACE REQUIREMENTS
(49 CFR part 32 and Drug-Free Workplace Act of 1988 (41 USC § 8101-8106, as amended))

NOT APPLICABLE

ARTICLE 16
EQUAL EMPLOYMENT OPPORTUNITY (EEO)
(2 CFR 200, Appendix II(C), 41 CFR § 60-1.4, 41 CFR § 60-4.3, Executive Order 11246)

16.1 EQUAL OPPORTUNITY CLAUSE

16.1.1 During the performance of this contract, the Contractor agrees as follows:

- a. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff, or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- b. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

- c. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- d. The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the Contractor's commitments under this section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- e. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- f. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- g. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any such rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- h. The Contractor will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions, including sanctions for noncompliance: *Provided*, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

16.2 STANDARD FEDERAL EQUAL EMPLOYMENT OPPORTUNITY CONSTRUCTION CONTRACT SPECIFICATIONS

16.2.1 As used in these specifications:

- a.** "Covered area" means the geographical area described in the solicitation from which this contract resulted;
- b.** "Director" means Director, Office of Federal Contract Compliance Programs (OFCCP), U.S. Department of Labor, or any person to whom the Director delegates authority;
- c.** "Employer identification number" means the Federal social security number used on the Employer's Quarterly Federal Tax Return, U.S. Treasury Department Form 941;
- d.** "Minority" includes:
 - (i)** Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);
 - (ii)** Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race);
 - (iii)** Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and
 - (iv)** American Indian or Alaskan native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).

16.2.2 Whenever the Contractor, or any subcontractor at any tier, subcontracts a portion of the work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 the provisions of these specifications and the Notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this contract resulted.

16.2.3 If the Contractor is participating (pursuant to 41 CFR part 60-4.5) in a Hometown Plan approved by the U.S. Department of Labor in the covered area either individually or through an association, its affirmative action obligations on all work in the Plan area (including goals and timetables) shall be in accordance with that Plan for those trades which have unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each contractor or subcontractor participating in an approved plan is individually required to comply with its obligations under the EEO clause and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith performance by other contractors or subcontractors toward a goal in an approved Plan does not excuse any covered contractor's or subcontractor's failure to take good faith efforts to achieve the Plan goals and timetables.

16.2.4 The Contractor shall implement the specific affirmative action standards provided in paragraphs 7a through 7p of these specifications. The goals set forth in the solicitation from which

this contract resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the Contractor should reasonably be able to achieve in each construction trade in which it has employees in the covered area. Covered construction contractors performing construction work in a geographical areas where they do not have a Federal or federally assisted construction contract shall apply the minority and female goals established for the geographical area where the work is being performed. Goals are published periodically in the Federal Register in notice form, and such notices may be obtained from any Office of Federal Contract Compliance Programs office or from Federal procurement contracting officers. The Contractor is expected to make substantially uniform progress in meeting its goals in each craft during the period specified.

16.2.5 Neither the provisions of any collective bargaining agreement, nor the failure by a union with whom the Contractor has a collective bargaining agreement, to refer either minorities or women shall excuse the Contractor's obligations under these specifications, Executive Order 11246, or the regulations promulgated pursuant thereto.

16.2.6 In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the Contractor during the training period, and the Contractor must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the U.S. Department of Labor.

16.2.7 The Contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the Contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The Contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:

- a. Ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the Contractor's employees are assigned to work. The Contractor, where possible, will assign two or more women to each construction project. The Contractor shall specifically ensure that all foremen, superintendents, and other onsite supervisory personnel are aware of and carry out the Contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.
- b. Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the Contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.
- c. Maintain a current file of the names, addresses, and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source, or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the Contractor by the union or, if referred, not employed by the Contractor, this shall be documented in the file with the reason therefor, along with whatever additional actions the Contractor may have taken.

- d. Provide immediate written notification to the Director when the union or unions with which the Contractor has a collective bargaining agreement has not referred to the Contractor a minority person or woman sent by the Contractor, or when the Contractor has other information that the union referral process has impeded the Contractor's efforts to meet its obligations.
- e. Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the Contractor's employment needs, especially those programs funded or approved by the Department of Labor. The Contractor shall provide notice of these programs to the sources compiled under 7b above.
- f. Disseminate the Contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the Contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.
- g. Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination, or other employment decisions including specific review of these items with onsite supervisory personnel such as superintendents, general foremen, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.
- h. Disseminate the Contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the Contractor's EEO policy with other contractors and subcontractors with whom the Contractor does or anticipates doing business.
- i. Direct its recruitment efforts, both oral and written, to minority, female, and community organizations, to schools with minority and female students and to minority and female recruitment and training organizations serving the Contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment source, the Contractor shall send written notification to organizations such as the above, describing the openings, screening procedures, and tests to be used in the selection process.
- j. Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer, and vacation employment to minority and female youth both on the site and in other areas of a contractor's work force.
- k. Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR part 60-3.

- l. Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel, for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.
- m. Ensure that seniority practices, job classifications, work assignments, and other personnel practices do not have a discriminatory effect by continually monitoring all personnel and employment related activities to ensure that the EEO policy and the Contractor's obligations under these specifications are being carried out.
- n. Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.
- o. Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.
- p. Conduct a review, at least annually, of all supervisor's adherence to and performance under the Contractor's EEO policies and affirmative action obligations.

16.2.8 Contractors are encouraged to participate in voluntary associations, which assist in fulfilling one or more of their affirmative action obligations (7a through 7p). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the Contractor is a member and participant may be asserted as fulfilling any one or more of its obligations under 7a through 7p of these specifications provided that the Contractor actively participates in the group, makes every effort to assure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the Contractor's minority and female workforce participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the Contractor. The obligation to comply, however, is the Contractor's and failure of such a group to fulfill an obligation shall not be a defense for the Contractor's noncompliance.

16.2.9 A single goal for minorities and a separate single goal for women have been established. The Contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the Contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the Contractor has achieved its goals for women generally, the Contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).

16.2.10 The Contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, sexual orientation, gender identity, or national origin.

16.2.11 The Contractor shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

16.2.12 The Contractor shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause, including suspension, termination, and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246, as amended.

16.2.13 The Contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in paragraph 7 of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Contractor fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the Director shall proceed in accordance with 41 CFR part 60-4.8.

16.2.14 The Contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the Government, and to keep records. Records shall at least include for each employee, the name, address, telephone numbers, construction trade, union affiliation if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice, trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.

16.2.15 Nothing herein provided shall be construed as a limitation upon the application of other laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g. those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).

ARTICLE 17
FEDERAL FAIR LABOR STANDARDS ACT (FEDERAL MINIMUM WAGE)
(29 USC § 201, et seq, 2 CFR § 200.430)

All contracts and subcontracts that result from this solicitation incorporate by reference the provisions of 29 CFR part 201, the Federal Fair Labor Standards Act (FLSA), with the same force and effect as if given in full text. The FLSA sets minimum wage, overtime pay, recordkeeping, and child labor standards for full and part-time workers.

The Contractor has full responsibility to monitor compliance to the referenced statute or regulation. The Contractor must address any claims or disputes that arise from this requirement directly with the U.S. Department of Labor – Wage and Hour Division.

ARTICLE 18
LOBBYING AND INFLUENCING FEDERAL EMPLOYEES
(31 USC § 1352 – Byrd Anti-Lobbying Amendment, 2 CFR part 200, Appendix II(I),
and 49 CFR part 20, Appendix A)

CERTIFICATION REGARDING LOBBYING

18.1 The Bidder or Offeror certifies by signing and submitting this bid or proposal, to the best of his or her knowledge and belief, that:

18.1.1 No Federal appropriated funds have been paid or will be paid, by or on behalf of the Bidder or Offeror, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

18.1.2 If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

18.1.3 The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

ARTICLE 19
PROHIBITION OF SEGREGATED FACILITIES
(2 CFR Part 200, Appendix II(C), 41 CFR Part 60-1)

19.1 The Contractor agrees that it does not and will not maintain or provide for its employees any segregated facilities at any of its establishments, and that it does not and will not permit its employees to perform their services at any location under its control where segregated facilities are maintained. The Contractor agrees that a breach of this clause is a violation of the Equal Employment Opportunity clause in this contract.

19.2 "Segregated facilities," as used in this clause, means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas,

transportation, and housing facilities provided for employees that are segregated by explicit directive or are in fact segregated on the basis of race, color, religion, sex, or national origin because of written or oral policies or employee custom. The term does not include separate or single-user rest rooms or necessary dressing or sleeping areas provided to assure privacy between the sexes.

- 19.3** The Contractor shall include this clause in every subcontract and purchase order that is subject to the Equal Employment Opportunity clause of this contract.

ARTICLE 20
OCCUPATIONAL SAFETY AND HEALTH ACT OF 1970
(29 CFR part 1910)

All contracts and subcontracts that result from this solicitation incorporate by reference the requirements of 29 CFR Part 1910 with the same force and effect as if given in full text. The employer must provide a work environment that is free from recognized hazards that may cause death or serious physical harm to the employee. The employer retains full responsibility to monitor its compliance and their subcontractor's compliance with the applicable requirements of the Occupational Safety and Health Act of 1970 (29 CFR Part 1910). The employer must address any claims or disputes that pertain to a referenced requirement directly with the U.S. Department of Labor – Occupational Safety and Health Administration.

ARTICLE 21
PROCUREMENT OF RECOVERED MATERIALS
(2 CFR § 200.323, 2 CFR Part 200, Appendix II(J), 40 CFR Part 247,
42 USC § 6901, et seq (Resource Conservation and Recovery Act (RCRA)))

Contractor and subcontractor agree to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, and the regulatory provisions of 40 CFR Part 247. In the performance of this contract and to the extent practicable, the Contractor and subcontractors are to use of products containing the highest percentage of recovered materials for items designated by the Environmental Protection Agency (EPA) under 40 CFR Part 247 whenever:

- (a)** The contract requires procurement of \$10,000 or more of a designated item during the fiscal year; or,
- (b)** The contractor has procured \$10,000 or more of a designated item using Federal funding during the previous fiscal year.

The list of EPA-designated items is available at www.epa.gov/smm/comprehensive-procurement-guidelines-construction-products.

Section 6002(c) establishes exceptions to the preference for recovery of EPA-designated products if the contractor can demonstrate the item is:

- (a)** Not reasonably available within a timeframe providing for compliance with the contract performance schedule;
- (b)** Fails to meet reasonable contract performance requirements; or
- (c)** Is only available at an unreasonable price.

ARTICLE 22
RIGHTS TO INVENTIONS
(2 CFR § 200, Appendix II(F), 37 CFR § 401)

NOT APPLICABLE

ARTICLE 23
SEISMIC SAFETY
(49 CFR Part 41)

- 23.1 Professional Service Agreements for Design.** In the performance of design services, the Contractor agrees to furnish a building design and associated construction specification that conform to a building code standard that provides a level of seismic safety substantially equivalent to standards as established by the National Earthquake Hazards Reduction Program (NEHRP). Local building codes that model their building code after the current version of the International Building Code (IBC) meet the NEHRP equivalency level for seismic safety. At the conclusion of the design services, the Contractor agrees to furnish the Sponsor a “certification of compliance” that attests conformance of the building design and the construction specifications with the seismic standards of NEHRP or an equivalent building code.
- 23.2 Construction Contracts.** The Contractor agrees to ensure that all work performed under this contract, including work performed by subcontractors, conforms to a building code standard that provides a level of seismic safety substantially equivalent to standards established by the National Earthquake Hazards Reduction Program (NEHRP). Local building codes that model their code after the current version of the International Building Code (IBC) meet the NEHRP equivalency level for seismic safety.

ARTICLE 24
TAX DELINQUENCY AND FELONY CONVICTIONS
(Section 8113 of the Consolidated Appropriations Act, 2022 (Public Law 117-103) and similar provisions
in subsequent appropriations acts. DOT Order 4200.6 – Appropriations Act Requirements for
Procurement and Non-Procurement Regarding Tax Delinquency and Felony Convictions)

CERTIFICATION OF OFFEROR/BIDDER REGARDING TAX DELINQUENCY AND FELONY CONVICTIONS

The applicant must complete the following two certification statements. The applicant must indicate its current status as it relates to tax delinquency and felony conviction by inserting a checkmark (✓) in the space following the applicable response. The applicant agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification in all lower tier subcontracts.

Certifications

- (a) The applicant represents that it is () is not (✓) a corporation that has any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

- (b) The applicant represents that it is () is not (✓) a corporation that was convicted of a criminal violation under any Federal law within the preceding 24 months.

Note: If an applicant responds in the affirmative to either of the above representations, the applicant is ineligible to receive an award unless the sponsor has received notification from the agency suspension and debarment official (SDO) that the SDO has considered suspension or debarment and determined that further action is not required to protect the Government's interests. The applicant therefore must provide information to the Sponsor about its tax liability or conviction to the Sponsor, who will then notify the FAA Airports District Office, which will then notify the agency's SDO to facilitate completion of the required considerations before award decisions are made.

Term Definitions

Felony conviction: Felony conviction means a conviction within the preceding twenty-four (24) months of a felony criminal violation under any Federal law and includes conviction of an offense defined in a section of the U.S. code that specifically classifies the offense as a felony and conviction of an offense that is classified as a felony under 18 U.S.C. § 3559.

Tax Delinquency: A tax delinquency is any unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted, or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

ARTICLE 25

TERMINATION OF CONTRACT

(2 CFR Part 200, Appendix II(B), FAA Advisory Circular 150/5370-10, Section 80-09)

TERMINATION FOR CONVENIENCE (CONSTRUCTION & EQUIPMENT CONTRACTS)

The Sponsor may terminate this contract in whole or in part at any time by providing written notice to the Contractor. Such action may be without cause and without prejudice to any other right or remedy of Sponsor. Upon receipt of a written notice of termination, except as explicitly directed by the Sponsor, the Contractor shall immediately proceed with the following obligations regardless of any delay in determining or adjusting amounts due under this clause:

- (a) Contractor must immediately discontinue work as specified in the written notice.
- (b) Terminate all subcontracts to the extent they relate to the work terminated under the notice.
- (c) Discontinue orders for materials and services except as directed by the written notice.
- (d) Deliver to the Sponsor all fabricated and partially fabricated parts, completed and partially completed work, supplies, equipment and materials acquired prior to termination of the work, and as directed in the written notice.
- (e) Complete performance of the work not terminated by the notice.
- (f) Take action as directed by the Sponsor to protect and preserve property and work related to this contract that Sponsor will take possession.

Sponsor agrees to pay Contractor for:

- (a) completed and acceptable work executed in accordance with the contract documents prior to the effective date of termination;
- (b) documented expenses sustained prior to the effective date of termination in performing work and furnishing labor, materials, or equipment as required by the contract documents in connection with uncompleted work;
- (c) reasonable and substantiated claims, costs, and damages incurred in settlement of terminated contracts with Subcontractors and Suppliers; and
- (d) reasonable and substantiated expenses to the Contractor directly attributable to Sponsor's termination action.

Sponsor will not pay Contractor for loss of anticipated profits or revenue or other economic loss arising out of or resulting from the Sponsor's termination action.

The rights and remedies this clause provides are in addition to any other rights and remedies provided by law or under this contract.

TERMINATION FOR DEFAULT (CONSTRUCTION)

Section 80-09 of FAA Advisory Circular 150/5370-10 establishes conditions, rights, and remedies associated with Sponsor termination of this contract due to default of the Contractor.

TERMINATION FOR DEFAULT (EQUIPMENT)

The Sponsor may, by written notice of default to the Contractor, terminate all or part of this Contract if the Contractor:

- (a) Fails to commence the Work under the Contract within the time specified in the Notice- to-Proceed;
- (b) Fails to make adequate progress as to endanger performance of this Contract in accordance with its terms;
- (c) Fails to make delivery of the equipment within the time specified in the Contract, including any Sponsor approved extensions;
- (d) Fails to comply with material provisions of the Contract;
- (e) Submits certifications made under the Contract and as part of their proposal that include false or fraudulent statements; or
- (f) Becomes insolvent or declares bankruptcy.

If one or more of the stated events occur, the Sponsor will give notice in writing to the Contractor and Surety of its intent to terminate the contract for cause. At the Sponsor's discretion, the notice may allow the Contractor and Surety an opportunity to cure the breach or default.

If within 10 days of the receipt of notice, the Contractor or Surety fails to remedy the breach or default to the satisfaction of the Sponsor, the Sponsor has authority to acquire equipment by other procurement action. The Contractor will be liable to the Sponsor for any excess costs the Sponsor incurs for acquiring such similar equipment.

Payment for completed equipment delivered to and accepted by the Sponsor shall be at the Contract price. The Sponsor may withhold from amounts otherwise due the Contractor for such completed equipment, such sum as the Sponsor determines to be necessary to protect the Sponsor against loss because of Contractor default.

Sponsor will not terminate the Contractor's right to proceed with the Work under this clause if the delay in completing the work arises from unforeseeable causes beyond the control and without the fault or negligence of the Contractor. Examples of such acceptable causes include: acts of God, acts of the Sponsor, acts of another Contractor in the performance of a contract with the Sponsor, and severe weather events that substantially exceed normal conditions for the location.

If, after termination of the Contractor's right to proceed, the Sponsor determines that the Contractor was not in default, or that the delay was excusable, the rights and obligations of the parties will be the same as if the Sponsor issued the termination for the convenience the Sponsor.

The rights and remedies of the Sponsor in this clause are in addition to any other rights and remedies provided by law or under this contract.

ARTICLE 26
TRADE RESTRICTION CLAUSE
(49 USC § 50104, 49 CFR part 30)

****NOTE: SEE PROPOSAL FOR SOLICITATION COMPLIANCE. ****

TRADE RESTRICTION CERTIFICATION

By submission of an offer, the Offeror certifies that with respect to this solicitation and any resultant contract, the Offeror –

- (a)** is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms as published by the Office of the United States Trade Representative (USTR);
- (b)** has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country included on the list of countries that discriminate against U.S. firms as published by the USTR; and
- (c)** has not entered into any subcontract for any product to be used on the Federal project that is produced in a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18 USC § 1001.

The Offeror/Contractor must provide immediate written notice to the Owner if the Offeror/Contractor learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. The Contractor must require subcontractors provide immediate written notice to the Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR § 30.17, no contract shall be awarded to an Offeror or subcontractor:

- (a) who is owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR; or
- (b) whose subcontractors are owned or controlled by one or more citizens or nationals of a foreign country on such USTR list; or
- (c) who incorporates in the public works project any product of a foreign country on such USTR list.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The Offeror agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in all lower tier subcontracts. The Contractor may rely on the certification of a prospective subcontractor that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by USTR, unless the Offeror has knowledge that the certification is erroneous.

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration (FAA) may direct through the Owner cancellation of the contract or subcontract for default at no cost to the Owner or the FAA.

ARTICLE 27 VETERAN'S PREFERENCE (49 USC § 47112(c))

In the employment of labor (excluding executive, administrative, and supervisory positions), the Contractor and all sub-tier contractors must give preference to covered veterans as defined within Title 49 United States Code Section 47112. Covered veterans include Vietnam-era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns (as defined by 15 USC 632) owned and controlled by disabled veterans. This preference only applies when there are covered veterans readily available and qualified to perform the work to which the employment relates.

ARTICLE 28
DOMESTIC PREFERENCES FOR PROCUREMENTS
(2 CFR § 200.322, 2 CFR Part 200, Appendix II(L))

CERTIFICATION REGARDING DOMESTIC PREFERENCES FOR PROCUREMENTS

The Bidder or Offeror certifies by signing and submitting this bid or proposal that, to the greatest extent practicable, the Bidder or Offeror has provided a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including, but not limited to, iron, aluminum, steel, cement, and other manufactured products) in compliance with 2 CFR § 200.322.

ARTICLE 29
CONTRACT DOCUMENTS

The Contract Documents consist of the following:

Invitation for Bids	Instructions to Bidders	Change Orders
Notice of Award	Agreement	Applications for Payment
Performance Bond	EEO Requirements in Subcontracts	Addenda
Proposal	Payment Bond	Wage Rates
Notice to Proceed	Certification of Inclusion of Labor	General Provisions
Technical Specifications	Special Provisions	Construction Safety and Phasing Plan
Plans and Drawings	Construction Management Plan	Notice of Contractor's Settlement

These Contract Documents are incorporated herein and are a part of this Agreement.

ARTICLE 30
SCOPE OF WORK

Contractor is to complete the Project in accordance with the Contract Documents and in accordance with all codes and regulations governing the construction of the Project. Any work, materials, or equipment that may be reasonably inferred from the Contract Documents as being required to produce the intended result shall be supplied by Contractor whether or not specifically called for. Reference to standard specifications, manuals, or codes of any technical society, organization or association, or to the laws or regulations of any governmental authority, whether such reference be specific or by implication, shall mean the latest standard, specification, manual, code, or laws or regulations in effect at the time of opening of bids and Contractor shall comply therewith. Sponsor shall have no duties other than those duties and obligations expressly set forth within the Contract Documents.

ARTICLE 31
CONTRACT TIME

Contractor agrees to undertake the performance of the Project on the date stated in the Notice to Proceed as issued by the Sponsor and agrees to fully complete the Project within sixty (60) calendar days for Schedule I, II, III, and IV unless an extension of time is granted by Sponsor in accordance with the provisions of Section 80, Paragraph 7, of the General Provisions.

ARTICLE 32

DAMAGES

- 32.1** It is acknowledged that Contractor's failure to complete the Project within the Contract Time will cause Sponsor to incur substantial economic damages and losses of the types and in the amounts which are significantly difficult to compute and ascertain with any certainty as a basis for the recovery by Sponsor of actual damages, and that liquidated damages represent a fair, reasonable, and appropriate estimate thereof. Accordingly, in lieu of actual damages for such delay, Contractor agrees that liquidated damages may be assessed and recovered by Sponsor as against Contractor and its Surety in the event of delayed completion and without Sponsor being required to present any evidence of the amount or character of actual damages sustained by reason thereof. Contractor shall be liable to Sponsor for payment of liquidated damages in the amount of One Thousand Seven Hundred Fifty and No/100ths Dollars (\$1,750) for each day that the Project is delayed beyond the Contract Time as adjusted for any time extension that may be provided for by the Contract Documents. Such liquidated damages are intended to represent estimated actual damages and are not intended as a penalty, and Contractor shall pay them to Sponsor without limiting Sponsor's right to terminate this Agreement for default as provided elsewhere herein. Additionally, Sponsor may hold all or part of any liquidated damages from payments that may be due to Contractor for the Project. The acceptance by Sponsor of such liquidated damages does not constitute a waiver by Sponsor of any other remedy available at law or in equity, and Sponsor expressly reserves its right to pursue any available remedy.
- 32.2** If Contractor fails to comply with any covenants or conditions of this Agreement, Sponsor may take such actions as Sponsor deems necessary to complete the Project using persons and entities selected by Sponsor. If Sponsor's costs of completing the Project exceed any unpaid amounts to Contractor for the Project, upon demand, Contractor shall reimburse Sponsor the difference between the actual cost of completion and the unpaid balance of any amounts that remain to be paid for the Project. Sponsor's rights and remedies under this section are not exclusive and are cumulative with any other rights and remedies Sponsor may have under this Agreement or applicable law. Notwithstanding the foregoing, Sponsor shall have all available rights and remedies pursuant to Colorado's statutes related to the Construction Defect Action Reform Act as well as any and all other applicable federal, state, or local statutes, laws, rules, and/or regulations.

ARTICLE 33

TERMS OF PAYMENT

- 33.1** Sponsor agrees to pay Contractor in accordance with the price or prices set forth in Contractor's Proposal, for the total cost of the Project, or the "Contract Price," will be Eight Hundred Twenty Six Thousand Eight Hundred Forty Six Dollars and 30/100 (\$826,846.30). Partial payments will be made for work completed on the Project during the previous month, as well as for materials (invoice cost only) delivered to the site of the Project and which are properly and suitably stored.
- 33.2** Application for partial payments for stored materials must be accompanied by certified invoices showing all pertinent data that may be required by Armstrong Consultants, Inc. ("Engineer"), to verify the accuracy of the invoices and their relation to the stored materials. Failure to provide certified invoices will disqualify the materials in question from consideration for partial payment. Partial payments for work completed on the Project during the previous month will be made

based on the Contractor's Application for Payment and any Recommendation of Payment made by Engineer. Sponsor will retain, from any partial payments, five percent (5%) of the total amount due to Contractor based on the Contractor's Application for Payment and any Recommendation of Payment made by Engineer. However, nothing herein shall be construed as relieving Contractor and his, her, or its Sureties on the Contractor's Bond from any claim or claims for work or labor done, or materials or supplies furnished, as part of this Agreement and the completion of the Project.

33.3 It is the intent of Sponsor to make any partial payments in the following manner:

33.3.1 The Contractor shall submit to Engineer his Application for Payment no later than the next to last Friday of the month.

33.3.2 Engineer will, within 7 days after receipt, submit the Application for Payment to Sponsor for payment along with its Recommendation of Payment, noting any changes. The Sponsor will then make payment to Contractor when funds are received from the FAA and/or State and are available to Sponsor for payment to Contractor.

ARTICLE 34 BONDS & INSURANCE

34.1 At the time of the execution of this Agreement, Contractor shall provide the bonds that are required by the Contract Documents. The Performance Bond will be in an amount not less than one hundred percent (100%) of the Contract Price and shall provide for the completion of the Project in accordance with the Contract Documents, without additional cost to Sponsor. The obligation period of the Performance Bond will provide for the correction or replacement of any portion of the Project that is considered by Sponsor and/or Engineer to be defective in materials and workmanship for a period of one year following final acceptance of the Project, and it shall fully cover any and all of the costs of removal, correction, reconstruction, and any and all other related expenses in repairing or correcting the defective portions of the Project, without additional cost to Sponsor. The Payment Bond will be in an amount not less than one hundred percent (100%) of the Contract Price and it shall provide for the payment of all Project costs in accordance with the Contract Documents, without additional cost to Sponsor.

34.2 Contractor shall obtain, before beginning the Project, and maintain in full force at all times relevant to this Agreement, as well as assure that all persons or entities working on the Project obtain and maintain in full force at all times, insurance for the protection of claims under workers' compensation laws. Prior to commencing work on the Project, Contractor, at Sponsor's request, shall provide Sponsor with a certification of the maintenance of workers' compensation as required by this section. Contractor shall also maintain, in full force at all times relevant to this Agreement, public liability/commercial general liability insurance and property damage insurance for the Contractor and for his Subcontract operations with a limit of at least \$2,000,000. This insurance shall also include coverage for completed operations, contractual liability, and automotive liability and shall afford coverage for all claims for bodily injury, including death, and all claims for the destruction of, or damage to, property arising out of or in connection with any work completed on the Project in regard to this Agreement, whether such work was done by Contractor or anyone directly or indirectly employed by Contractor or by a subcontractor. At a minimum, Public Liability Insurance shall be in the amount of not less than \$2,000,000.00 for injuries,

including accidental death, to any one person, nor less than \$2,000,000.00 on account of any one accident. Property Damage Insurance shall be carried in an amount not less than \$2,000,000.00. Additionally, Contractor shall name Sponsor and Engineer as additional named insureds on these insurance policies, with the exception of the Workers' Compensation Insurance. Contractor, at Sponsor's request, shall provide Sponsor with certificates of these insurance policies. Prior to the completion of the Project, the insurance required under this Agreement cannot be cancelled by Contractor. See Special Provisions for additional insurance information.

ARTICLE 35 BONDING CLAUSES

- 35.1** Contractor agrees to furnish a performance bond for 100 percent of the Contract Price. This bond is to be executed in connection with this Agreement in order to secure fulfillment of all of Contractor's obligations under this Agreement.
- 35.2** Contractor agrees to furnish a payment bond for 100 percent of the Contract Price. This bond is to be executed in connection with this Agreement to ensure payment of all monies owed by Contractor under this Agreement and other Contract Documents.

ARTICLE 36 CHANGE ORDERS

Changes in the scope of work for the Project or the performance of the work under this Agreement and any materials used may be accomplished after execution of the Agreement and without invalidating the Agreement. However, a change order shall be in writing and signed by Sponsor, Contractor, Engineer, and other Funding Agencies as required. Change orders shall include notice to the Sponsor of the increase or decrease in cost as a result thereof. Any revision to the Plans and Specifications that are approved by Sponsor, if any, shall be considered to be a change order that has been approved by Sponsor when delivered to Contractor, requiring no further approval by Sponsor.

ARTICLE 37 DEBRIS REMOVAL

Contractor shall, at all times, keep the work site reasonably free from the accumulation of waste materials or rubbish caused by its operations during its work on the Project. All waste and debris, tools or equipment, and surplus materials or machinery shall be removed as a condition of the substantial completion of the Project.

ARTICLE 38 ATTORNEY'S FEES & PUNITIVE DAMAGES

In the event of litigation or arbitration to resolve any claim made by either party to this Agreement, the prevailing party shall be entitled to its costs and attorney fees incurred as a result of such litigation or arbitration. Each party hereto also intentionally waives all rights to recover punitive or exemplary damages from the other.

**ARTICLE 39
GOVERNING LAW**

This Agreement shall be interpreted and governed in accordance with the laws of the State of Colorado.

**ARTICLE 40
MODIFICATION OF AGREEMENT**

No subsequent modification of the terms of this Agreement shall be valid, binding on the parties, or enforceable unless made in writing and signed by the parties.

**ARTICLE 41
SEVERABILITY**

In the event any part of this Agreement is found to be void, illegal, invalid, or unenforceable under any present or future law, then the remaining provisions of this Agreement shall nevertheless be binding with the same effect as though such part was deleted.

**ARTICLE 42
BINDING EFFECT**

This Agreement shall be binding upon and insure to the benefit of the parties hereto and their respective heirs, successors, and assigns.

**ARTICLE 43
HOLD HARMLESS**

Contractor shall release Sponsor and Engineer, and all of their agents, representatives, officers, employees, boards, directors, committees, and commissions, of any liability for, and shall protect, defend, indemnify, and hold Sponsor and Engineer harmless from and against all claims, demands, and causes of action of every kind and character that are asserted or brought on account of bodily injury, death, or damage to property as a result of the actions, omissions, negligence, gross negligence, and/or recklessness of Contractor or Contractor's agents, employees, representatives, invitees, licensees, subcontractors, or subcontractor's subcontractors. Contractor's indemnification obligations under this section shall be without regard to, and without any right to contribution from, any insurance maintained by Contractor. Additionally, Contractor's indemnity obligations under this section shall be supported by insurance, but this insurance requirement shall be a separate and distinct obligation from Contractor's indemnity obligations, and the insurance and indemnity obligations shall be separately and independently enforceable. Further, Contractor's indemnity obligations hereunder are not limited by any insurance coverage Contractor may have.

CAUTION: READ BEFORE SIGNING.

IN WITNESS THEREOF, the parties have executed this Agreement on the date set forth next to their signatures.

SUBJECT: Consent Agenda

An Ordinance of the Town Council of the Town of Erie Repealing and Reenacting Section 4-8-13 of the Erie Municipal Code, Related to Entertainment Districts, Common Consumption Areas and Promotional Associations

DEPARTMENT: Administration

PRESENTER(S): Debbie Stamp, Town Clerk
Kelsey Thede, Deputy Town Clerk

POLICY ISSUES:

This proposed change to the Municipal Code will update the approval process for Business Entertainment Districts and implement a clearer, faster and more predictable process.

STAFF RECOMMENDATION:

Approve Ordinance 028-2024

SUMMARY AND BACKGROUND OF SUBJECT MATTER:

To streamline the liquor license application process for Business Entertainment Associations, staff recommends repealing Section 4-8-13 of the Erie Municipal Code in its entirety and reenacting it with the attached ordinance that clarifies procedures for approval of an application. The ordinance will allow administrative approval for renewal applications of Business Entertainment Districts as long as there have been no violations in the preceding year. This will ensure applicants experience a more efficient process when renewing.

COUNCIL PRIORITY(S) ADDRESSED:

- ✓ Prosperous Economy
- ✓ Effective Governance

ATTACHMENT(S):

1. Ordinance 028-2024

**Town of Erie
Ordinance No. 028-2024**

An Ordinance of the Town Council of the Town of Erie Repealing and Reenacting Section 4-8-13 of the Erie Municipal Code, Related to Entertainment Districts, Common Consumption Areas and Promotional Associations

Whereas, the Town Council wishes to update and simplify the regulations related to entertainment districts, common consumption areas and promotional associations.

Now Therefore be it Ordained by the Town Council of the Town of Erie, Colorado, as follows:

Section 1. Section 4-8-13 of the Erie Municipal Code is hereby repealed in its entirety and reenacted as follows:

4-8-13 – Entertainment districts, common consumption areas and promotional associations.

A. *Authority and purpose:*

1. The Town exercises its local option to allow common consumption areas in the Town by establishing an entertainment district as provided in C.R.S. § 44-3-301(11).

2. The Town Council hereby grants the authority to the Town's local licensing authority (the "Authority") to certify and decertify promotional associations, to designate the location, size, security, and hours of operation of common consumption areas, and to allow attachment of licensed premises to common consumption areas.

B. *Definitions:*

Common consumption area: A common area located entirely within a designated entertainment district for the consumption of alcohol beverages that uses physical barriers to close the areas to motor vehicle traffic and limit pedestrian access.

Entertainment district: An area of no more than one hundred (100) acres and containing premises licensed as a tavern, hotel and restaurant, brew pub or vintner's restaurant at the time the entertainment district is created.

Promotional association: An association incorporated in Colorado to organize and promote entertainment activities within a common consumption area and that has a board of directors that contains at least one (1) director from each licensed premises attached to the common consumption area.

C. *Common consumption areas:* The Authority shall approve a common consumption area if the Authority finds that the common consumption area complies with this Section and the Colorado Liquor Code.

D. *Certification of a promotional association:*

1. Application for certification of a promotional association shall be made on forms prepared and furnished by the Town Clerk, and shall include the following:

a. A copy of the articles of incorporation and bylaws and a list of all directors and officers of the promotional association;

b. A detailed map of the common consumption area, including locations of physical barriers, entrances and exits, location of attached licensed premises and identification of licensed premises that are adjacent, but not to be attached to the common consumption area;

c. A security plan, including evidence of training and approval of personnel, and a detailed description of security arrangements and the approximate location of security personnel within the common consumption area during operating hours;

d. A list of dates and hours of operation for the upcoming calendar year;

e. Documentation showing possession of the common consumption area;

f. A list of the attached licensees, with their license number, any past violations and copies of any operational agreements;

g. A certificate of general liability and liquor liability insurance naming the Town as an additional insured in a minimum amount of \$1,000,000;

h. The application fee established by resolution of the Town Council; and

i. Evidence of the reasonable requirements of the neighborhood and the desires of the adult inhabitants as evidenced by petitions or otherwise.

2. The Authority shall review the application for compliance with the requirements of this section, the Colorado Liquor Code and the desires and needs of the community and after consideration and a public hearing, the Authority may either approve the application with or without conditions or deny the application.

3. Upon approval of certification by the Authority, the promotional association shall abide by the operational requirements set

forth herein in addition to any specific requirements imposed by the Authority.

E. *Operational requirements.*

1. The size of the common consumption area shall not exceed the area approved by the Authority, but the promotional association may make such area smaller at any time, provided the new area is clearly delineated using physical barriers to close the area to motor vehicle traffic and limit pedestrian access.

2. Common consumption areas and their attached licensed premises may serve alcohol and customers may consume alcohol until 2:00 a.m. unless further restricted by the Authority. The hours of sale and consumption may differ between the licensed premises and common consumption area.

3. All security personnel shall complete the server and seller training program established by the Colorado Department of Revenue.

F. *Recertification/decertification of a promotional association.*

1. A promotional association shall apply to the Town Clerk for recertification by January 31st of each year, with the information required in Section 4-8-13(D)(1)(a-h).

2. Pursuant to C.R.S. § 44-5-101, *et seq.*, the Town Clerk may administratively approve the recertification for a promotional association if: a complete application is received; no person has filed a written objection to the recertification; there are no material modifications to the common consumption area premises or usage; no derogatory information is discovered and there have been no violations by an attached licensed premises in the past twelve (12) months.

3. The Town Clerk may refer any recertification application to the Authority at the Town Clerk's sole discretion.

4. If the recertification application is referred to the Authority, the Authority shall hold a public hearing to consider the application, and may either approve the recertification with or without conditions or decertify the promotional association.

5. Pursuant to C.R.S. § 44-3-301(11), the Authority may decertify the promotional association for any of the following reasons:

a. The promotional association fails to submit a complete recertification application by January 31.

b. The promotional association fails to establish that the licensed premises and common consumption area can be operated without

violating this Section and the Colorado Liquor Code, and without creating a safety risk to the neighborhood.

c. The promotional association fails to have at least two (2) licensed premises attached to the common consumption area.

d. The promotional association fails to abide by the operational requirements of this Section or violates any provision of C.R.S. § 44-3-910.

G. *Attachment to a common consumption area.*

1. An application to attach to an existing common consumption area shall be on forms furnished by the Town Clerk, which shall include the following:

a. Authorization for attachment from a certified promotional association and the name of the representative director that will sit on the board of the certified promotional association;

b. A detailed map of the common consumption area including: location of physical barriers, entrances and exits, location of attached licensed premises, identification of licensed premises that are adjacent but not to be attached to the common consumption area, and approximate location of security personnel; and

c. The application fee established by resolution of the Town Council.

2. The Authority shall review the application for compliance with the requirements of this Section, the Colorado Liquor Code, and the desires and needs of the community, and after consideration and a public hearing, the Authority may either approve the application with or without conditions or deny the application.

Section 2. Severability. If any article, section, paragraph, sentence, clause, or phrase of this Ordinance is held to be unconstitutional or invalid for any reason, such decision shall not affect the validity or constitutionality of the remaining portions of this Ordinance. The Town Council hereby declares that it would have passed this Ordinance and each part or parts hereof irrespective of the fact that any one, or part, or parts be declared unconstitutional or invalid.

Section 3. Safety. The Town Council finds that the adoption of this Ordinance is necessary for the protection of the public health, safety and welfare.

Section 4. Effective Date. This Ordinance shall take effect 10 days after publication following adoption.

Introduced, Read, Passed and Ordered Published this 23rd day of July, 2024.

The Honorable Justin Brooks
Mayor, Town of Erie
P.O. Box 750
Erie, Colorado 80516

Dear Mayor Brooks:

The Grant Offer for Airport Improvement Program (AIP) Project No. 3-08-0090-023-2024 at Erie Municipal Airport is attached for execution. This letter outlines the steps you must take to properly enter into this agreement and provides other useful information. Please read the conditions, special conditions, and assurances that comprise the grant offer carefully.

You may not make any modification to the text, terms or conditions of the grant offer.

Steps You Must Take to Enter Into Agreement. To properly enter into this agreement, you must do the following:

1. The governing body must give authority to execute the grant to the individual(s) signing the grant, i.e., the person signing the document must be the sponsor's authorized representative(s) (hereinafter "authorized representative").
2. The authorized representative must execute the grant by adding their electronic signature to the appropriate certificate at the end of the agreement.
3. Once the authorized representative has electronically signed the grant, the sponsor's attorney(s) will automatically receive an email notification.
4. On the **same day or after** the authorized representative has signed the grant, the sponsor's attorney(s) will add their electronic signature to the appropriate certificate at the end of the agreement.
5. If there are co-sponsors, the authorized representative(s) and sponsor's attorney(s) must follow the above procedures to fully execute the grant and finalize the process. Signatures must be obtained and finalized no later than **August 31, 2024**.
6. The fully executed grant will then be automatically sent to all parties as an email attachment.

Payment. Subject to the requirements in 2 CFR § 200.305 (Federal Payment), each payment request for reimbursement under this grant must be made electronically via the Delphi eInvoicing System. Please see the attached Grant Agreement for more information regarding the use of this System.

Project Timing. The terms and conditions of this agreement require you to complete the project without undue delay and no later than the Period of Performance end date (1,460 days from the grant execution date). We will be monitoring your progress to ensure proper stewardship of these Federal funds. We expect you to submit payment requests for reimbursement of allowable incurred project expenses consistent with project progress. Your grant may be placed in "inactive" status if you do not make draws on a regular basis, which will affect your ability to receive future grant offers. Costs incurred after the

Period of Performance ends are generally not allowable and will be rejected unless authorized by the FAA in advance.

Reporting. Until the grant is completed and closed, you are responsible for submitting formal reports as follows:

- For all grants, you must submit by December 31st of each year this grant is open:
 1. A signed/dated SF-270 (Request for Advance or Reimbursement for non-construction projects) or SF-271 or equivalent (Outlay Report and Request for Reimbursement for Construction Programs), and
 2. An SF-425 (Federal Financial Report).
- For non-construction projects, you must submit FAA Form 5100-140, Performance Report within 30 days of the end of the Federal fiscal year.
- For construction projects, you must submit FAA Form 5370-1, Construction Progress and Inspection Report, within 30 days of the end of each Federal fiscal quarter.

Audit Requirements. As a condition of receiving Federal assistance under this award, you must comply with audit requirements as established under 2 CFR Part 200. Subpart F requires non-Federal entities that expend \$750,000 or more in Federal awards to conduct a single or program specific audit for that year. Note that this includes Federal expenditures made under other Federal-assistance programs. Please take appropriate and necessary action to ensure your organization will comply with applicable audit requirements and standards.

Closeout. Once the project(s) is completed and all costs are determined, we ask that you work with your FAA contact indicated below to close the project without delay and submit the necessary final closeout documentation as required by your Region/Airports District Office.

FAA Contact Information. Todd Minnich, (303) 341-1279, todd.e.minnich@faa.gov, is the assigned program manager for this grant and is readily available to assist you and your designated representative with the requirements stated herein.

We sincerely value your cooperation in these efforts and look forward to working with you to complete this important project.

Sincerely,

John P Bauer

THE FEDERAL AVIATION ADMINISTRATION, FOR AND ON BEHALF OF THE UNITED STATES, HEREBY OFFERS AND AGREES to pay 90% of the allowable costs incurred accomplishing the Project as the United States share of the Project.

Assistance Listings Number (Formerly CFDA Number): 20.106

This Offer is made on and SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:

CONDITIONS

1. **Maximum Obligation.** The maximum obligation of the United States payable under this Offer is \$977,151.

The following amounts represent a breakdown of the maximum obligation for the purpose of establishing allowable amounts for any future grant amendment, which may increase the foregoing maximum obligation of the United States under the provisions of 49 U.S.C. § 47108(b):

\$0 for planning;

\$977,151 airport development or noise program implementation; and,

\$0 for land acquisition.

2. **Grant Performance.** This Grant Agreement is subject to the following Federal award requirements:

- a. **Period of Performance:**

1. Shall start on the date the Sponsor formally accepts this Agreement and is the date signed by the last Sponsor signatory to the Agreement. The end date of the Period of Performance is 4 years (1,460 calendar days) from the date of acceptance. The Period of Performance end date shall not affect, relieve, or reduce Sponsor obligations and assurances that extend beyond the closeout of this Grant Agreement.
2. Means the total estimated time interval between the start of an initial Federal award and the planned end date, which may include one or more funded portions or budget periods (2 Code of Federal Regulations (CFR) § 200.1).

- b. **Budget Period:**

1. For this Grant is 4 years (1,460 calendar days) and follows the same start and end date as the Period of Performance provided in paragraph 2(a)(1). Pursuant to 2 CFR § 200.403(h), the Sponsor may charge to the Grant only allowable costs incurred during the Budget Period.
2. Means the time interval from the start date of a funded portion of an award to the end date of that funded portion during which the Sponsor is authorized to expend the funds awarded, including any funds carried forward or other revisions pursuant to 2 CFR § 200.308.

- c. **Close Out and Termination:**

1. Unless the FAA authorizes a written extension, the Sponsor must submit all Grant closeout documentation and liquidate (pay-off) all obligations incurred under this award no later than 120 calendar days after the end date of the Period of Performance. If the Sponsor does not submit all required closeout documentation within this time period, the FAA will

proceed to close out the grant within one year of the Period of Performance end date with the information available at the end of 120 days (2 CFR § 200.344).

2. The FAA may terminate this Grant, in whole or in part, in accordance with the conditions set forth in 2 CFR § 200.340, or other Federal regulatory or statutory authorities as applicable.
3. **Ineligible or Unallowable Costs.** The Sponsor must not include any costs in the project that the FAA has determined to be ineligible or unallowable.
4. **Indirect Costs - Sponsor.** The Sponsor may charge indirect costs under this award by applying the indirect cost rate identified in the project application as accepted by the FAA, to allowable costs for Sponsor direct salaries and wages.
5. **Determining the Final Federal Share of Costs.** The United States' share of allowable project costs will be made in accordance with 49 U.S.C. § 47109, the regulations, policies, and procedures of the Secretary of Transportation ("Secretary"), and any superseding legislation. Final determination of the United States' share will be based upon the final audit of the total amount of allowable project costs and settlement will be made for any upward or downward adjustments to the Federal share of costs.
6. **Completing the Project Without Delay and in Conformance with Requirements.** The Sponsor must carry out and complete the project without undue delays and in accordance with this Agreement, 49 U.S.C. Chapters 471 and 475, the regulations, policies, and procedures of the Secretary. Per 2 CFR § 200.308, the Sponsor agrees to report and request prior FAA approval for any disengagement from performing the project that exceeds three months or a 25 percent reduction in time devoted to the project. The report must include a reason for the project stoppage. The Sponsor also agrees to comply with the grant assurances, which are part of this Agreement.
7. **Amendments or Withdrawals before Grant Acceptance.** The FAA reserves the right to amend or withdraw this offer at any time prior to its acceptance by the Sponsor.
8. **Offer Expiration Date.** This offer will expire and the United States will not be obligated to pay any part of the costs of the project unless this offer has been accepted by the Sponsor on or before August 31, 2024, or such subsequent date as may be prescribed in writing by the FAA.
9. **Improper Use of Federal Funds.** The Sponsor must take all steps, including litigation if necessary, to recover Federal funds spent fraudulently, wastefully, or in violation of Federal antitrust statutes, or misused in any other manner for any project upon which Federal funds have been expended. For the purposes of this Grant Agreement, the term "Federal funds" means funds however used or dispersed by the Sponsor, that were originally paid pursuant to this or any other Federal grant agreement. The Sponsor must obtain the approval of the Secretary as to any determination of the amount of the Federal share of such funds. The Sponsor must return the recovered Federal share, including funds recovered by settlement, order, or judgment, to the Secretary. The Sponsor must furnish to the Secretary, upon request, all documents and records pertaining to the determination of the amount of the Federal share or to any settlement, litigation, negotiation, or other efforts taken to recover such funds. All settlements or other final positions of the Sponsor, in court or otherwise, involving the recovery of such Federal share require advance approval by the Secretary.
10. **United States Not Liable for Damage or Injury.** The United States is not responsible or liable for damage to property or injury to persons which may arise from, or be incident to, compliance with this Grant Agreement.

11. **System for Award Management (SAM) Registration and Unique Entity Identifier (UEI).**

- a. Requirement for System for Award Management (SAM): Unless the Sponsor is exempted from this requirement under 2 CFR § 25.110, the Sponsor must maintain the currency of its information in the SAM until the Sponsor submits the final financial report required under this Grant, or receives the final payment, whichever is later. This requires that the Sponsor review and update the information at least annually after the initial registration and more frequently if required by changes in information or another award term. Additional information about registration procedures may be found at the SAM website (currently at <http://www.sam.gov>).
- b. Unique entity identifier (UEI) means a 12-character alpha-numeric value used to identify a specific commercial, nonprofit or governmental entity. A UEI may be obtained from SAM.gov at <https://sam.gov/content/entity-registration>.

12. **Electronic Grant Payment(s).** Unless otherwise directed by the FAA, the Sponsor must make each payment request under this Agreement electronically via the Delphi eInvoicing System for Department of Transportation (DOT) Financial Assistance Awardees.

13. **Informal Letter Amendment of AIP Projects.** If, during the life of the project, the FAA determines that the maximum grant obligation of the United States exceeds the expected needs of the Sponsor by \$25,000 or five percent (5%), whichever is greater, the FAA can issue a letter amendment to the Sponsor unilaterally reducing the maximum obligation.

The FAA can also issue a letter to the Sponsor increasing the maximum obligation if there is an overrun in the total actual eligible and allowable project costs to cover the amount of the overrun provided it will not exceed the statutory limitations for grant amendments. The FAA's authority to increase the maximum obligation does not apply to the "planning" component of Condition No. 1, Maximum Obligation.

The FAA can also issue an informal letter amendment that modifies the grant description to correct administrative errors or to delete work items if the FAA finds it advantageous and in the best interests of the United States.

An informal letter amendment has the same force and effect as a formal grant amendment.

14. **Environmental Standards.** The Sponsor is required to comply with all applicable environmental standards, as further defined in the Grant Assurances, for all projects in this grant. If the Sponsor fails to comply with this requirement, the FAA may suspend, cancel, or terminate this Grant Agreement.

15. **Financial Reporting and Payment Requirements.** The Sponsor will comply with all Federal financial reporting requirements and payment requirements, including submittal of timely and accurate reports.

16. **Buy American.** Unless otherwise approved in advance by the FAA, in accordance with 49 U.S.C. § 50101, the Sponsor will not acquire or permit any contractor or subcontractor to acquire any steel or manufactured goods produced outside the United States to be used for any project for which funds are provided under this Grant. The Sponsor will include a provision implementing Buy American in every contract and subcontract awarded under this Grant.

17. **Build America, Buy America.** The Sponsor must comply with the requirements under the Build America, Buy America Act (P.L. 117-58).

18. **Maximum Obligation Increase.** In accordance with 49 U.S.C. § 47108(b)(3), as amended, the maximum obligation of the United States, as stated in Condition No. 1, Maximum Obligation, of this Grant:

- a. May not be increased for a planning project;
- b. May be increased by not more than 15 percent for development projects, if funds are available;
- c. May be increased by not more than the greater of the following for a land project, if funds are available:
 1. 15 percent; or
 2. 25 percent of the total increase in allowable project costs attributable to acquiring an interest in the land.

If the Sponsor requests an increase, any eligible increase in funding will be subject to the United States Government share as provided in 49 U.S.C. § 47110, or other superseding legislation if applicable, for the fiscal year appropriation with which the increase is funded. The FAA is not responsible for the same Federal share provided herein for any amount increased over the initial grant amount. The FAA may adjust the Federal share as applicable through an informal letter of amendment.

19. **Audits for Sponsors.**

PUBLIC SPONSORS. The Sponsor must provide for a Single Audit or program-specific audit in accordance with 2 CFR Part 200. The Sponsor must submit the audit reporting package to the Federal Audit Clearinghouse on the Federal Audit Clearinghouse's Internet Data Entry System at <http://harvester.census.gov/facweb/>. Upon request of the FAA, the Sponsor shall provide one copy of the completed audit to the FAA. Sponsors that expend less than \$750,000 in Federal awards and are exempt from Federal audit requirements must make records available for review or audit by the appropriate Federal agency officials, State, and Government Accountability Office. The FAA and other appropriate Federal agencies may request additional information to meet all Federal audit requirements.

20. **Suspension or Debarment.** When entering into a "covered transaction" as defined by 2 CFR § 180.200, the Sponsor must:

- a. Verify the non-Federal entity is eligible to participate in this Federal program by:
 1. Checking the System for Award Management Exclusions in the System for Award Management (SAM) to determine if the non-Federal entity is excluded or disqualified; or
 2. Collecting a certification statement from the non-Federal entity attesting they are not excluded or disqualified from participating; or
 3. Adding a clause or condition to covered transactions attesting the individual or firm are not excluded or disqualified from participating.
- b. Require prime contractors to comply with 2 CFR § 180.330 when entering into lower-tier transactions with their contractors and sub-contractors.
- c. Immediately disclose in writing to the FAA whenever (1) the Sponsor learns they have entered into a covered transaction with an ineligible entity or (2) the Public Sponsor suspends or debar a contractor, person, or entity.

21. Ban on Texting While Driving.

- a. In accordance with Executive Order 13513, Federal Leadership on Reducing Text Messaging While Driving, October 1, 2009, and DOT Order 3902.10, Text Messaging While Driving, December 30, 2009, the Sponsor is encouraged to:
 - 1. Adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers including policies to ban text messaging while driving when performing any work for, or on behalf of, the Federal government, including work relating to a grant or subgrant.
 - 2. Conduct workplace safety initiatives in a manner commensurate with the size of the business, such as:
 - i. Establishment of new rules and programs or re-evaluation of existing programs to prohibit text messaging while driving; and
 - ii. Education, awareness, and other outreach to employees about the safety risks associated with texting while driving.
- b. The Sponsor must insert the substance of this clause on banning texting while driving in all subgrants, contracts, and subcontracts funded with this Grant.

22. Trafficking in Persons.

- a. *Posting of contact information.*
 - 1. The Sponsor must post the contact information of the national human trafficking hotline (including options to reach out to the hotline such as through phone, text, or TTY) in all public airport restrooms.
- b. *Provisions applicable to a recipient that is a private entity.*
 - 1. You as the recipient, your employees, subrecipients under this Grant, and subrecipients' employees may not:
 - i. Engage in severe forms of trafficking in persons during the period of time that the Grant and applicable conditions are in effect;
 - ii. Procure a commercial sex act during the period of time that the Grant and applicable conditions are in effect; or
 - iii. Use forced labor in the performance of the Grant or any subgrants under this Grant.
 - 2. We as the Federal awarding agency, may unilaterally terminate this Grant, without penalty, if you or a subrecipient that is a private entity –
 - i. Is determined to have violated a prohibition in paragraph (b) of this Grant Condition; or
 - ii. Has an employee who is determined by the agency official authorized to terminate the Grant to have violated a prohibition in paragraph (b) of this Grant Condition through conduct that is either –
 - a) Associated with performance under this Grant; or
 - b) Imputed to you or the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 2 CFR Part 180, "OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement)," as implemented by our agency at 2 CFR Part 1200.

- c. *Provision applicable to a recipient other than a private entity.* We as the Federal awarding agency may unilaterally terminate this Grant, without penalty, if a subrecipient that is a private entity –
1. Is determined to have violated an applicable prohibition in paragraph (b) of this Grant Condition; or
 2. Has an employee who is determined by the agency official authorized to terminate the Grant to have violated an applicable prohibition in paragraph (b) of this Grant Condition through conduct that is either –
 - i. Associated with performance under this Grant; or
 - ii. Imputed to the subrecipient using the standards and due process for imputing the conduct of an individual to an organization that are provided in 2 CFR Part 180, “OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement),” as implemented by our agency at 2 CFR Part 1200.
- d. *Provisions applicable to any recipient.*
1. You must inform us immediately of any information you receive from any source alleging a violation of a prohibition in paragraph (b) of this Grant Condition.
 2. Our right to terminate unilaterally that is described in paragraph (b) or (c) of this Grant Condition:
 - i. Implements section 106(g) of the Trafficking Victims Protection Act of 2000 (TVPA), as amended [22 U.S.C. § 7104(g)], and
 - ii. Is in addition to all other remedies for noncompliance that are available to us under this Grant.
 3. You must include the requirements of paragraph (b) of this Grant Condition in any subgrant you make to a private entity.
- e. *Definitions.* For purposes of this Grant Condition:
1. “Employee” means either:
 - i. An individual employed by you or a subrecipient who is engaged in the performance of the project or program under this Grant; or
 - ii. Another person engaged in the performance of the project or program under this Grant and not compensated by you including, but not limited to, a volunteer or individual whose services are contributed by a third party as an in-kind contribution toward cost sharing or matching requirements.
 2. “Forced labor” means labor obtained by any of the following methods: the recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.
 3. “Private entity”:
 - i. Means any entity other than a State, local government, Indian tribe, or foreign public entity, as those terms are defined in 2 CFR § 175.25.
 - ii. Includes:

- a) A nonprofit organization, including any nonprofit institute of higher education, hospital, or tribal organization other than one included in the definition of Indian tribe at 2 CFR § 175.25(b).
 - b) A for-profit organization.
- 4. "Severe forms of trafficking in persons," "commercial sex act," and "coercion" have the meanings given at section 103 of the TVPA, as amended (22 U.S.C. § 7102).
- 23. **AIP Funded Work Included in a PFC Application.** Within 120 days of acceptance of this Grant Agreement, the Sponsor must submit to the FAA an amendment to any approved Passenger Facility Charge (PFC) application that contains an approved PFC project also covered under this Grant Agreement as described in the project application. The airport sponsor may not make any expenditure under this Grant Agreement until project work addressed under this Grant Agreement is removed from an approved PFC application by amendment.
- 24. **Exhibit "A" Property Map.** The Exhibit "A" Property Map dated April 2016, is incorporated herein by reference or is submitted with the project application and made part of this Grant Agreement.
- 25. **Employee Protection from Reprisal.**
 - a. Prohibition of Reprisals.
 - 1. In accordance with 41 U.S.C. § 4712, an employee of a Sponsor, grantee, subgrantee, contractor, or subcontractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing to a person or body described in sub-paragraph (a)(2) below, information that the employee reasonably believes is evidence of:
 - i. Gross mismanagement of a Federal grant;
 - ii. Gross waste of Federal funds;
 - iii. An abuse of authority relating to implementation or use of Federal funds;
 - iv. A substantial and specific danger to public health or safety; or
 - v. A violation of law, rule, or regulation related to a Federal grant.
 - 2. Persons and bodies covered. The persons and bodies to which a disclosure by an employee is covered are as follows:
 - i. A member of Congress or a representative of a committee of Congress;
 - ii. An Inspector General;
 - iii. The Government Accountability Office;
 - iv. A Federal employee responsible for contract or grant oversight or management at the relevant agency;
 - v. A court or grand jury;
 - vi. A management official or other employee of the Sponsor, contractor, or subcontractor who has the responsibility to investigate, discover, or address misconduct; or
 - vii. An authorized official of the Department of Justice or other law enforcement agency.
 - b. Investigation of Complaints.

1. **Submission of Complaint.** A person who believes that they have been subjected to a reprisal prohibited by paragraph (a) of this Condition may submit a complaint regarding the reprisal to the Office of Inspector General (OIG) for the U.S. Department of Transportation.
 2. **Time Limitation for Submittal of a Complaint.** A complaint may not be brought under this subsection more than three years after the date on which the alleged reprisal took place.
 3. **Required Actions of the Inspector General.** Actions, limitations, and exceptions of the Inspector General's office are established under 41 U.S.C. § 4712(b).
- c. **Remedy and Enforcement Authority.**
1. **Assumption of Rights to Civil Remedy.** Upon receipt of an explanation of a decision not to conduct or continue an investigation by the OIG, the person submitting a complaint assumes the right to a civil remedy under 41 U.S.C. § 4712(c)(2).
26. **Prohibited Telecommunications and Video Surveillance Services and Equipment.** The Sponsor agrees to comply with mandatory standards and policies relating to use and procurement of certain telecommunications and video surveillance services or equipment in compliance with the National Defense Authorization Act [P.L. 115-232 § 889(f)(1)] and 2 CFR § 200.216.
27. **Critical Infrastructure Security and Resilience.** The Sponsor acknowledges that it has considered and addressed physical and cybersecurity and resilience in their project planning, design, and oversight, as determined by the DOT and the Department of Homeland Security (DHS). For airports that do not have specific DOT or DHS cybersecurity requirements, the FAA encourages the voluntary adoption of the cybersecurity requirements from the Transportation Security Administration and Federal Security Director identified for security risk Category X airports.
28. **Title VI of the Civil Rights Act.** As a condition of a grant award, the Sponsor shall demonstrate that it complies with the provisions of Title VI of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000d et seq) and implementing regulations (49 CFR part 21), the Airport and Airway Improvement Act of 1982 (49 U.S.C. § 47123), the Age Discrimination Act of 1975 (42 U.S.C. 6101 et seq.), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794 et seq.), the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101, et seq.), U.S. Department of Transportation and Federal Aviation Administration (FAA) Assurances, and other relevant civil rights statutes, regulations, or authorities. This may include, as applicable, providing a current Title VI Program Plan and a Community Participation Plan (alternatively may be called a Public Participation Plan) to the FAA for approval, in the format and according to the timeline required by the FAA, and other information about the communities that will be benefited and impacted by the project. A completed FAA Title VI Pre-Grant Award Checklist is also required for every grant application, unless excused by the FAA. The Sponsor shall affirmatively ensure that when carrying out any project supported by this grant that it complies with all federal nondiscrimination and civil rights laws based on race, color, national origin (including limited English proficiency), sex (including sexual orientation and gender identity), creed, age, disability, genetic information, or environmental justice in consideration for federal financial assistance. The Sponsor, who has not sufficiently demonstrated the conditions of compliance with civil rights requirements will be required to do so before receiving funds. The Department's and FAA's Office of Civil Rights may provide resources and technical assistance to recipients to ensure full and sustainable compliance with Federal civil rights requirements. Failure to comply with civil rights requirements will be considered a violation of the agreement or contract and be subject to any enforcement action as authorized by law.

29. **FAA Reauthorization Act of 2024.** This grant agreement is subject to the terms and conditions contained herein including the terms known as the Grant Assurances as they were published in the Federal Register on May 2022. On May 16, 2024, the FAA Reauthorization Act of 2024 made certain amendments to 49 U.S.C. chapter 471. The Reauthorization Act will require FAA to make certain amendments to the assurances in order to best achieve consistency with the statute. Federal law requires that FAA publish any amendments to the assurances in the Federal Register along with an opportunity to comment. In order not to delay the offer of this grant, the existing assurances are attached herein; however, FAA shall interpret and apply these assurances consistent with the Reauthorization Act. To the extent there is a conflict between the assurances and Federal statutes, the statutes shall apply. The full text of the FAA Reauthorization Act of 2024 is at <https://www.congress.gov/bill/118th-congress/house-bill/3935/text>

SPECIAL CONDITIONS

30. **Final Project Documentation.** The Sponsor understands and agrees that in accordance with 49 USC 47111, and with the Airport District Office's (ADO) concurrence, that no payments totaling more than 90.0 percent of United States Government's share of the project's estimated allowable cost may be made before the project is determined to be substantially complete. Substantially complete means the following: (1) The project results in a complete, usable unit of work as defined in the grant agreement and (2) The sponsor submits necessary documents showing that the project is substantially complete per the contract requirements, or has a plan (that FAA agrees with) that addresses all elements contained on the punch list. Furthermore, no payments totaling more than 97.5 percent of the United States Government's share of the project's estimated allowable cost may be made until: (1) The sponsor submits all necessary closeout documentation and (2) The sponsor receives final payment notification from the ADO.
31. **Solid Waste Recycling Plan.** The Sponsor certifies that it has a solid waste recycling plan as part of an existing Airport Master Plan, as prescribed by 49 U.S.C. § 47106(a)(6).
32. **Pavement Maintenance Management Program.** The Sponsor agrees that it will implement an effective airport pavement maintenance management program as required by Airport Sponsor Grant Assurance 11, Pavement Preventive Maintenance-Management, which is codified at 49 U.S.C. § 47105(e). The Sponsor agrees that it will use the program for the useful life of any pavement constructed, reconstructed, rehabilitated, or repaired with Federal financial assistance at the airport. The Sponsor further agrees that the program will:
- a. Follow the current version of FAA Advisory Circular 150/5380-6, "Guidelines and Procedures for Maintenance of Airport Pavements," for specific guidelines and procedures for maintaining airport pavements, establishing an effective maintenance program, specific types of distress and its probable cause, inspection guidelines, and recommended methods of repair;
 - b. Detail the procedures to be followed to assure that proper pavement maintenance, both preventive and repair, is performed;
 - c. Include a Pavement Inventory, Inspection Schedule, Record Keeping, Information Retrieval, and Reference, meeting the following requirements:
 1. Pavement Inventory. The following must be depicted in an appropriate form and level of detail:

- i. Location of all runways, taxiways, and aprons;
 - ii. Dimensions;
 - iii. Type of pavement; and,
 - iv. Year of construction or most recent major reconstruction, rehabilitation, or repair.
2. Inspection Schedule.
- i. Detailed Inspection. A detailed inspection must be performed at least once a year. If a history of recorded pavement deterioration is available, i.e., Pavement Condition Index (PCI) survey as set forth in the current version of Advisory Circular 150/5380-6, the frequency of inspections may be extended to three years.
 - ii. Drive-By Inspection. A drive-by inspection must be performed a minimum of once per month to detect unexpected changes in the pavement condition. For drive-by inspections, the date of inspection and any maintenance performed must be recorded.
3. Record Keeping. Complete information on the findings of all detailed inspections and on the maintenance performed must be recorded and kept on file for a minimum of five years. The type of distress, location, and remedial action, scheduled or performed, must be documented. The minimum information is:
- i. Inspection date;
 - ii. Location;
 - iii. Distress types; and
 - iv. Maintenance scheduled or performed.
4. Information Retrieval System. The Sponsor must be able to retrieve the information and records produced by the pavement survey to provide a report to the FAA as may be required.
33. **Project Containing Paving Work in Excess of \$500,000.** The Sponsor agrees to:
- a. Furnish a construction management program to the FAA prior to the start of construction which details the measures and procedures to be used to comply with the quality control provisions of the construction contract, including, but not limited to, all quality control provisions and tests required by the Federal specifications. The program must include as a minimum:
 - 1. The name of the person representing the Sponsor who has overall responsibility for contract administration for the project and the authority to take necessary actions to comply with the contract;
 - 2. Names of testing laboratories and consulting engineer firms with quality control responsibilities on the project, together with a description of the services to be provided;
 - 3. Procedures for determining that the testing laboratories meet the requirements of the ASTM International standards on laboratory evaluation referenced in the contract specifications (i.e., ASTM D 3666, ASTM C 1077);
 - 4. Qualifications of engineering supervision and construction inspection personnel;

5. A listing of all tests required by the contract specifications, including the type and frequency of tests to be taken, the method of sampling, the applicable test standard, and the acceptance criteria or tolerances permitted for each type of test; and
 6. Procedures for ensuring that the tests are taken in accordance with the program, that they are documented daily, and that the proper corrective actions, where necessary, are undertaken.
- b. Submit at completion of the project, a final test and quality assurance report documenting the summary results of all tests performed and highlighting those tests that indicated failure or that did not meet the applicable test standard. The report must include the pay reductions applied and the reasons for accepting any out-of-tolerance material. Submit interim test and quality assurance reports when requested by the FAA.
 - c. Failure to provide a complete report as described above, or failure to perform such tests, will, absent any compelling justification, result in a reduction in Federal participation for costs incurred in connection with construction of the applicable pavement. Such reduction will be at the discretion of the FAA and will be based on the type or types of required tests not performed or not documented and will be commensurate with the proportion of applicable pavement with respect to the total pavement constructed under the Grant Agreement.
 - d. The FAA, at its discretion, reserves the right to conduct independent tests and to reduce grant payments accordingly if such independent tests determine that Sponsor test results are inaccurate.
34. **Buy American Executive Orders.** The Sponsor agrees to abide by applicable Executive Orders in effect at the time this Grant Agreement is executed, including Executive Order 14005, Ensuring the Future Is Made in All of America by All of America's Workers.
 35. **Leaded Fuel.** FAA Reauthorization Act of 2024 (P.L. 118-63) Section 770 "Grant Assurances" requires airports that made 100-octane low lead aviation gasoline (100LL) available, any time during calendar year 2022, to not prohibit or restrict the sale, or self-fueling, of such aviation gasoline. This requirement remains until the earlier of 2030, or the date on which the airport or any retail fuel seller at the airport makes available an FAA-authorized unleaded aviation gasoline replacement for 100LL meeting either an industry consensus standard or other standard that facilitates the safe use, production, and distribution of such unleaded aviation gasoline as deemed appropriate by the Administrator. The Sponsor understands and agrees, that any violations are subject to civil penalties.

The Sponsor’s acceptance of this Offer and ratification and adoption of the Project Application incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as hereinafter provided, and this Offer and Acceptance shall comprise a Grant Agreement, constituting the contractual obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and compliance with the Grant Assurances, terms, and conditions as provided herein. Such Grant Agreement shall become effective upon the Sponsor’s acceptance of this Offer.

CERTIFICATE OF SPONSOR'S ATTORNEY

I, _____, acting as Attorney for the Sponsor do hereby certify:

That in my opinion the Sponsor is empowered to enter into the foregoing Grant Agreement under the laws of the State of Colorado. Further, I have examined the foregoing Grant Agreement and the actions taken by said Sponsor and Sponsor's official representative, who has been duly authorized to execute this Grant Agreement, which is in all respects due and proper and in accordance with the laws of the said State; and Title 49, United States Code (U.S.C.), Chapters 471 and 475; 49 U.S.C. §§ 40101 et seq., and 48103; FAA Reauthorization Act of 2018 (P.L. 115-254); the Department of Transportation Appropriations Act, 2021 (P.L. 116-260, Division L); the Consolidated Appropriations Act, 2022 (P.L. 117-103); Consolidated Appropriations Act, 2023 (P.L. 117-328); Consolidated Appropriations Act, 2024 (P.L. 118-42); FAA Reauthorization Act of 2024 (P.L. 118-63); and the representations contained in the Project Application. In addition, for grants involving projects to be carried out on property not owned by the Sponsor, there are no legal impediments that will prevent full performance by the Sponsor. Further, it is my opinion that the said Grant Agreement constitutes a legal and binding obligation of the Sponsor in accordance with the terms thereof.

ASSURANCES

AIRPORT SPONSORS

A. General.

1. These assurances shall be complied with in the performance of grant agreements for airport development, airport planning, and noise compatibility program grants for airport sponsors.
2. These assurances are required to be submitted as part of the project application by sponsors requesting funds under the provisions of Title 49, U.S.C., subtitle VII, as amended. As used herein, the term "public agency sponsor" means a public agency with control of a public-use airport; the term "private sponsor" means a private owner of a public-use airport; and the term "sponsor" includes both public agency sponsors and private sponsors.
3. Upon acceptance of this grant offer by the sponsor, these assurances are incorporated in and become part of this Grant Agreement.

B. Duration and Applicability.

1. Airport development or Noise Compatibility Program Projects Undertaken by a Public Agency Sponsor.

The terms, conditions and assurances of this Grant Agreement shall remain in full force and effect throughout the useful life of the facilities developed or equipment acquired for an airport development or noise compatibility program project, or throughout the useful life of the project items installed within a facility under a noise compatibility program project, but in any event not to exceed twenty (20) years from the date of acceptance of a grant offer of Federal funds for the project. However, there shall be no limit on the duration of the assurances regarding Exclusive Rights and Airport Revenue so long as the airport is used as an airport. There shall be no limit on the duration of the terms, conditions, and assurances with respect to real property acquired with federal funds. Furthermore, the duration of the Civil Rights assurance shall be specified in the assurances.

2. Airport Development or Noise Compatibility Projects Undertaken by a Private Sponsor.

The preceding paragraph (1) also applies to a private sponsor except that the useful life of project items installed within a facility or the useful life of the facilities developed or equipment acquired under an airport development or noise compatibility program project shall be no less than ten (10) years from the date of acceptance of Federal aid for the project.

3. Airport Planning Undertaken by a Sponsor.

Unless otherwise specified in this Grant Agreement, only Assurances 1, 2, 3, 5, 6, 13, 18, 23, 25, 30, 32, 33, 34, and 37 in Section C apply to planning projects. The terms, conditions, and assurances of this Grant Agreement shall remain in full force and effect during the life of the project; there shall be no limit on the duration of the assurances regarding Exclusive Rights and Airport Revenue so long as the airport is used as an airport.

C. Sponsor Certification.

The sponsor hereby assures and certifies, with respect to this grant that:

1. General Federal Requirements

It will comply with all applicable Federal laws, regulations, executive orders, policies, guidelines, and requirements as they relate to the application, acceptance, and use of Federal funds for this Grant including but not limited to the following:

FOOTNOTES TO ASSURANCE (C)(1)

¹ These laws do not apply to airport planning sponsors.

² These laws do not apply to private sponsors.

- ³ 2 CFR Part 200 contains requirements for State and Local Governments receiving Federal assistance. Any requirement levied upon State and Local Governments by this regulation shall apply where applicable to private sponsors receiving Federal assistance under Title 49, United States Code.
- ⁴ Cost principles established in 2 CFR part 200 subpart E must be used as guidelines for determining the eligibility of specific types of expenses.
- ⁵ Audit requirements established in 2 CFR part 200 subpart F are the guidelines for audits.

SPECIFIC ASSURANCES

Specific assurances required to be included in grant agreements by any of the above laws, regulations or circulars are incorporated by reference in this Grant Agreement.

2. Responsibility and Authority of the Sponsor.

a. Public Agency Sponsor:

It has legal authority to apply for this Grant, and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.

b. Private Sponsor:

It has legal authority to apply for this Grant and to finance and carry out the proposed project and comply with all terms, conditions, and assurances of this Grant Agreement. It shall designate an official representative and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with this application; and to provide such additional information as may be required.

3. Sponsor Fund Availability.

It has sufficient funds available for that portion of the project costs which are not to be paid by the United States. It has sufficient funds available to assure operation and maintenance of items funded under this Grant Agreement which it will own or control.

4. Good Title.

- a. It, a public agency or the Federal government, holds good title, satisfactory to the Secretary, to the landing area of the airport or site thereof, or will give assurance satisfactory to the Secretary that good title will be acquired.
- b. For noise compatibility program projects to be carried out on the property of the sponsor, it holds good title satisfactory to the Secretary to that portion of the property upon which Federal funds will be expended or will give assurance to the Secretary that good title will be obtained.

5. Preserving Rights and Powers.

- a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in this Grant

Agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish or modify any outstanding rights or claims of right of others which would interfere with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.

- b. Subject to the FAA Act of 2018, Public Law 115-254, Section 163, it will not sell, lease, encumber, or otherwise transfer or dispose of any part of its title or other interests in the property shown on Exhibit A to this application or, for a noise compatibility program project, that portion of the property upon which Federal funds have been expended, for the duration of the terms, conditions, and assurances in this Grant Agreement without approval by the Secretary. If the transferee is found by the Secretary to be eligible under Title 49, United States Code, to assume the obligations of this Grant Agreement and to have the power, authority, and financial resources to carry out all such obligations, the sponsor shall insert in the contract or document transferring or disposing of the sponsor's interest, and make binding upon the transferee all of the terms, conditions, and assurances contained in this Grant Agreement.
- c. For all noise compatibility program projects which are to be carried out by another unit of local government or are on property owned by a unit of local government other than the sponsor, it will enter into an agreement with that government. Except as otherwise specified by the Secretary, that agreement shall obligate that government to the same terms, conditions, and assurances that would be applicable to it if it applied directly to the FAA for a grant to undertake the noise compatibility program project. That agreement and changes thereto must be satisfactory to the Secretary. It will take steps to enforce this agreement against the local government if there is substantial non-compliance with the terms of the agreement.
- d. For noise compatibility program projects to be carried out on privately owned property, it will enter into an agreement with the owner of that property which includes provisions specified by the Secretary. It will take steps to enforce this agreement against the property owner whenever there is substantial non-compliance with the terms of the agreement.
- e. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with these assurances for the duration of these assurances.
- f. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to ensure that the airport will be operated and maintained in accordance with Title 49, United States Code, the regulations and the terms, conditions and assurances in this Grant Agreement and shall ensure that such arrangement also requires compliance therewith.
- g. Sponsors of commercial service airports will not permit or enter into any arrangement that results in permission for the owner or tenant of a property used as a residence, or zoned for residential use, to taxi an aircraft between that property and any location on airport. Sponsors of general aviation airports entering into any arrangement that results in permission for the owner of residential real property adjacent to or near the airport must comply with the requirements of Sec. 136 of Public Law 112-95 and the sponsor assurances.

6. Consistency with Local Plans.

The project is reasonably consistent with plans (existing at the time of submission of this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport.

7. Consideration of Local Interest.

It has given fair consideration to the interest of communities in or near where the project may be located.

8. Consultation with Users.

In making a decision to undertake any airport development project under Title 49, United States Code, it has undertaken reasonable consultations with affected parties using the airport at which project is proposed.

9. Public Hearings.

In projects involving the location of an airport, an airport runway, or a major runway extension, it has afforded the opportunity for public hearings for the purpose of considering the economic, social, and environmental effects of the airport or runway location and its consistency with goals and objectives of such planning as has been carried out by the community and it shall, when requested by the Secretary, submit a copy of the transcript of such hearings to the Secretary. Further, for such projects, it has on its management board either voting representation from the communities where the project is located or has advised the communities that they have the right to petition the Secretary concerning a proposed project.

10. Metropolitan Planning Organization.

In projects involving the location of an airport, an airport runway, or a major runway extension at a medium or large hub airport, the sponsor has made available to and has provided upon request to the metropolitan planning organization in the area in which the airport is located, if any, a copy of the proposed amendment to the airport layout plan to depict the project and a copy of any airport master plan in which the project is described or depicted.

11. Pavement Preventive Maintenance-Management.

With respect to a project approved after January 1, 1995, for the replacement or reconstruction of pavement at the airport, it assures or certifies that it has implemented an effective airport pavement maintenance-management program and it assures that it will use such program for the useful life of any pavement constructed, reconstructed or repaired with Federal financial assistance at the airport. It will provide such reports on pavement condition and pavement management programs as the Secretary determines may be useful.

12. Terminal Development Prerequisites.

For projects which include terminal development at a public use airport, as defined in Title 49, it has, on the date of submittal of the project grant application, all the safety equipment required for certification of such airport under 49 U.S.C. § 44706, and all the security equipment required by rule or regulation, and has provided for access to the passenger enplaning and deplaning area of such airport to passengers enplaning and deplaning from aircraft other than air carrier aircraft.

13. Accounting System, Audit, and Record Keeping Requirements.

- a. It shall keep all project accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of this Grant, the total cost of the project in connection with which this Grant is given or used, and the amount or nature of that portion of the cost of the project supplied by other sources, and such other financial records pertinent to the project. The accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984.
- b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to this Grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a grant or relating to the project in connection with which this Grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than six (6) months following the close of the fiscal year for which the audit was made.

14. Minimum Wage Rates.

It shall include, in all contracts in excess of \$2,000 for work on any projects funded under this Grant Agreement which involve labor, provisions establishing minimum rates of wages, to be predetermined by the Secretary of Labor under 40 U.S.C. §§ 3141-3144, 3146, and 3147, Public Building, Property, and Works), which contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.

15. Veteran's Preference.

It shall include in all contracts for work on any project funded under this Grant Agreement which involve labor, such provisions as are necessary to insure that, in the employment of labor (except in executive, administrative, and supervisory positions), preference shall be given to Vietnam era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns owned and controlled by disabled veterans as defined in 49 U.S.C. § 47112. However, this preference shall apply only where the individuals are available and qualified to perform the work to which the employment relates.

16. Conformity to Plans and Specifications.

It will execute the project subject to plans, specifications, and schedules approved by the Secretary. Such plans, specifications, and schedules shall be submitted to the Secretary prior to commencement of site preparation, construction, or other performance under this Grant Agreement, and, upon approval of the Secretary, shall be incorporated into this Grant Agreement. Any modification to the approved plans, specifications, and schedules shall also be subject to approval of the Secretary, and incorporated into this Grant Agreement.

17. Construction Inspection and Approval.

It will provide and maintain competent technical supervision at the construction site throughout the project to assure that the work conforms to the plans, specifications, and schedules approved by

the Secretary for the project. It shall subject the construction work on any project contained in an approved project application to inspection and approval by the Secretary and such work shall be in accordance with regulations and procedures prescribed by the Secretary. Such regulations and procedures shall require such cost and progress reporting by the sponsor or sponsors of such project as the Secretary shall deem necessary.

18. Planning Projects.

In carrying out planning projects:

- a. It will execute the project in accordance with the approved program narrative contained in the project application or with the modifications similarly approved.
- b. It will furnish the Secretary with such periodic reports as required pertaining to the planning project and planning work activities.
- c. It will include in all published material prepared in connection with the planning project a notice that the material was prepared under a grant provided by the United States.
- d. It will make such material available for examination by the public, and agrees that no material prepared with funds under this project shall be subject to copyright in the United States or any other country.
- e. It will give the Secretary unrestricted authority to publish, disclose, distribute, and otherwise use any of the material prepared in connection with this grant.
- f. It will grant the Secretary the right to disapprove the sponsor's employment of specific consultants and their subcontractors to do all or any part of this project as well as the right to disapprove the proposed scope and cost of professional services.
- g. It will grant the Secretary the right to disapprove the use of the sponsor's employees to do all or any part of the project.
- h. It understands and agrees that the Secretary's approval of this project grant or the Secretary's approval of any planning material developed as part of this grant does not constitute or imply any assurance or commitment on the part of the Secretary to approve any pending or future application for a Federal airport grant.

19. Operation and Maintenance.

- a. The airport and all facilities which are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States, shall be operated at all times in a safe and serviceable condition and in accordance with the minimum standards as may be required or prescribed by applicable Federal, state, and local agencies for maintenance and operation. It will not cause or permit any activity or action thereon which would interfere with its use for airport purposes. It will suitably operate and maintain the airport and all facilities thereon or connected therewith, with due regard to climatic and flood conditions. Any proposal to temporarily close the airport for non-aeronautical purposes must first be approved by the Secretary. In furtherance of this assurance, the sponsor will have in effect arrangements for:
 1. Operating the airport's aeronautical facilities whenever required;
 2. Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions; and

3. Promptly notifying pilots of any condition affecting aeronautical use of the airport. Nothing contained herein shall be construed to require that the airport be operated for aeronautical use during temporary periods when snow, flood, or other climatic conditions interfere with such operation and maintenance. Further, nothing herein shall be construed as requiring the maintenance, repair, restoration, or replacement of any structure or facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the sponsor.
- b. It will suitably operate and maintain noise compatibility program items that it owns or controls upon which Federal funds have been expended.

20. Hazard Removal and Mitigation.

It will take appropriate action to assure that such terminal airspace as is required to protect instrument and visual operations to the airport (including established minimum flight altitudes) will be adequately cleared and protected by removing, lowering, relocating, marking, or lighting or otherwise mitigating existing airport hazards and by preventing the establishment or creation of future airport hazards.

21. Compatible Land Use.

It will take appropriate action, to the extent reasonable, including the adoption of zoning laws, to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including landing and takeoff of aircraft. In addition, if the project is for noise compatibility program implementation, it will not cause or permit any change in land use, within its jurisdiction, that will reduce its compatibility, with respect to the airport, of the noise compatibility program measures upon which Federal funds have been expended.

22. Economic Nondiscrimination.

- a. It will make the airport available as an airport for public use on reasonable terms and without unjust discrimination to all types, kinds and classes of aeronautical activities, including commercial aeronautical activities offering services to the public at the airport.
- b. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or to engage in any aeronautical activity for furnishing services to the public at the airport, the sponsor will insert and enforce provisions requiring the contractor to:
 1. Furnish said services on a reasonable, and not unjustly discriminatory, basis to all users thereof, and
 2. Charge reasonable, and not unjustly discriminatory, prices for each unit or service, provided that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.
- c. Each fixed-based operator at the airport shall be subject to the same rates, fees, rentals, and other charges as are uniformly applicable to all other fixed-based operators making the same or similar uses of such airport and utilizing the same or similar facilities.

- d. Each air carrier using such airport shall have the right to service itself or to use any fixed-based operator that is authorized or permitted by the airport to serve any air carrier at such airport.
- e. Each air carrier using such airport (whether as a tenant, non-tenant, or subtenant of another air carrier tenant) shall be subject to such nondiscriminatory and substantially comparable rules, regulations, conditions, rates, fees, rentals, and other charges with respect to facilities directly and substantially related to providing air transportation as are applicable to all such air carriers which make similar use of such airport and utilize similar facilities, subject to reasonable classifications such as tenants or non-tenants and signatory carriers and non-signatory carriers. Classification or status as tenant or signatory shall not be unreasonably withheld by any airport provided an air carrier assumes obligations substantially similar to those already imposed on air carriers in such classification or status.
- f. It will not exercise or grant any right or privilege which operates to prevent any person, firm, or corporation operating aircraft on the airport from performing any services on its own aircraft with its own employees (including, but not limited to maintenance, repair, and fueling) that it may choose to perform.
- g. In the event the sponsor itself exercises any of the rights and privileges referred to in this assurance, the services involved will be provided on the same conditions as would apply to the furnishing of such services by commercial aeronautical service providers authorized by the sponsor under these provisions.
- h. The sponsor may establish such reasonable, and not unjustly discriminatory, conditions to be met by all users of the airport as may be necessary for the safe and efficient operation of the airport.
- i. The sponsor may prohibit or limit any given type, kind or class of aeronautical use of the airport if such action is necessary for the safe operation of the airport or necessary to serve the civil aviation needs of the public.

23. Exclusive Rights.

It will permit no exclusive right for the use of the airport by any person providing, or intending to provide, aeronautical services to the public. For purposes of this paragraph, the providing of the services at an airport by a single fixed-based operator shall not be construed as an exclusive right if both of the following apply:

- a. It would be unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide such services, and
- b. If allowing more than one fixed-based operator to provide such services would require the reduction of space leased pursuant to an existing agreement between such single fixed-based operator and such airport. It further agrees that it will not, either directly or indirectly, grant or permit any person, firm, or corporation, the exclusive right at the airport to conduct any aeronautical activities, including, but not limited to charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity, and that it will terminate any

exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under Title 49, United States Code.

24. Fee and Rental Structure.

It will maintain a fee and rental structure for the facilities and services at the airport which will make the airport as self-sustaining as possible under the circumstances existing at the particular airport, taking into account such factors as the volume of traffic and economy of collection. No part of the Federal share of an airport development, airport planning or noise compatibility project for which a Grant is made under Title 49, United States Code, the Airport and Airway Improvement Act of 1982, the Federal Airport Act or the Airport and Airway Development Act of 1970 shall be included in the rate basis in establishing fees, rates, and charges for users of that airport.

25. Airport Revenues.

- a. All revenues generated by the airport and any local taxes on aviation fuel established after December 30, 1987, will be expended by it for the capital or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the owner or operator of the airport and which are directly and substantially related to the actual air transportation of passengers or property; or for noise mitigation purposes on or off the airport. The following exceptions apply to this paragraph:
 1. If covenants or assurances in debt obligations issued before September 3, 1982, by the owner or operator of the airport, or provisions enacted before September 3, 1982, in governing statutes controlling the owner or operator's financing, provide for the use of the revenues from any of the airport owner or operator's facilities, including the airport, to support not only the airport but also the airport owner or operator's general debt obligations or other facilities, then this limitation on the use of all revenues generated by the airport (and, in the case of a public airport, local taxes on aviation fuel) shall not apply.
 2. If the Secretary approves the sale of a privately owned airport to a public sponsor and provides funding for any portion of the public sponsor's acquisition of land, this limitation on the use of all revenues generated by the sale shall not apply to certain proceeds from the sale. This is conditioned on repayment to the Secretary by the private owner of an amount equal to the remaining unamortized portion (amortized over a 20-year period) of any airport improvement grant made to the private owner for any purpose other than land acquisition on or after October 1, 1996, plus an amount equal to the federal share of the current fair market value of any land acquired with an airport improvement grant made to that airport on or after October 1, 1996.
 3. Certain revenue derived from or generated by mineral extraction, production, lease, or other means at a general aviation airport (as defined at 49 U.S.C. § 47102), if the FAA determines the airport sponsor meets the requirements set forth in Section 813 of Public Law 112-95.
- b. As part of the annual audit required under the Single Audit Act of 1984, the sponsor will direct that the audit will review, and the resulting audit report will provide an opinion concerning, the use of airport revenue and taxes in paragraph (a), and indicating whether funds paid or transferred to the owner or operator are paid or transferred in a manner consistent with Title

49, United States Code and any other applicable provision of law, including any regulation promulgated by the Secretary or Administrator.

- c. Any civil penalties or other sanctions will be imposed for violation of this assurance in accordance with the provisions of 49 U.S.C. § 47107.

26. Reports and Inspections.

It will:

- a. submit to the Secretary such annual or special financial and operations reports as the Secretary may reasonably request and make such reports available to the public; make available to the public at reasonable times and places a report of the airport budget in a format prescribed by the Secretary;
- b. for airport development projects, make the airport and all airport records and documents affecting the airport, including deeds, leases, operation and use agreements, regulations and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request;
- c. for noise compatibility program projects, make records and documents relating to the project and continued compliance with the terms, conditions, and assurances of this Grant Agreement including deeds, leases, agreements, regulations, and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request; and
- d. in a format and time prescribed by the Secretary, provide to the Secretary and make available to the public following each of its fiscal years, an annual report listing in detail:
 - 1. all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and
 - 2. all services and property provided by the airport to other units of government and the amount of compensation received for provision of each such service and property.

27. Use by Government Aircraft.

It will make available all of the facilities of the airport developed with Federal financial assistance and all those usable for landing and takeoff of aircraft to the United States for use by Government aircraft in common with other aircraft at all times without charge, except, if the use by Government aircraft is substantial, charge may be made for a reasonable share, proportional to such use, for the cost of operating and maintaining the facilities used. Unless otherwise determined by the Secretary, or otherwise agreed to by the sponsor and the using agency, substantial use of an airport by Government aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the Secretary, would unduly interfere with use of the landing areas by other authorized aircraft, or during any calendar month that:

- a. Five (5) or more Government aircraft are regularly based at the airport or on land adjacent thereto; or
- b. The total number of movements (counting each landing as a movement) of Government aircraft is 300 or more, or the gross accumulative weight of Government aircraft using the airport (the total movement of Government aircraft multiplied by gross weights of such aircraft) is in excess of five million pounds.

28. Land for Federal Facilities.

It will furnish without cost to the Federal Government for use in connection with any air traffic control or air navigation activities, or weather-reporting and communication activities related to air traffic control, any areas of land or water, or estate therein as the Secretary considers necessary or desirable for construction, operation, and maintenance at Federal expense of space or facilities for such purposes. Such areas or any portion thereof will be made available as provided herein within four months after receipt of a written request from the Secretary.

29. Airport Layout Plan.

- a. Subject to the FAA Reauthorization Act of 2018, Public Law 115-254, Section 163, it will keep up to date at all times an airport layout plan of the airport showing:
 1. boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the sponsor for airport purposes and proposed additions thereto;
 2. the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and roads), including all proposed extensions and reductions of existing airport facilities;
 3. the location of all existing and proposed non-aviation areas and of all existing improvements thereon; and
 4. all proposed and existing access points used to taxi aircraft across the airport's property boundary.

Such airport layout plans and each amendment, revision, or modification thereof, shall be subject to the approval of the Secretary which approval shall be evidenced by the signature of a duly authorized representative of the Secretary on the face of the airport layout plan. The sponsor will not make or permit any changes or alterations in the airport or any of its facilities which are not in conformity with the airport layout plan as approved by the Secretary and which might, in the opinion of the Secretary, adversely affect the safety, utility or efficiency of the airport.

- b. Subject to the FAA Reauthorization Act of 2018, Public Law 115-254, Section 163, if a change or alteration in the airport or the facilities is made which the Secretary determines adversely affects the safety, utility, or efficiency of any federally owned, leased, or funded property on or off the airport and which is not in conformity with the airport layout plan as approved by the Secretary, the owner or operator will, if requested, by the Secretary:
 1. eliminate such adverse effect in a manner approved by the Secretary; or
 2. bear all costs of relocating such property (or replacement thereof) to a site acceptable to the Secretary and all costs of restoring such property (or replacement thereof) to the level of safety, utility, efficiency, and cost of operation existing before the unapproved change in the airport or its facilities except in the case of a relocation or replacement of an existing airport facility due to a change in the Secretary's design standards beyond the control of the airport sponsor.

30. Civil Rights.

It will promptly take any measures necessary to ensure that no person in the United States shall, on the grounds of race, color, and national origin (including limited English proficiency) in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4); creed and sex (including sexual orientation and gender identity) per 49 U.S.C. § 47123 and related requirements; age per the Age Discrimination Act of 1975 and related requirements; or disability per the Americans with Disabilities Act of 1990 and related requirements, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in any program and activity conducted with, or benefiting from, funds received from this Grant.

- a. Using the definitions of activity, facility, and program as found and defined in 49 CFR §§ 21.23(b) and 21.23(e), the sponsor will facilitate all programs, operate all facilities, or conduct all programs in compliance with all non-discrimination requirements imposed by or pursuant to these assurances.
- b. Applicability
 1. Programs and Activities. If the sponsor has received a grant (or other federal assistance) for any of the sponsor's program or activities, these requirements extend to all of the sponsor's programs and activities.
 2. Facilities. Where it receives a grant or other federal financial assistance to construct, expand, renovate, remodel, alter, or acquire a facility, or part of a facility, the assurance extends to the entire facility and facilities operated in connection therewith.
 3. Real Property. Where the sponsor receives a grant or other Federal financial assistance in the form of, or for the acquisition of real property or an interest in real property, the assurance will extend to rights to space on, over, or under such property.
- c. Duration.

The sponsor agrees that it is obligated to this assurance for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the assurance obligates the sponsor, or any transferee for the longer of the following periods:

1. So long as the airport is used as an airport, or for another purpose involving the provision of similar services or benefits; or
 2. So long as the sponsor retains ownership or possession of the property.
- d. Required Solicitation Language. It will include the following notification in all solicitations for bids, Requests For Proposals for work, or material under this Grant Agreement and in all proposals for agreements, including airport concessions, regardless of funding source:

"The (**Town of Erie, Colorado**), in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders or offerors that it will affirmatively ensure that for any contract entered into pursuant to this advertisement, [select businesses, or disadvantaged business enterprises or airport concession disadvantaged business enterprises] will be afforded full and fair

opportunity to submit bids in response to this invitation and no businesses will be discriminated against on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in consideration for an award.”

e. Required Contract Provisions.

1. It will insert the non-discrimination contract clauses requiring compliance with the acts and regulations relative to non-discrimination in Federally-assisted programs of the Department of Transportation (DOT), and incorporating the acts and regulations into the contracts by reference in every contract or agreement subject to the non-discrimination in Federally-assisted programs of the DOT acts and regulations.
2. It will include a list of the pertinent non-discrimination authorities in every contract that is subject to the non-discrimination acts and regulations.
3. It will insert non-discrimination contract clauses as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a sponsor.
4. It will insert non-discrimination contract clauses prohibiting discrimination on the basis of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability as a covenant running with the land, in any future deeds, leases, license, permits, or similar instruments entered into by the sponsor with other parties:
 - a. For the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b. For the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
- f. It will provide for such methods of administration for the program as are found by the Secretary to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the acts, the regulations, and this assurance.
- g. It agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the acts, the regulations, and this assurance.

31. Disposal of Land.

- a. For land purchased under a grant for airport noise compatibility purposes, including land serving as a noise buffer, it will dispose of the land, when the land is no longer needed for such purposes, at fair market value, at the earliest practicable time. That portion of the proceeds of such disposition which is proportionate to the United States' share of acquisition of such land will be, at the discretion of the Secretary, (1) reinvested in another project at the airport, or (2) transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order:
 1. Reinvestment in an approved noise compatibility project;

2. Reinvestment in an approved project that is eligible for grant funding under 49 U.S.C. § 47117(e);
3. Reinvestment in an approved airport development project that is eligible for grant funding under 49 U.S.C. §§ 47114, 47115, or 47117;
4. Transfer to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport; or
5. Payment to the Secretary for deposit in the Airport and Airway Trust Fund.

If land acquired under a grant for noise compatibility purposes is leased at fair market value and consistent with noise buffering purposes, the lease will not be considered a disposal of the land. Revenues derived from such a lease may be used for an approved airport development project that would otherwise be eligible for grant funding or any permitted use of airport revenue.

- b. For land purchased under a grant for airport development purposes (other than noise compatibility), it will, when the land is no longer needed for airport purposes, dispose of such land at fair market value or make available to the Secretary an amount equal to the United States' proportionate share of the fair market value of the land. That portion of the proceeds of such disposition which is proportionate to the United States' share of the cost of acquisition of such land will, upon application to the Secretary, be reinvested or transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order:
 1. Reinvestment in an approved noise compatibility project;
 2. Reinvestment in an approved project that is eligible for grant funding under 49 U.S.C. § 47117(e);
 3. Reinvestment in an approved airport development project that is eligible for grant funding under 49 U.S.C. §§ 47114, 47115, or 47117;
 4. Transfer to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport; or
 5. Payment to the Secretary for deposit in the Airport and Airway Trust Fund.
- c. Land shall be considered to be needed for airport purposes under this assurance if (1) it may be needed for aeronautical purposes (including runway protection zones) or serve as noise buffer land, and (2) the revenue from interim uses of such land contributes to the financial self-sufficiency of the airport. Further, land purchased with a grant received by an airport operator or owner before December 31, 1987, will be considered to be needed for airport purposes if the Secretary or Federal agency making such grant before December 31, 1987, was notified by the operator or owner of the uses of such land, did not object to such use, and the land continues to be used for that purpose, such use having commenced no later than December 15, 1989.
- d. Disposition of such land under (a), (b), or (c) will be subject to the retention or reservation of any interest or right therein necessary to ensure that such land will only be used for purposes which are compatible with noise levels associated with operation of the airport.

32. Engineering and Design Services.

If any phase of such project has received Federal funds under Chapter 471 subchapter 1 of Title 49 U.S.C., it will award each contract, or sub-contract for program management, construction management, planning studies, feasibility studies, architectural services, preliminary engineering, design, engineering, surveying, mapping or related services in the same manner as a contract for architectural and engineering services is negotiated under Chapter 11 of Title 40 U.S.C., or an equivalent qualifications-based requirement prescribed for or by the sponsor of the airport.

33. Foreign Market Restrictions.

It will not allow funds provided under this Grant to be used to fund any project which uses any product or service of a foreign country during the period in which such foreign country is listed by the United States Trade Representative as denying fair and equitable market opportunities for products and suppliers of the United States in procurement and construction.

34. Policies, Standards, and Specifications.

It will carry out any project funded under an Airport Improvement Program Grant in accordance with policies, standards, and specifications approved by the Secretary including, but not limited to, current FAA Advisory Circulars (<https://www.faa.gov/airports/aip/media/aip-pfc-checklist.pdf>) for AIP projects as of March 13, 2024.

35. Relocation and Real Property Acquisition.

- a. It will be guided in acquiring real property, to the greatest extent practicable under State law, by the land acquisition policies in Subpart B of 49 CFR Part 24 and will pay or reimburse property owners for necessary expenses as specified in Subpart B.
- b. It will provide a relocation assistance program offering the services described in Subpart C of 49 CFR Part 24 and fair and reasonable relocation payments and assistance to displaced persons as required in Subpart D and E of 49 CFR Part 24.
- c. It will make available within a reasonable period of time prior to displacement, comparable replacement dwellings to displaced persons in accordance with Subpart E of 49 CFR Part 24.

36. Access By Intercity Buses.

The airport owner or operator will permit, to the maximum extent practicable, intercity buses or other modes of transportation to have access to the airport; however, it has no obligation to fund special facilities for intercity buses or for other modes of transportation.

37. Disadvantaged Business Enterprises.

The sponsor shall not discriminate on the basis of race, color, national origin, or sex, in the award and performance of any DOT-assisted contract covered by 49 CFR Part 26, or in the award and performance of any concession activity contract covered by 49 CFR Part 23. In addition, the sponsor shall not discriminate on the basis of race, color, national origin or sex in the administration of its Disadvantaged Business Enterprise (DBE) and Airport Concessions Disadvantaged Business Enterprise (ACDBE) programs or the requirements of 49 CFR Parts 23 and 26. The sponsor shall take all necessary and reasonable steps under 49 CFR Parts 23 and 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts, and/or concession contracts. The sponsor's DBE and ACDBE programs, as required by 49 CFR Parts 26 and 23, and as approved by DOT, are

incorporated by reference in this agreement. Implementation of these programs is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the sponsor of its failure to carry out its approved program, the Department may impose sanctions as provided for under Parts 26 and 23 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. § 1001 and/or the Program Fraud Civil Remedies Act of 1986 (31 U.S.C. §§ 3801-3809, 3812).

38. Hangar Construction.

If the airport owner or operator and a person who owns an aircraft agree that a hangar is to be constructed at the airport for the aircraft at the aircraft owner's expense, the airport owner or operator will grant to the aircraft owner for the hangar a long term lease that is subject to such terms and conditions on the hangar as the airport owner or operator may impose.

39. Competitive Access.

- a. If the airport owner or operator of a medium or large hub airport (as defined in 49 U.S.C. § 47102) has been unable to accommodate one or more requests by an air carrier for access to gates or other facilities at that airport in order to allow the air carrier to provide service to the airport or to expand service at the airport, the airport owner or operator shall transmit a report to the Secretary that:
 1. Describes the requests;
 2. Provides an explanation as to why the requests could not be accommodated; and
 3. Provides a time frame within which, if any, the airport will be able to accommodate the requests.
- b. Such report shall be due on either February 1 or August 1 of each year if the airport has been unable to accommodate the request(s) in the six month period prior to the applicable due date.

Colorado Division of Aeronautics Discretionary Aviation Grant Resolution

RESOLUTION

WHEREAS:

The General Assembly of the State of Colorado declared in Title 43 of the Colorado Revised Statutes, Article 10, 1991 in CRS §43-10-101 (the Act) "... that there exists a need to promote the safe operations and accessibility of general aviation in this state; that improvements to general aviation transportation facilities will promote diversified economic development across the state; and that accessibility to airport facilities for residents of this state is crucial in the event of a medical or other type of emergency..."

The Act created the Colorado Aeronautical Board ("the Board") to establish policy and procedures for distribution of monies in the Aviation Fund and created the Division of Aeronautics ("the Division") to carry out the directives of the Board, including technical and planning assistance to airports and the administration of the state aviation system grant program. SEE CRS §43-10-103 and C.R.S. §43-10-105 and CRS §43-10-108.5 of the Act.

Any eligible entity operating an FAA-designated public-use airport in the state may file an application for and be recipient of a grant to be used solely for aviation purposes. The Division is authorized to assist such airports and request assistance by means of a Resolution passed by the applicant's duly-authorized governing body, which understands that all funds shall be used exclusively for aviation purposes and that it will comply with all grant procedures, grant assurances and requirements as defined in the Division's Programs and Procedures Manual, ("the Manual") and the Airport Sponsor Assurances for Colorado Discretionary Aviation Grant Funding ("Grant Assurances") attached hereto as **Exhibit B** for the project detailed in the Discretionary Aviation Grant Application ("Application") attached hereto as **Exhibit A** and in conjunction with CDOT's Small Dollar Grant Award Terms and Conditions attached hereto as **Exhibit C**.

NOW, THEREFORE, BE IT RESOLVED THAT:

The **Town of Erie**, as a duly authorized governing body of the grant applicant, hereby formally requests assistance from the Colorado Aeronautical Board and the Division of Aeronautics in the form of a state aviation system grant. The **Town of Erie** states that such grant shall be used solely for aviation purposes, as determined by the State, and as generally described in the Application.

By signing this Grant Resolution, the applicant commits to keep open and accessible for public use all grant funded facilities, improvements and services for their useful life, as determined by the Division and stated in the Grant Assurances.

FURTHER BE IT RESOLVED:

That the **Town of Erie** hereby designates **Todd Fessenden** as the Project Director, as described in the Manual and authorizes the Project Director to act in all matters relating to the work project proposed in the Application, including execution of any amendments.

FURTHER:

The **Town of Erie** has appropriated or will otherwise make available in a timely manner all funds, if any, that are required to be provided by the applicant as shown on the Application.

FINALLY:

The **Town of Erie** hereby accepts all guidelines, procedures, standards, and requirements described in the Manual as applicable to the performance of the grant work and hereby approves this Grant Resolution, including all terms and conditions contained therein.

EXHIBIT B, GRANT ASSURANCES

Airport Sponsor Assurances for Colorado Discretionary Aviation Grant Funding

Approved by CAB January 22, 2018

I. APPLICABILITY

- a. These assurances shall be complied with by Airport Sponsors in the performance of all projects at airports that receive Colorado Department of Transportation – Division of Aeronautics (Division) Colorado Discretionary Aviation Grant (CDAG) funding for projects including but not limited to: master planning, land acquisition, equipment acquisition or capital improvement projects (Project). It is not the intent of these Assurances to expand existing Federal Aviation Administration (FAA) Grant Assurances for airports included in the National Plan of Integrated Airport Systems (NPIAS); as similar assurances already exist for acceptance of FAA funding.
- b. Upon acceptance of this grant agreement these assurances are incorporated in and become a part thereof.

II. DURATION

- a. The terms, conditions and assurances of the grant agreement shall remain in full force and effect throughout the useful life of the Project as defined in Table 1 (Useful Life), or if the airport for which the Project is funded ceases to function as a public airport, for twenty (20) years from the date of Project completion, whichever period is greater. However, there shall be no limit on the duration of the assurances with respect to real property acquired with CDAG Project funds.

III. COMPLIANCE

- a. Should an Airport Sponsor be notified to be in non-compliance with any terms of this agreement, they may become ineligible for future Division funding until such non-compliance is cured.
- b. If any Project is not used for aviation purposes during its Useful Life, or if the airport for which the Project is funded ceases to function as a public airport, for twenty (20) years from the date of Project completion or at any time during the estimated useful life of the Project as defined in Table 1, whichever period is greater, the Airport Sponsor may be liable for repayment to the Division of any or all funds contributed by the Division under this agreement. If the airport at which the Project is constructed is abandoned for any reason, the Division may in its discretion discharge the Airport Sponsor from any repayment obligation upon written request by the Airport Sponsor.

IV. AIRPORT SPONSOR GRANT ASSURANCES

1. **Compatible Land Use.** Compatible land use and planning in and around airports benefits the state aviation system by providing opportunities for safe airport development, preservation of airport and aircraft operations, protection of airport approaches, reduced potential for litigation and compliance with appropriate airport design standards. The airport will take appropriate action, to the extent reasonable, to restrict the use of land adjacent to, in the immediate vicinity of, or on the airport to activities and purposes compatible with normal airport operations, including landing and takeoff of aircraft.
2. **On-Airport Hazard Removal and Mitigation.** The airport will take appropriate action to protect aircraft operations to/from the airport and ensure paths are adequately cleared and protected by removing, lowering, relocating, marking, or lighting or otherwise mitigating existing airport hazards and by preventing the establishment or creation of future airport hazards.
3. **Safe, Efficient Use, and Preservation of Navigable Airspace.** The airport shall comply with 14 CFR Part 77 for all future airport development and anytime an existing airport development is altered.
4. **Operation and Maintenance.** In regards to Projects that receive Division funding, the airport sponsor certifies that it has the financial or other resources that may be necessary for the preventive maintenance, maintenance, repair and operation of such projects during their Useful Life.

The airport and all facilities which are necessary to serve the aeronautical users of the airport shall be operated at all times in a safe and serviceable condition. The airport will also have in effect arrangements for:

- a. Operating the airport's aeronautical facilities whenever required;
 - b. Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions; and
 - c. Promptly notifying airmen of any condition affecting aeronautical use of the airport.
5. **Airport Revenues.** All revenues generated by the airport will be expended by it for the capital or operating costs of the airport, the local airport system, or other local facilities owned or operated by the owner or operator of the airport for aviation purposes.
 6. **Airport Layout Plan (ALP).** Once accomplished and as otherwise may be required to develop, it will keep up-to-date a minimum of an ALP of the airport showing (1) boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the sponsor for airport purposes and proposed additions thereto; (2) the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and roads), including all proposed extensions and reductions of existing airport facilities; and (3) the location of all existing improvements thereon.
 7. **Use for Aviation Purposes.** The Airport Sponsor shall not use runways, taxiways, aprons, seeded areas or any other appurtenance or facility constructed, repaired, renovated or maintained under the terms of this Agreement for activities other than aviation purposes unless otherwise exempted by the Division.

STATE CONTROLLER

MODEL SMALL DOLLAR GRANT AWARDS AND CONTENT

This is a State Controller Contract, Grant, and Purchase Order Policy under the State Fiscal Rules. All Small Dollar Grant Awards shall use one of the approved models Small Dollar Grant Award or Grant Agreement forms described in Fiscal Rule 3-4 unless the State Agency or Institution of Higher Education (IHE) has obtained the prior written approval from the Office of the State Controller (OSC).

1) Available Model Small Dollar Grant Awards. The following model Small Dollar Grant Awards may be used by State Agencies and IHEs without additional approval from the OSC:

- a. Financial System Generated Small Dollar Grant Awards.** This model is the system-generated document resulting from a Colorado Operations Resource Engine (CORE) POGG1 encumbrance or through another approved state financial system, which also explicitly references a link to the State of Colorado Small Dollar Grant Award Terms and Conditions that are attached to this policy. This model does not include other documents with a similar or the same appearance as one of these documents that is not generated within the financial system
- b. Other Approved Forms.** A State Agency or IHE, at the discretion of the State Agency's or IHE's Procurement Official or State Controller delegate, may request other approved forms from the OSC.
- c. Backup Forms.** If CORE or the approved state financial system used by the State Agency or IHE is unavailable for an extended period of time when a Small Dollar Grant Award must be issued, the State Agency or IHE, with the prior approval of the OSC, may use a backup form with the same or substantially similar appearance as one of the documents described in **§1)a.**

2) Modifications of Model Small Dollar Grant Awards. A State Agency or Institution of Higher Education issuing a Small Dollar Grant Award may not modify the State of Colorado Small Dollar Grant Award Terms and Conditions attached to this policy, including Addendum 1: Additional Terms & Conditions for Information Technology ("Addendum"), in any way without prior written approval of the OSC.

- a. Exception.** The Office of Information Technology (OIT) may modify the provisions of Addendum for the State of Colorado Small Dollar Grant Awards specifically issued by OIT with the prior written approval of the Procurement Official of OIT or authorized delegate, without obtaining additional approval from OSC.
- b. Unauthorized Modifications.** Except as described in **§2)a.**, the failure of a State Agency or IHE to obtain approval from the OSC prior to issuing a Small Dollar Grant Award with modified the State of Colorado Small Dollar Grant Award Terms and Conditions shall constitute a violation of Fiscal Rule 3-4, §§ 4.1.7. and 5.1.

3) Small Dollar Grant Award Exhibits and References. All Small Dollar Grant Awards shall either include or specifically reference the State of Colorado Small Dollar Grant Award Terms and Conditions by hyperlink or, if modified in accordance with **§2)**, attach the modified State of Colorado Small Dollar Grant Award Terms and Conditions and shall clarify on the Small Dollar Grant Award that the attached modified State of Colorado Small Dollar Grant Award Terms and Conditions shall govern the Small Dollar Grant Award in lieu of the State of Colorado Small Dollar Grant Award Terms and Conditions referenced by hyperlink. Small Dollar Grant Awards shall also include any additional exhibits, based on the nature of the work performed under the Small Dollar Grant Award, as required by any other state

State of Colorado Small Dollar Grant Award Terms and Conditions

1. **Offer/Acceptance.** This Small Dollar Grant Award, together with these terms and conditions (including, if applicable, Addendum 1: Additional Terms and Conditions for Information Technology below), and any other attachments, exhibits, specifications, or appendices, whether attached or incorporated by reference (collectively the "Agreement") shall represent the entire and exclusive agreement between the State of Colorado, by and through the agency identified on the face of the Small Dollar Grant Award ("State") and the Subrecipient identified on the face of the Small Dollar Grant Award ("Grantee"). If this Agreement refers to Grantee's bid or proposal, this Agreement is an ACCEPTANCE of Grantee's OFFER TO PERFORM in accordance with the terms and conditions of this Agreement. If a bid or proposal is not referenced, this Agreement is an OFFER TO ENTER INTO AGREEMENT, subject to Grantee's acceptance, demonstrated by Grantee's beginning performance or written acceptance of this Agreement. Any COUNTER-OFFER automatically CANCELS this Agreement, unless a change order is issued by the State accepting a counter-offer. Except as provided herein, the State shall not be responsible or liable for any Work performed prior to issuance of this Agreement. The State's financial obligations to the Grantee are limited by the amount of Grant Funds awarded as reflected on the face of the Small Dollar Grant Award.
2. **Order of Precedence.** In the event of a conflict or inconsistency within this Agreement, such conflict or inconsistency shall be resolved by giving preference to the documents in the following order of priority: (1) the Small dollar Grant Award document; (2) these terms and conditions (including, if applicable, Addendum 1 below); and (3) any attachments, exhibits, specifications, or appendices, whether attached or incorporated by reference. Notwithstanding the above, if this Agreement has been funded, in whole or in part, with a Federal Award, in the event of a conflict between the Federal Grant and this Agreement, the provisions of the Federal Grant shall control. Grantee shall comply with all applicable Federal provisions at all times during the term of this Agreement. Any terms and conditions included on Grantee's forms or invoices not included in this Agreement are void.
3. **Changes.** Once accepted in accordance with §1, this Agreement shall not be modified, superseded or otherwise altered, except in writing by the State and accepted by Grantee.
4. **Definitions.** The following terms shall be construed and interpreted as follows: (a) "Award" means an award by a Recipient to a Subrecipient; (b) "Budget" means the budget for the Work described in this Agreement; (c) "Business Day" means any day in which the State is open and conducting business, but shall not include Saturday, Sunday or any day on which the State observes one of the holidays listed in CRS §24-11-101(1); (d) "UCC" means the Uniform Commercial Code in CRS Title 4; (e) "Effective Date" means the date on which this Agreement is issued as shown on the face of the Small Dollar Grant Award; (f) "Federal Award" means an award of federal financial assistance or a cost-reimbursement contract, by a Federal Awarding Agency to the Recipient. "Federal Award" also means an agreement setting forth the terms and conditions of the Federal Award, which terms and conditions shall flow down to the Award unless such terms and conditions specifically indicate otherwise. The term does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal program; (g) "Federal Awarding Agency" means a Federal agency providing a Federal Award to a Recipient; (h) "Grant Funds" means the funds that have been appropriated, designated, encumbered, or otherwise made available for payment by the State under this Agreement; (i) "Matching Funds" mean the funds provided by the Grantee to meet cost sharing requirements described in this Agreement; (j) "Recipient" means the State agency identified on the face of the Small Dollar Grant Award; (k) "Subcontractor" means third parties, if any, engaged by Grantee to aid in performance of the Work; (l) "Subrecipient" means a non-Federal entity that receives a sub-award from a Recipient to carry out part of a program, but does not include an individual that is a beneficiary of such program; (m) "Uniform Guidance" means the Office of Management and Budget Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, identified as the 2 C.F.R. (Code of Federal Regulations) Part 200, commonly known as the "Super Circular," which supersedes requirements from OMB Circulars A-21, A-87, A-110, A-122, A-89, A-102, and A-133, and the guidance in Circular a-50 on Single Audit Act follow-up; and (n) "Work" means the goods delivered or services, or both, performed pursuant to this Agreement and identified as Line Items on the face of the Small Dollar Grant Award.
5. **Delivery.** Grantee shall furnish the Work in strict accordance with the specifications and price set forth in this Agreement. The State shall have no liability to compensate Grantee for the performance of any Work not specifically set forth in the Agreement.
6. **Rights to Materials.** *[Not Applicable to Agreements issued either in whole in part for Information Technology, as defined in CRS § 24-37.5-102(2); in which case Addendum 1 §2 applies in lieu of this section.]* Unless specifically stated otherwise in this Agreement, all materials, including without limitation supplies, equipment, documents, content, information, or other material of any type, whether tangible or intangible (collectively "Materials"), furnished by the State to Grantee or delivered by Grantee to the State in performance of its obligations under this Agreement shall be the exclusive property the State. Grantee shall return or deliver all Materials to the State upon completion or termination of this Agreement.
7. **Grantee Records.** Grantee shall make, keep, maintain, and allow inspection and monitoring by the State of a complete file of all records, documents, communications, notes and other written materials, electronic media files, and communications, pertaining in any manner to the Work (including, but not limited to the operation of programs) performed under this Agreement (collectively "Grantee Records"). Unless otherwise specified by the State, the Grantee shall retain Grantee Records for a period (the "Record Retention Period") of three years following the date of submission to the State of the final expenditure report, or if this Award is renewed quarterly or annually, from the date of the submission of each quarterly or annual report, respectively. If any litigation, claim, or audit related to this Award starts before expiration of the Record Retention Period, the Record Retention Period shall extend until all litigation, claims or audit finding have been resolved and final action taken by the State or Federal Awarding Agency. The Federal Awarding Agency, a cognizant agency for audit, oversight, or indirect costs, and the State, may notify Grantee in writing that the Record Retention Period shall be extended. For records for real property and equipment, the Record Retention Period shall extend three years following final disposition of such property. Grantee shall permit the State, the federal government, and any other duly authorized agent of a governmental agency to audit, inspect, examine, excerpt, copy and transcribe Grantee Records during the Record Retention Period. Grantee shall make Grantee Records available during normal business hours at Grantee's office or place of business, or at other mutually agreed upon times or locations, upon no fewer than two Business Days' notice from the State, unless the State determines that a shorter period of notice, or no notice, is necessary to protect the interests of the State. The State, in its discretion, may monitor Grantee's performance of its obligations under this Agreement using procedures as determined by the State. The federal government and any other duly authorized agent of a governmental agency, in its discretion, Grantee shall allow the State to perform all monitoring required by the Uniform Guidance, based on the State's risk analysis of Grantee and this Agreement, and the State shall have the right, in its discretion, to change its monitoring procedures and requirements at any time during the term of this Agreement. The State will monitor Grantee's performance in a manner that does not unduly interfere with Grantee's performance of the Work. Grantee shall promptly submit to the State a copy of any final audit report of an audit performed

STATE CONTROLLER

on Grantee Records that relates to or affects this Agreement or the Work, whether the audit is conducted by Grantee, a State agency or the State's authorized representative, or a third party. If applicable, the Grantee may be required to perform a single audit under 2 CFR 200.501, *et seq.* Grantee shall submit a copy of the results of that audit to the State within the same timelines as the submission to the federal government.

8. Reporting. If Grantee is served with a pleading or other document in connection with an action before a court or other administrative decision making body, and such pleading or document relates to this Agreement or may affect Grantee's ability to perform its obligations under this Agreement, Grantee shall, within 10 days after being served, notify the State of such action and deliver copies of such pleading or document to the State. Grantee shall disclose, in a timely manner, in writing to the State and the Federal Awarding Agency, all violations of federal or State criminal law involving fraud, bribery, or gratuity violations potentially affecting the Award. The State or the Federal Awarding Agency may impose any penalties for noncompliance allowed under 2 CFR Part 180 and 31 U.S.C. 3321, which may include, without limitation, suspension or debarment.

9. Conflicts of Interest. Grantee acknowledges that with respect to this Agreement, even the appearance of a conflict of interest is harmful to the State's interests. Absent the State's prior written approval, Grantee shall refrain from any practices, activities, or relationships that reasonably may appear to be in conflict with the full performance of Grantee's obligations to the State under this Agreement. If a conflict or appearance of a conflict of interest exists, or if Grantee is uncertain as to such, Grantee shall submit to the State a disclosure statement setting forth the relevant details for the State's consideration. Failure to promptly submit a disclosure statement or to follow the State's direction in regard to the actual or apparent conflict constitutes a breach of this Agreement. Grantee certifies that to their knowledge, no employee of the State has any personal or beneficial interest whatsoever in the service or property described in this Agreement. Grantee has no interest and shall not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of Grantee's Services and Grantee shall not employ any person having such known interests.

10. Taxes. The State is exempt from federal excise taxes and from State and local sales and use taxes. The State shall not be liable for the payment of any excise, sales, or use taxes imposed on Grantee. A tax exemption certificate will be made available upon Grantee's request. Grantee shall be solely responsible for any exemptions from the collection of excise, sales or use taxes that Grantee may wish to have in place in connection with this Agreement.

11. Payment. Payments to Grantee are limited to the unpaid, obligated balance of the Grant Funds. The State shall not pay Grantee any amount under this Agreement that exceeds the Document Total shown on the face of the Small Dollar Grant Award. The State shall pay Grantee in the amounts and in accordance with the schedule and other conditions set forth in this Agreement. Grantee shall initiate payment requests by invoice to the State, in a form and manner approved by the State. The State shall pay Grantee for all amounts due within 45 days after receipt of an Awarding Agency's approved invoicing request, or in instances of reimbursement grant programs a request for reimbursement, compliant with Generally Accepted Accounting Principles (GAAP) and, if applicable Government Accounting Standards Board (GASB) of amount requested. Amounts not paid by the State within 45 days of the State's acceptance of the invoice shall bear interest on the unpaid balance beginning on the 45th day at the rate set forth in CRS §24-30-202(24) until paid in full. Interest shall not accrue if a good faith dispute exists as to the State's obligation to pay all or a portion of the amount due. Grantee shall invoice the State separately for interest on delinquent amounts due, referencing the delinquent payment, number of day's interest to be paid, and applicable interest rate. The acceptance of an invoice shall not constitute acceptance of any Work performed under this Agreement. Except as specifically agreed in this Agreement, Grantee shall be solely responsible for all costs, expenses, and other charges it incurs in connection with its performance under this Agreement.

12. Term. The parties' respective performances under this Agreement shall commence on the "Service From" date identified on the face of the Small Dollar Grant Award, unless otherwise specified, and shall terminate on the "Service To" date identified on the face of the Small Dollar Grant Award unless sooner terminated in accordance with the terms of this Agreement.

13. Payment Disputes. If Grantee disputes any calculation, determination or amount of any payment, Grantee shall notify the State in writing of its dispute within 30 days following the earlier to occur of Grantee's receipt of the payment or notification of the determination or calculation of the payment by the State. The State will review the information presented by Grantee and may make changes to its determination based on this review. The calculation, determination or payment amount that results from the State's review shall not be subject to additional dispute under this subsection. No payment subject to a dispute under this subsection shall be due until after the State has concluded its review, and the State shall not pay any interest on any amount during the period it is subject to dispute under this subsection.

14. Matching Funds. Grantee shall provide Matching Funds, if required by this Agreement. If permitted under the terms of the grant and per this Agreement, Grantee may be permitted to provide Matching Funds prior to or during the course of the project or the match will be an in-kind match. Grantee shall report to the State regarding the status of such funds upon request. Grantee's obligation to pay all or any part of any Matching Funds, whether direct or contingent, only extend to funds duly and lawfully appropriated for the purposes of this Agreement by the authorized representatives of Grantee and paid into Grantee's treasury or bank account. Grantee represents to the State that the amount designated "Grantee's Matching Funds" pursuant to this Agreement, has been legally appropriated for the purposes of this Agreement by its authorized representatives and paid into its treasury or bank account. Grantee does not by this Agreement irrevocably pledge present cash reserves for payments in future fiscal years, and this Agreement is not intended to create a multiple-fiscal year debt of Grantee. Grantee shall not pay or be liable for any claimed interest, late charges, fees, taxes or penalties of any nature, except as required by Grantee's laws or policies.

15. Reimbursement of Grantee Costs. If applicable, the State shall reimburse Grantee's allowable costs, not exceeding the maximum total amount described in this Agreement for all allowable costs described in the grant except that Grantee may adjust the amounts between each line item of the Budget without formal modification to this Agreement as long as the Grantee provides notice to, and received approval from the State of the change, the change does not modify the total maximum amount of this Agreement, and the change does not modify any requirements of the Work. If applicable, the State shall reimburse Grantee for the properly documented allowable costs related to the Work after review and approval thereof, subject to the provisions of this Agreement. However, any costs incurred by Grantee prior to the Effective Date shall not be reimbursed absent specific allowance of pre-award costs. Grantee's costs for Work performed after the "Service To" date identified on the face of the Small Dollar Grant Award, or after any phase performance period end date for a respective phase of the Work, shall not be reimbursable. The State shall only reimburse allowable costs described in this Agreement and shown in the Budget if those costs are (a) reasonable and necessary to accomplish the Work, and (b) equal to the actual net cost to Grantee (i.e. the price paid minus any items of value received by Grantee that reduce the costs actually incurred).

16. Close-Out. Grantee shall close out this Award within 45 days after the "Service To" date identified on the face of the Small Dollar Grant Award, including any modifications. To complete close-out, Grantee shall submit to the State all deliverables (including documentation) as defined

STATE CONTROLLER

in this Agreement and Grantee's final reimbursement request or invoice. In accordance with the Agreement, the State may withhold a percentage of allowable costs until all final documentation has been submitted and accepted by the State as substantially complete.

17. Assignment. Grantee's rights and obligations under this Agreement may not be transferred or assigned without the prior, written consent of the State and execution of a new agreement. Any attempt at assignment or transfer without such consent and new agreement shall be void. Any assignment or transfer of Grantee's rights and obligations approved by the State shall be subject to the provisions of this Agreement.

18. Subcontracts. Grantee shall not enter into any subcontract in connection with its obligations under this Agreement without the prior, written approval of the State. Grantee shall submit to the State a copy of each subcontract upon request by the State. All subcontracts entered into by Grantee in connection with this Agreement shall comply with all applicable federal and state laws and regulations, shall provide that they are governed by the laws of the State of Colorado, and shall be subject to all provisions of this Agreement.

19. Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect, provided that the Parties can continue to perform their obligations in accordance with the intent of the Agreement.

20. Survival of Certain Agreement Terms. Any provision of this Agreement that imposes an obligation on a party after termination or expiration of the Agreement shall survive the termination or expiration of the Agreement and shall be enforceable by the other party.

21. Third Party Beneficiaries. Except for the parties' respective successors and assigns, this Agreement does not and is not intended to confer any rights or remedies upon any person or entity other than the Parties. Enforcement of this Agreement and all rights and obligations hereunder are reserved solely to the parties. Any services or benefits which third parties receive as a result of this Agreement are incidental to the Agreement, and do not create any rights for such third parties.

22. Waiver. A party's failure or delay in exercising any right, power, or privilege under this Agreement, whether explicit or by lack of enforcement, shall not operate as a waiver, nor shall any single or partial exercise of any right, power, or privilege preclude any other or further exercise of such right, power, or privilege.

23. Indemnification. [Not Applicable to Inter-governmental agreements] Grantee shall indemnify, save, and hold harmless the State, its employees, agents and assignees (the "Indemnified Parties"), against any and all costs, expenses, claims, damages, liabilities, court awards and other amounts (including attorneys' fees and related costs) incurred by any of the Indemnified Parties in relation to any act or omission by Grantee, or its employees, agents, Subcontractors, or assignees in connection with this Agreement. This shall include, without limitation, any and all costs, expenses, claims, damages, liabilities, court awards and other amounts incurred by the Indemnified Parties in relation to any claim that any work infringes a patent, copyright, trademark, trade secret, or any other intellectual property right or any claim for loss or improper disclosure of any confidential information or personally identifiable information. If Grantee is a public agency prohibited by applicable law from indemnifying any party, then this section shall not apply.

24. Notice. All notices given under this Agreement shall be in writing, and shall be delivered to the contacts for each party listed on the face of the Small Dollar Grant Award. Either party may change its contact or contact information by notice submitted in accordance with this section without a formal modification to this Agreement.

25. Insurance. Except as otherwise specifically stated in this Agreement or any attachment or exhibit to this Agreement, Grantee shall obtain and maintain insurance as specified in this section at all times during the term of the Agreement: (a) workers' compensation insurance as required by state statute, and employers' liability insurance covering all Grantee employees acting within the course and scope of their employment, (b) Commercial general liability insurance written on an Insurance Services Office occurrence form, covering premises operations, fire damage, independent contractors, products and completed operations, blanket contractual liability, personal injury, and advertising liability with minimum limits as follows: \$1,000,000 each occurrence; \$1,000,000 general aggregate; \$1,000,000 products and completed operations aggregate; and \$50,000 any one fire, and (c) Automobile liability insurance covering any auto (including owned, hired and non-owned autos) with a minimum limit of \$1,000,000 each accident combined single limit. If Grantee will or may have access to any protected information, then Grantee shall also obtain and maintain insurance covering loss and disclosure of protected information and claims based on alleged violations of privacy right through improper use and disclosure of protected information with limits of \$1,000,000 each occurrence and \$1,000,000 general aggregate at all times during the term of the Small Dollar Grant Award. Additional insurance may be required as provided elsewhere in this Agreement or any attachment or exhibit to this Agreement. All insurance policies required by this Agreement shall be issued by insurance companies with an AM Best rating of A-VIII or better. If Grantee is a public agency within the meaning of the Colorado Governmental Immunity Act, then this section shall not apply and Grantee shall instead comply with the Colorado Governmental Immunity Act.

26. Termination Prior to Grantee Acceptance. If Grantee has not begun performance under this Agreement, the State may cancel this Agreement by providing written notice to the Grantee.

27. Termination for Cause. If Grantee refuses or fails to timely and properly perform any of its obligations under this Agreement with such diligence as will ensure its completion within the time specified in this Agreement, the State may notify Grantee in writing of non-performance and, if not corrected by Grantee within the time specified in the notice, terminate Grantee's right to proceed with the Agreement or such part thereof as to which there has been delay or a failure. Grantee shall continue performance of this Agreement to the extent not terminated. Grantee shall be liable for excess costs incurred by the State in procuring similar Work and the State may withhold such amounts, as the State deems necessary. If after rejection, revocation, or other termination of Grantee's right to proceed under the Colorado Uniform Commercial Code (CUCC) or this clause, the State determines for any reason that Grantee was not in default or the delay was excusable, the rights and obligations of the State and Grantee shall be the same as if the notice of termination had been issued pursuant to termination under **\$28**.

28. Termination in Public Interest. The State is entering into this Agreement for the purpose of carrying out the public interest of the State, as determined by its Governor, General Assembly, Courts, or Federal Awarding Agency. If this Agreement ceases to further the public interest of the State as determined by its Governor, General Assembly, Courts, or Federal Awarding Agency, the State, in its sole discretion, may terminate this Agreement in whole or in part and such termination shall not be deemed to be a breach of the State's obligations hereunder. This section shall not apply to a termination for cause, which shall be governed by **\$27**. A determination that this Small Dollar Grant Award should be terminated in the public interest shall not be equivalent to a State right to terminate for convenience. The State shall give written notice of termination to Grantee specifying the part of the Agreement terminated and when termination becomes effective. Upon receipt of notice of termination, Grantee shall not incur further obligations except as necessary to mitigate costs of performance. The State shall pay the Agreement price or rate for Work performed

STATE CONTROLLER

and accepted by State prior to the effective date of the notice of termination. The State's termination liability under this section shall not exceed the total Agreement price.

29. Termination for Funds Availability. The State is prohibited by law from making commitments beyond the term of the current State Fiscal Year. Payment to Grantee beyond the current State Fiscal Year is contingent on the appropriation and continuing availability of Grant Funds in any subsequent year (as provided in the Colorado Special Provisions). If federal funds or funds from any other non-State funds constitute all or some of the Grant Funds, the State's obligation to pay Grantee shall be contingent upon such non-State funding continuing to be made available for payment. Payments to be made pursuant to this Agreement shall be made only from Grant Funds, and the State's liability for such payments shall be limited to the amount remaining of such Grant Funds. If State, federal or other funds are not appropriated, or otherwise become unavailable to fund this Agreement, the State may, upon written notice, terminate this Agreement, in whole or in part, without incurring further liability. The State shall, however, remain obligated to pay for Work performed and accepted prior to the effective date of notice of termination, and this termination shall otherwise be treated as if this Agreement were terminated in the public interest as described in §28.

30. Grantee's Termination Under Federal Requirements. If the Grant Funds include any federal funds, then Grantee may request termination of this Grant by sending notice to the State, or to the Federal Awarding Agency with a copy to the State, which includes the reasons for the termination and the effective date of the termination. If this Grant is terminated in this manner, then Grantee shall return any advanced payments made for Work that will not be performed prior to the effective date of the termination.

31. Governmental Immunity. Liability for claims for injuries to persons or property arising from the negligence of the State, its departments, boards, commissions committees, bureaus, offices, employees and officials shall be controlled and limited by the provisions of the Colorado Governmental Immunity Act, CRS §24-10-101, *et seq.*, the Federal Tort Claims Act, 28 U.S.C. Pt. VI, Ch. 171 and 28 U.S.C. 1346(b), and the State's risk management statutes, CRS §§24-30-1501, *et seq.* No term or condition of this Agreement shall be construed or interpreted as a waiver, express or implied, of any of the immunities, rights, benefits, protections, or other provisions, contained in these statutes.

32. Grant Recipient. Grantee shall perform its duties hereunder as a grant recipient and not as an employee. Neither Grantee nor any agent or employee of Grantee shall be deemed to be an agent or employee of the State. Grantee shall not have authorization, express or implied, to bind the State to any agreement, liability or understanding, except as expressly set forth herein. **Grantee and its employees and agents are not entitled to unemployment insurance or workers compensation benefits through the State and the State shall not pay for or otherwise provide such coverage for Grantee or any of its agents or employees. Grantee shall pay when due all applicable employment taxes and income taxes and local head taxes incurred pursuant to this Agreement. Grantee shall (a) provide and keep in force workers' compensation and unemployment compensation insurance in the amounts required by law, (b) provide proof thereof when requested by the State, and (c) be solely responsible for its acts and those of its employees and agents.**

33. Compliance with Law. Grantee shall comply with all applicable federal and State laws, rules, and regulations in effect or hereafter established, including, without limitation, laws applicable to discrimination and unfair employment practices.

34. Choice of Law, Jurisdiction and Venue. [Not Applicable to Inter-governmental agreements] Colorado law, and rules and regulations issued pursuant thereto, shall be applied in the interpretation, execution, and enforcement of this Agreement. Any provision included or incorporated herein by reference which conflicts with said laws, rules, and regulations shall be null and void. All suits or actions related to this Agreement shall be filed and proceedings held in the State of Colorado and exclusive venue shall be in the City and County of Denver. Any provision incorporated herein by reference which purports to negate this or any other provision in this Agreement in whole or in part shall not be valid or enforceable or available in any action at law, whether by way of complaint, defense, or otherwise. Any provision rendered null and void by the operation of this provision or for any other reason shall not invalidate the remainder of this Agreement, to the extent capable of execution. Grantee shall exhaust administrative remedies in CRS §24-109-106, prior to commencing any judicial action against the State regardless of whether the Colorado Procurement Code applies to this Agreement.

35. Prohibited Terms. Nothing in this Agreement shall be construed as a waiver of any provision of CRS §24-106-109. Any term included in this Agreement that requires the State to indemnify or hold Grantee harmless; requires the State to agree to binding arbitration; limits Grantee's liability for damages resulting from death, bodily injury, or damage to tangible property; or that conflicts with that statute in any way shall be void ab initio.

36. Public Contracts for Services. [Not Applicable to offer, issuance, or sale of securities, investment advisory services, fund management services, sponsored projects, intergovernmental grant agreements, or information technology services or products and services] Grantee certifies, warrants, and agrees that it does not knowingly employ or contract with an illegal alien who will perform work under this Agreement and will confirm the employment eligibility of all employees who are newly hired for employment in the United States to perform work under this Agreement, through participation in the E-Verify Program or the Department program established pursuant to CRS §8-17.5-102(5)(c). Grantee shall not knowingly employ or contract with an illegal alien to perform work under this Agreement or enter into a contract or agreement with a Subcontractor that fails to certify to Grantee that the Subcontractor shall not knowingly employ or contract with an illegal alien to perform work under this Agreement. Grantee shall (a) not use E-Verify Program or Department program procedures to undertake pre-employment screening of job applicants during performance of this Agreement, (b) notify Subcontractor and the State within three days if Grantee has actual knowledge that Subcontractor is employing or contracting with an illegal alien for work under this Agreement, (c) terminate the subcontract if Subcontractor does not stop employing or contracting with the illegal alien within three days of receiving notice, and (d) comply with reasonable requests made in the course of an investigation, undertaken pursuant to CRS §8-17.5-102(5), by the Colorado Department of Labor and Employment. If Grantee participates in the Department program, Grantee shall deliver to the State a written, notarized affirmation that Grantee has examined the legal work status of such employee, and shall comply with all of the other requirements of the Department program. If Grantee fails to comply with any requirement of this provision or CRS §8-17.5-101 *et seq.*, the State may terminate this Agreement for breach and, if so terminated, Grantee shall be liable for damages.

37. Public Contracts with Natural Persons. Grantee, if a natural person 18 years of age or older, hereby swears and affirms under penalty of perjury that the person (a) is a citizen or otherwise lawfully present in the United States pursuant to federal law, (b) shall comply with the provisions of CRS §24-76.5-101 *et seq.*, and (c) has produced a form of identification required by CRS §24-76.5-103 prior to the date Grantee begins Work under terms of the Agreement.

ADDENDUM 1:

Additional Terms & Conditions for Information Technology

IF ANY PART OF THE SUBJECT MATTER OF THIS AGREEMENT IS INFORMATION TECHNOLOGY, AS DEFINED IN CRS § 24-37.5-102 (2), THE FOLLOWING PROVISIONS ALSO APPLY TO THIS AGREEMENT.

A. Definitions. The following terms shall be construed and interpreted as follows: **(a) "CJI"** means criminal justice information collected by criminal justice agencies needed for the performance of their authorized functions, including, without limitation, all information defined as criminal justice information by the U.S. Department of Justice, Federal Bureau of Investigation, Criminal Justice Information Services Security Policy, as amended, and all Criminal Justice Records as defined under CRS §24-72-302; **(b) "Incident"** means any accidental or deliberate event that results in or constitutes an imminent threat of the unauthorized access, loss, disclosure, modification, disruption, or destruction of any communications or information resources of the State, pursuant to CRS §§24-37.5-401 *et seq.*; **(c) "PCI"** means payment card information including any data related to credit card holders' names, credit card numbers, or the other credit card information as may be protected by state or federal law; **(d) "PHI"** means any protected health information, including, without limitation any information whether oral or recorded in any form or medium that relates to the past, present or future physical or mental condition of an individual; the provision of health care to an individual; or the past, present or future payment for the provision of health care to an individual; and that identifies the individual or with respect to which there is a reasonable basis to believe the information can be used to identify the individual including, without limitation, any information defined as Individually Identifiable Health Information by the federal Health Insurance Portability and Accountability Act; **(e) "PII"** means personally identifiable information including, without limitation, any information maintained by the State about an individual that can be used to distinguish or trace an individual's identity, such as name, social security number, date and place of birth, mother's maiden name, or biometric records, including, without limitation, all information defined as personally identifiable information in CRS §24-72-501; **(f) "State Confidential Information"** means any and all State Records not subject to disclosure under the Colorado Open Records Act and includes, without limitation, PII, PHI, PCI, Tax Information, CJI, and State personnel records not subject to disclosure under the Colorado Open Records Act; **(g) "State Fiscal Rules"** means those fiscal rules promulgated by the Colorado State Controller pursuant to CRS §24-30-202(13)(a); **(h) "State Fiscal Year"** means a 12 month period beginning on July 1 of each calendar year and ending on June 30 of the following calendar year; **(i) "State Records"** means any and all State data, information, and records, regardless of physical form; **(j) "Tax Information"** means federal and State of Colorado tax information including, without limitation, federal and State tax returns, return information, and such other tax-related information as may be protected by federal and State law and regulation, including, without limitation all information defined as federal tax information in Internal Revenue Service Publication 1075; and **(k) "Work Product"** means the tangible and intangible results of the delivery of goods and performance of services, whether finished or unfinished, including drafts. Work Product includes, but is not limited to, documents, text, software (including source code), research, reports, proposals, specifications, plans, notes, studies, data, images, photographs, negatives, pictures, drawings, designs, models, surveys, maps, materials, ideas, concepts, know-how, information, and any other results of the Work, but does not include any material that was developed prior to the Effective Date that is used, without modification, in the performance of the Work.

B. Intellectual Property. Except to the extent specifically provided elsewhere in this Agreement, any State information, including without limitation pre-existing State software, research, reports, studies, data, photographs, negatives or other documents, drawings, models, materials; or Work Product prepared by Grantee in the performance of its obligations under this Agreement shall be the exclusive property of the State (collectively, "State Materials"). All State Materials shall be delivered to the State by Grantee upon completion or termination of this Agreement. The State's exclusive rights in any Work Product prepared by Grantee shall include, but not be limited to, the right to copy, publish, display, transfer, and prepare derivative works. Grantee shall not use, willingly allow, cause or permit any State Materials to be used for any purpose other than the performance of Grantee's obligations hereunder without the prior written consent of the State. The State shall maintain complete and accurate records relating to **(a)** its use of all Grantee and third party software licenses and rights to use any Grantee or third party software granted under this Agreement and its attachments to which the State is a party and **(b)** all amounts payable to Grantee pursuant to this Agreement and its attachments and the State's obligations under this Agreement or any amounts payable to Grantee in relation to this Agreement, which records shall contain sufficient information to permit Grantee to confirm the State's compliance with the use restrictions and payment obligations under this Agreement or to any third party use restrictions to which the State is a party. Grantee retains the exclusive rights, title and ownership to any and all pre-existing materials owned or licensed to Grantee including, but not limited to all pre-existing software, licensed products, associated source code, machine code, text images, audio, video, and third party materials, delivered by Grantee under the Agreement, whether incorporated in a deliverable or necessary to use a deliverable (collectively, "Grantee Property"). Grantee Property shall be licensed to the State as set forth in a State-approved license agreement **(a)** entered into as exhibits or attachments to this Agreement, **(b)** obtained by the State from the applicable third party Grantee, or **(c)** in the case of open source software, the license terms set forth in the applicable open source license agreement. Notwithstanding anything to the contrary herein, the State shall not be subject to any provision incorporated in any exhibit or attachment attached hereto, any provision incorporated in any terms and conditions appearing on any website, any provision incorporated into any click through or online agreements, or any provision incorporated into any other document or agreement between the parties that **(a)** requires the State or the State to indemnify Grantee or any other party, **(b)** is in violation of State laws, regulations, rules, State Fiscal Rules, policies, or other State requirements as deemed solely by the State, or **(c)** is contrary to this Agreement.

C. Information Confidentiality. Grantee shall keep confidential, and cause all Subcontractors to keep confidential, all State Records, unless those State Records are publicly available. Grantee shall not, without prior written approval of the State, use, publish, copy, disclose to any third party, or permit the use by any third party of any State Records, except as otherwise stated in this Agreement, permitted by law, or approved in writing by the State. If Grantee will or may have access to any State Confidential Information or any other protected information, Grantee shall provide for the security of all State Confidential Information in accordance with all applicable laws, rules, policies, publications, and guidelines. Grantee shall comply with all Colorado Office of Information Security ("OIS") policies and procedures which OIS has issued pursuant to CRS §§24-37.5-401 through 406 and 8 CCR §1501-5 and posted at <http://oit.state.co.us/ois>, all information security and privacy obligations imposed by any federal, state, or local statute or regulation, or by any industry standards or guidelines, as applicable based on the classification of the data relevant to Grantee's performance under this Agreement. Such obligations may arise from: Health Information Portability and Accountability Act (HIPAA); IRS Publication 1075; Payment Card Industry Data Security Standard (PCI-DSS); FBI Criminal Justice Information Service Security Addendum; Centers for Medicare & Medicaid Services (CMS) Minimum Acceptable Risk Standards for Exchanges; and Electronic Information Exchange

STATE CONTROLLER

Security Requirements and Procedures for State and Local Agencies Exchanging Electronic Information with The Social Security Administration. Grantee shall immediately forward any request or demand for State Records to the State's principal representative.

D. Other Entity Access and Nondisclosure Agreements. Grantee may provide State Records to its agents, employees, assigns and Subcontractors as necessary to perform the work, but shall restrict access to State Confidential Information to those agents, employees, assigns, and Subcontractors who require access to perform their obligations under this Agreement. Grantee shall ensure all such agents, employees, assigns, and Subcontractors sign agreements containing nondisclosure provisions at least as protective as those in this Agreement, and that the nondisclosure provisions are in force at all times the agent, employee, assign, or Subcontractors has access to any State Confidential Information. Grantee shall provide copies of those signed nondisclosure provisions to the State upon execution of the nondisclosure provisions if requested by the State.

E. Use, Security, and Retention. Grantee shall use, hold, and maintain State Confidential Information in compliance with any and all applicable laws and regulations only in facilities located within the United States, and shall maintain a secure environment that ensures confidentiality of all State Confidential Information. Grantee shall provide the State with access, subject to Grantee's reasonable security requirements, for purposes of inspecting and monitoring access and use of State Confidential Information and evaluating security control effectiveness. Upon the expiration or termination of this Agreement, Grantee shall return State Records provided to Grantee or destroy such State Records and certify to the State that it has done so, as directed by the State. If Grantee is prevented by law or regulation from returning or destroying State Confidential Information, Grantee warrants it will guarantee the confidentiality of, and cease to use, such State Confidential Information.

F. Incident Notice and Remediation. If Grantee becomes aware of any Incident, it shall notify the State immediately and cooperate with the State regarding recovery, remediation, and the necessity to involve law enforcement, as determined by the State. Unless Grantee can establish none of Grantee or any of its agents, employees, assigns or Subcontractors are the cause or source of the Incident, Grantee shall be responsible for the cost of notifying each person who may have been impacted by the Incident. After an Incident, Grantee shall take steps to reduce the risk of incurring a similar type of Incident in the future as directed by the State, which may include, but is not limited to, developing and implementing a remediation plan that is approved by the State at no additional cost to the State. The State may adjust or direct modifications to this plan, in its sole discretion and Grantee shall make all modifications as directed by the State. If Grantee cannot produce its analysis and plan within the allotted time, the State, in its sole discretion, may perform such analysis and produce a remediation plan, and Grantee shall reimburse the State for the reasonable actual costs thereof.

G. Data Protection and Handling. Grantee shall ensure that all State Records and Work Product in the possession of Grantee or any Subcontractors are protected and handled in accordance with the requirements of this Agreement at all times. Upon request by the State made any time prior to 60 days following the termination of this Agreement for any reason, whether or not this Agreement is expiring or terminating, Grantee shall make available to the State a complete and secure download file of all data that is encrypted and appropriately authenticated. This download file shall be made available to the State within 10 Business Days following the State's request, and shall contain, without limitation, all State Records, Work Product, and any other information belonging to the State. Upon the termination of Grantee's services under this Agreement, Grantee shall, as directed by the State, return all State Records provided by the State to Grantee, and the copies thereof, to the State or destroy all such State Records and certify to the State that it has done so. If legal obligations imposed upon Grantee prevent Grantee from returning or destroying all or part of the State Records provided by the State, Grantee shall guarantee the confidentiality of all State Records in Grantee's possession and will not actively process such data. The State retains the right to use the established operational services to access and retrieve State Records stored on Grantee's infrastructure at its sole discretion and at any time.

H. Compliance. If applicable, Grantee shall review, on a semi-annual basis, all OIS policies and procedures which OIS has promulgated pursuant to CRS §§ 24-37.5-401 through 406 and 8 CCR § 1501-5 and posted at <http://oit.state.co.us/ois>, to ensure compliance with the standards and guidelines published therein. Grantee shall cooperate, and shall cause its Subcontractors to cooperate, with the performance of security audit and penetration tests by OIS or its designee.

I. Safeguarding PII. If Grantee or any of its Subcontractors will or may receive PII under this Agreement, Grantee shall provide for the security of such PII, in a manner and form acceptable to the State, including, without limitation, all State requirements relating to non-disclosure, use of appropriate technology, security practices, computer access security, data access security, data storage encryption, data transmission encryption, security inspections, and audits. Grantee shall take full responsibility for the security of all PII in its possession or in the possession of its Subcontractors, and shall hold the State harmless for any damages or liabilities resulting from the unauthorized disclosure or loss thereof. Grantee shall be a "Third-Party Service Provider" as defined in CRS §24-73-103(1)(i) and shall maintain security procedures and practices consistent with CRS §§24-73-101 *et seq.*

J. Software Piracy Prohibition. The State or other public funds payable under this Agreement shall not be used for the acquisition, operation, or maintenance of computer software in violation of federal copyright laws or applicable licensing restrictions. Grantee hereby certifies and warrants that, during the term of this Agreement and any extensions, Grantee has and shall maintain in place appropriate systems and controls to prevent such improper use of public funds. If the State determines that Grantee is in violation of this provision, the State may exercise any remedy available at law or in equity or under this Agreement, including, without limitation, immediate termination of this Agreement and any remedy consistent with federal copyright laws or applicable licensing restrictions.

K. Information Technology. To the extent that Grantee provides physical or logical storage of State Records; Grantee creates, uses, processes, discloses, transmits, or disposes of State Records; or Grantee is otherwise given physical or logical access to State Records in order to perform Grantee's obligations under this Agreement, the following terms shall apply. Grantee shall, and shall cause its Subcontractors, to: Provide physical and logical protection for all hardware, software, applications, and data that meets or exceeds industry standards and the requirements of this Agreement; Maintain network, system, and application security, which includes, but is not limited to, network firewalls, intrusion detection (host and network), annual security testing, and improvements or enhancements consistent with evolving industry standards; Comply with State and federal rules and regulations related to overall security, privacy, confidentiality, integrity, availability, and auditing; Provide that security is not compromised by unauthorized access to workspaces, computers, networks, software, databases, or other physical or electronic environments; Promptly report all Incidents, including Incidents that do not result in unauthorized disclosure or loss of data integrity, to a designated representative of the OIS; Comply with all rules, policies, procedures, and standards issued by the Governor's Office of Information Technology (OIT), including project lifecycle methodology and governance, technical standards, documentation, and other requirements posted at www.oit.state.co.us/about/policies. Grantee shall not allow remote access to State Records from outside the United States, including access by

Board Meeting Date: 7/23/2024

File #: 24-348, **Version:** 1

SUBJECT:

An Ordinance of the Town Council of the Town of Erie Amending Section 8-1-18 of the Municipal Code Concerning Shutoff of Service for Nonpayment

DEPARTMENT: Public Works

PRESENTER(S): Todd Fessenden, Utilities Director

POLICY ISSUES:

It is the practice of staff and legal counsel to recommend updates to the Municipal Code from time-to-time as new best practices or legal standards evolve.

STAFF RECOMMENDATION:

Approve the Ordinance.

SUMMARY AND BACKGROUND OF SUBJECT MATTER:

This ordinance is to amend section 8-1-18 of the Erie Town Code which updates the appeal process for shutoff of water service for nonpayment. The person against whom the violation is brought may appeal the discontinuance of water service to the Town Manager by written request within five (5) days of receiving notice.

This ordinance creates a more defined due process. This change is advised by the Town Attorney and supported by the Town Water Counsel.

COUNCIL PRIORITY(S) ADDRESSED:

- ✓ Safe and Healthy Community
- ✓ Effective Governance
- ✓ Environmentally Sustainable

A Resolution of the Town Council of the Town of Erie Submitting a Ballot Issue to the Registered Electors of the Town at the Town's Regular Election to be Held on November 5, 2024, in Coordination with Boulder and Weld Counties

DEPARTMENT: Economic Development

PRESENTER(S): Stephanie Pitts-Noggle, Economic Development Manager

FISCAL SUMMARY: N/A

POLICY ISSUES:

Approve the ballot language laying out the imposition of a 5% excise tax on the sale of retail marijuana for inclusion on the November 2024 ballot.

STAFF RECOMMENDATION:

Approve the ballot language as written.

SUMMARY AND BACKGROUND OF SUBJECT MATTER:

Since 2012, the Town of Erie has had a moratorium in place banning the sale of retail marijuana within the Town's jurisdiction. The Town Council (formerly the Board of Trustees) has heard updates from Town staff on this matter in 2016, twice in 2021, in December 2023, and, most recently, on July 9, 2024. Council determined the issue was appropriate to include on the November 2024 ballot based on responses to the 2021 and 2023 Community Survey, where the majority of Erie resident respondents said they were in favor of overturning the moratorium if the Town adopted robust zoning requirements and an excise tax on any marijuana sales.

To include this measure on the 2024 ballot, the language, which follows very strict guidelines based on TABOR requirements, must be approved by Aug. 13, 2024. Given Council had no objections to the language staff presented on July 9, 2024, staff is submitting this language for final approval.

The ordinance implementing zoning requirements for marijuana establishments, which will go into effect only if the ballot measure passes, will be presented to Council at a later date after it is presented to the Planning Commission.

Inclusionary Housing and Affordable Housing Impact Fee Presentation

DEPARTMENT: Planning and Development

PRESENTER(S): MJ Adams, AICP, Affordable Housing Manager

TIME ESTIMATE: 45 minutes

FISCAL SUMMARY: N/A

POLICY ISSUES:

In June 2025, Town Council adopted the Town of Erie Affordable Housing Policy, which outlines a series of actions the Town intends to take to advance efforts to achieve the Town's affordable housing goals. These goals include encouraging the development of a variety of housing types and affordability. This diversity of housing opportunities is intended to accommodate a broad range of households from families to individuals who live here and/or want to call Erie home. In turn, this greater diversity of households will make it easier for local businesses and organizations to hire employees who live in Erie-helping to reduce traffic associated with jobs in Erie, enabling more people who have grown up in Erie to afford to move back home, making it possible for more elders to afford to "age in community" and making it easier for grandparents who live elsewhere to move to Erie to be near their families. Additionally, this work supports the Town's commitment through the Regional Housing Partnership to have 12% of the Town's housing stock affordable by 2035.

STAFF RECOMMENDATION:

Presentation and Discussion only.

SUMMARY AND BACKGROUND OF SUBJECT MATTER:

Lack of affordable housing has been on the minds of Erie leadership since 2005. When Erie adopted its Comprehensive Plan that year, the plan cited the lack of affordable housing and starter homes as a concern. The rising cost of housing became out of reach for many families, empty-nesters and retirees. The Plan recommended several actions including:

- 1) the development of an inclusionary housing ordinance; and
- 2) participating in regional partnerships.

In 2021, Erie adopted Resolution 21-140 to collaborate with the Boulder County Regional Housing Partnership to expand access to affordable housing and work towards a goal of 12% of the housing stock to be affordable by 2035.

In 2022, the Town started to seriously explore the creation of an inclusionary housing ordinance. Newly hired affordable housing staff successfully sought a grant to fund a Housing Needs Assessment and Affordable Housing Strategy. With the Housing Needs Assessment completed, and an Affordable Housing Policy adopted in June 2024, the next step is to develop an inclusionary housing ordinance. In addition to the inclusionary housing ordinance, which will only affect new residential development submittals, Town staff are evaluating an Affordable Housing Impact Fee that could be applied to entitled development that has not yet started construction and smaller developments that are not subject to the inclusionary housing ordinance. Town staff have shared the draft outline of the inclusionary housing ordinance with the development community and have received helpful and insightful feedback that will be considered as staff develop the final draft of the ordinance.

Key components of the draft inclusionary housing ordinance include:

- Applicable to all new development entitlements that have eight (8) or more units;
- Requires 15% of units to be affordable, with options to meet the requirement by building the units on-site, dedicating land, a fee-in-lieu payment, or a combination of the three;
- For the affordable ownership units, 75% of the units must be affordable to households at 120% of the Area Median Income (AMI) and 25% must be affordable to households at 100% AMI;
- For the affordable rental units, 75% of the units must be affordable to households at 80% AMI and 25% must be affordable to households at 60% AMI; and
- All affordable units built must hold a perpetual deed restriction.

The Affordable Housing Impact Fee under evaluation would be applied to housing units already entitled but not yet constructed and smaller residential developments (less than 8 units). This fee may be calculated on a square foot basis and revenues collected would be dedicated to support affordable housing incentives. Both the ordinance and the fee are currently under development and analysis by staff.

Discussion and consideration of the Inclusionary Housing Ordinance and Affordable Housing Impact Fee will lay the groundwork for ordinances that add to the Town of Erie's Affordable Housing Toolbox in support of our affordable housing goals. Next steps in the process may include an additional study session with the Town Council and Planning Commission before ordinances are finalized.

Town of Erie Affordable Housing Policy

June 25, 2024

Introduction:

The Town Council is committed to advancing opportunities for affordable housing within the community to meet the goal of 12 percent. In February 2023, the Town completed the Housing Needs Assessment and Affordable Housing Strategy. This Housing Needs Assessment and Affordable Housing Strategy identifies strategies for work in advancing affordable housing efforts and identifies where to prioritize efforts. This Policy implements the Housing Needs Assessment and Affordable Housing Strategy.

Policy Statements and Objectives:

- A. The Town will explore opportunities to create affordable housing in existing developed areas of Town, also known as "infill development."
 - 1. The Town's affordable housing ordinance, adopted in July 2023, encourages infill development through higher density allowances, no minimum lot sizes, reductions in setbacks and more flexibility in other development requirements through alternative equivalent compliance opportunities.
 - 2. The Town will explore other policy changes to encourage infill development, including more flexibility in regulatory codes while still meeting important safety and design standards.
- B. Through the Town's comprehensive plan process, the Town will identify areas and establish land use classifications that accommodate higher density residential development and create new affordable housing with a diversity of housing types. The Town will, to the maximum extent feasible, encourage affordable housing development in areas already served by existing infrastructure. In other areas, developers will be responsible for making all necessary improvements to serve the proposed development.
- C. The Town will evaluate and implement an inclusionary housing program so that all new residential development will contribute to creating affordable housing. The inclusionary housing program will require a percentage of affordable units for each development. The inclusionary housing program may also have a fee-in-lieu option for developers, which funds would then be placed in the Town's affordable housing fund and used for future affordable housing programs.
- D. The Town will facilitate the creation of affordable housing through land acquisition and public/private partnerships with the private and non-profit housing development community. The fee-in-lieu for the inclusionary housing program can

be used to fund these activities as well as general funds or external funding sources like state or federal grants, depending on the project.

- E. The Town will pursue grants and other resources to support and subsidize the creation and preservation of housing that serves renters, homebuyers, and homeowners across a broad affordable income spectrum.
- F. The Town will explore new and innovative approaches to reduce the cost of affordable housing development, including:
 - 1. Reduction or waiver of non-enterprise development fees, either Town-wide or in specific areas to incentivize infill development,
 - 2. Incentivize the creation of accessory dwelling units ("ADUs"), and
 - 3. Expedite the development review process to reduce upfront development costs.
- G. The Town will actively collaborate with the Boulder County Regional Housing Partnership to advance efforts to achieve the region's goal of 12% affordable housing by 2035.

Leveraging the market

Market-Based Tools:

Policies that leverage new market-rate development to help deliver affordable outcomes for the community

Colorado Presentation 2023

Voluntary Development Incentives

Residential developers are offered zoning or land use incentives in exchange for including some affordable units in their development (commonly 5%-20% of units are must be affordable in order to obtain incentives). Participation is optional.

Linkage (Impact) Fees

Commercial and/or residential linkage fees based on a "rational nexus" between new development and the demand for affordable housing created by such development.

Requirements (Inclusionary Zoning/Housing)

Residential developers are required to include some affordable units (5%-20%) in their development or pay a fee in lieu of building affordable units. Can be combined with incentives or offsets, but program participation is not optional.

Erie adopted fast track permitting in July 2023.

How Inclusionary Housing Works

Market and Policy Conditions

Roots Policy

Inclusionary is a **“market-driven” program**—it leverages new development to create affordable units that meet the community’s needs.

Without the creation of new market-rate housing, the inclusionary program won’t create any new affordable units.

The policy doesn’t have to yield a neutral impact on developer proformas, but the magnitude of the impact should be manageable. A feasibility analysis can help communities balance policy goals and the impact to development and market dynamics.

Effect on development costs?

How are individual projects impacted?

Roots Policy

- How does IZ hit the proforma?

When developers build the affordable units, development costs are roughly the same, but project revenue goes down on the set-aside affordable units, which rent or sell below market prices.

When paying the in lieu, development costs go up (as does debt service on the project).

Will this affect new housing production?

How do markets adjust?

Roots Policy

- Does IZ produce affordable units?

Yes, if the ordinance is structured to promote unit production direction; **if the community has a moderate volume of development**; and if the inclusionary requirement is reasonable.

- Does IZ increase housing costs?

It depends. In many cases there is no cost increases at all; in some cases, IZ has been shown to raise market prices by up to 3% (less than a typical annual rent increase). Other market factors (low supply, high material and labor costs, investor-driven returns) have a much greater impact on prices than an inclusionary policy.

- Does IZ slow housing production?

The timing of implementation can impact the flow of projects in the short-term but studies find no long-term impacts on supply.

Inclusionary Housing in the Region

Community	Project Minimum	Ownership Affordability (% of units)	Ownership AMI	Rental Affordability (% of units)	Rental AMI	Fee in Lieu
Boulder	n/a	25%	80% below 80% AMI; 20% below 120%	25%	80% below 60% AMI; 20% below 80% AMI	\$50,000-301,000

Erie (draft)	8	15%	75% below 120% AMI; 25% below 100% AMI	15%	75% below 80% AMI; 25% below 60% AMI	TBD

Inclusionary Housing

- 15% of units affordable
 - Applies to developments of 8+ units
 - Options to:
 - Build on site; or
 - Dedication of land; or
 - Payment of fee-in-lieu; or
 - Combination of above.

Homeownership Housing

- Affordable Homeownership (15 % of units)
 - 75% of homes affordable to 120% AMI (up to \$175,200 (household of 4)
 - 25% of homes affordable to 100% AMI (up to \$146,000 (household of 4)
 - Income eligibility determined at time of purchase
 - Annual certification of owner-occupancy
 - Perpetual deed restriction
 - Allowable limited appreciation and capital improvements

Rental Housing

- Affordable Rental (15% of total units)
 - 75% of apartments affordable to 80% AMI (below \$116,800 for a household of 4)
 - 25% affordable to 60% AMI (below \$87,600 for a household of 4)
 - Income eligibility determined at lease up and certified annually thereafter
 - Annual monitoring/compliance – City of Boulder IGA
 - Perpetual deed restriction

Feedback from Development Community

- Resources needed to increase affordable housing should come from broader resources, not just new residential development
- Consider including commercial development to help share the cost of supporting affordable housing
- Give developers flexibility on how to meet requirements (developer's choice among options).
- Use care on setting % and fees – could have chilling effect on the market if not tuned to market conditions;

Feedback from Development Community

- Appreciate the use of the Boulder County numbers for affordability measure.
- Create incentives to support on site affordable housing units (ie fees waivers/rebates)
- Be clear on timeline of when it goes into effect – give development community chance to build it into their pro formas.
- Fee-in-lieu option can reduce the risk for the developer.
- Inclusionary housing might make it more difficult to serve the “attainable” sector of the market.

Feedback from Development Community

- Fee-in-lieu option gives the Town greater :
 - Say in what type of affordable housing gets developed
 - Influence on where the affordable housing is located
 - Ability to leverage other public resources which could yield more units than on site requirements
 - Ability to create public/private partnerships with developers who know how to manage affordable housing development and compliance

Affordable Housing Impact Fee

- Apply to housing units already entitled by 12/31/2024; or have complete first submittals received by 12/31/2024
- Also apply to small developments (less than 8 units) exempt from inclusionary housing requirements
- Apply to non-residential development ?
- Fees calculated on square footage basis
- Collected at issuance of building permit
- All revenue dedicated to support affordable housing incentives

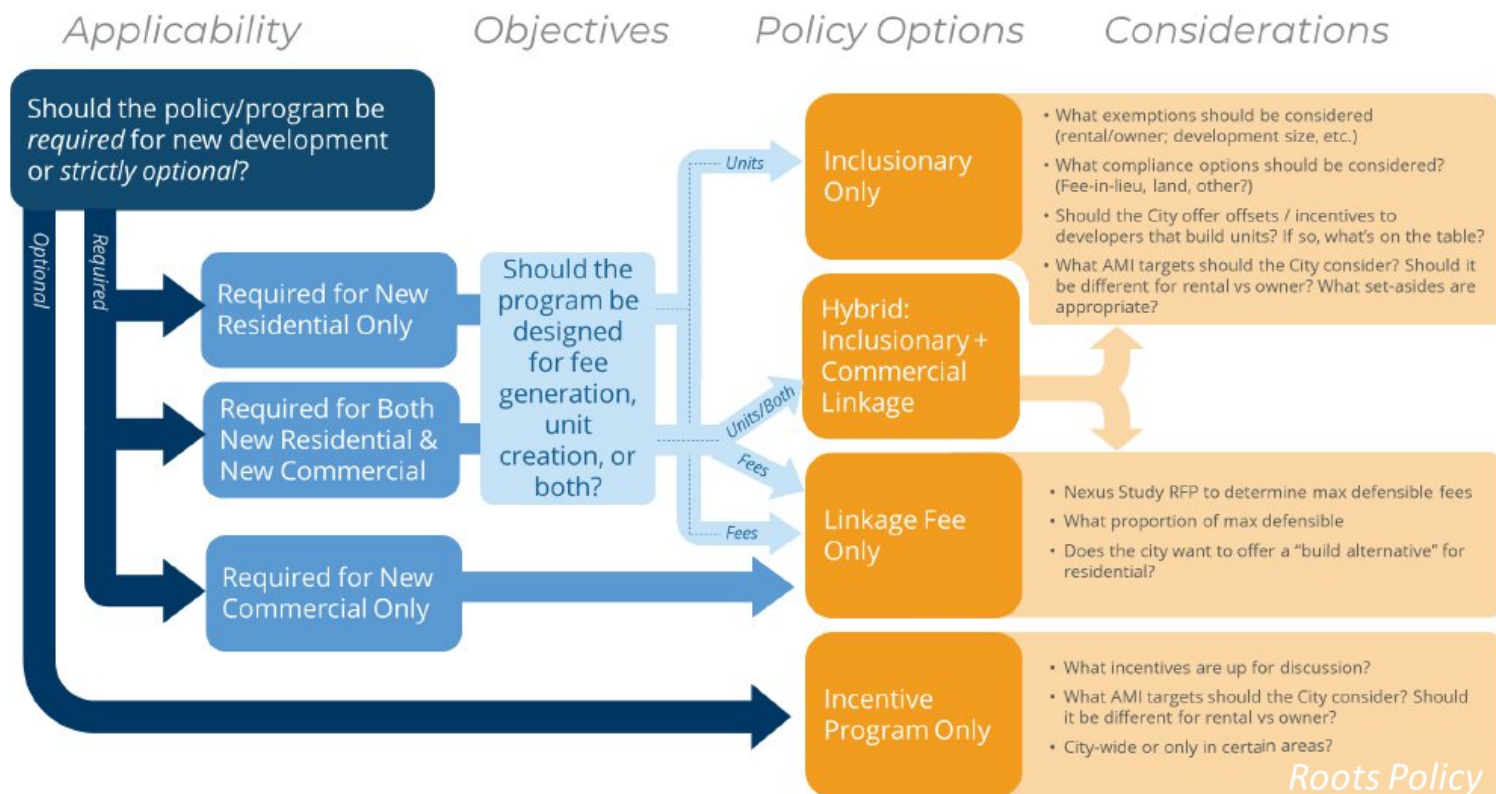

Why both Inclusionary Housing and Affordable Housing Impact Fee?

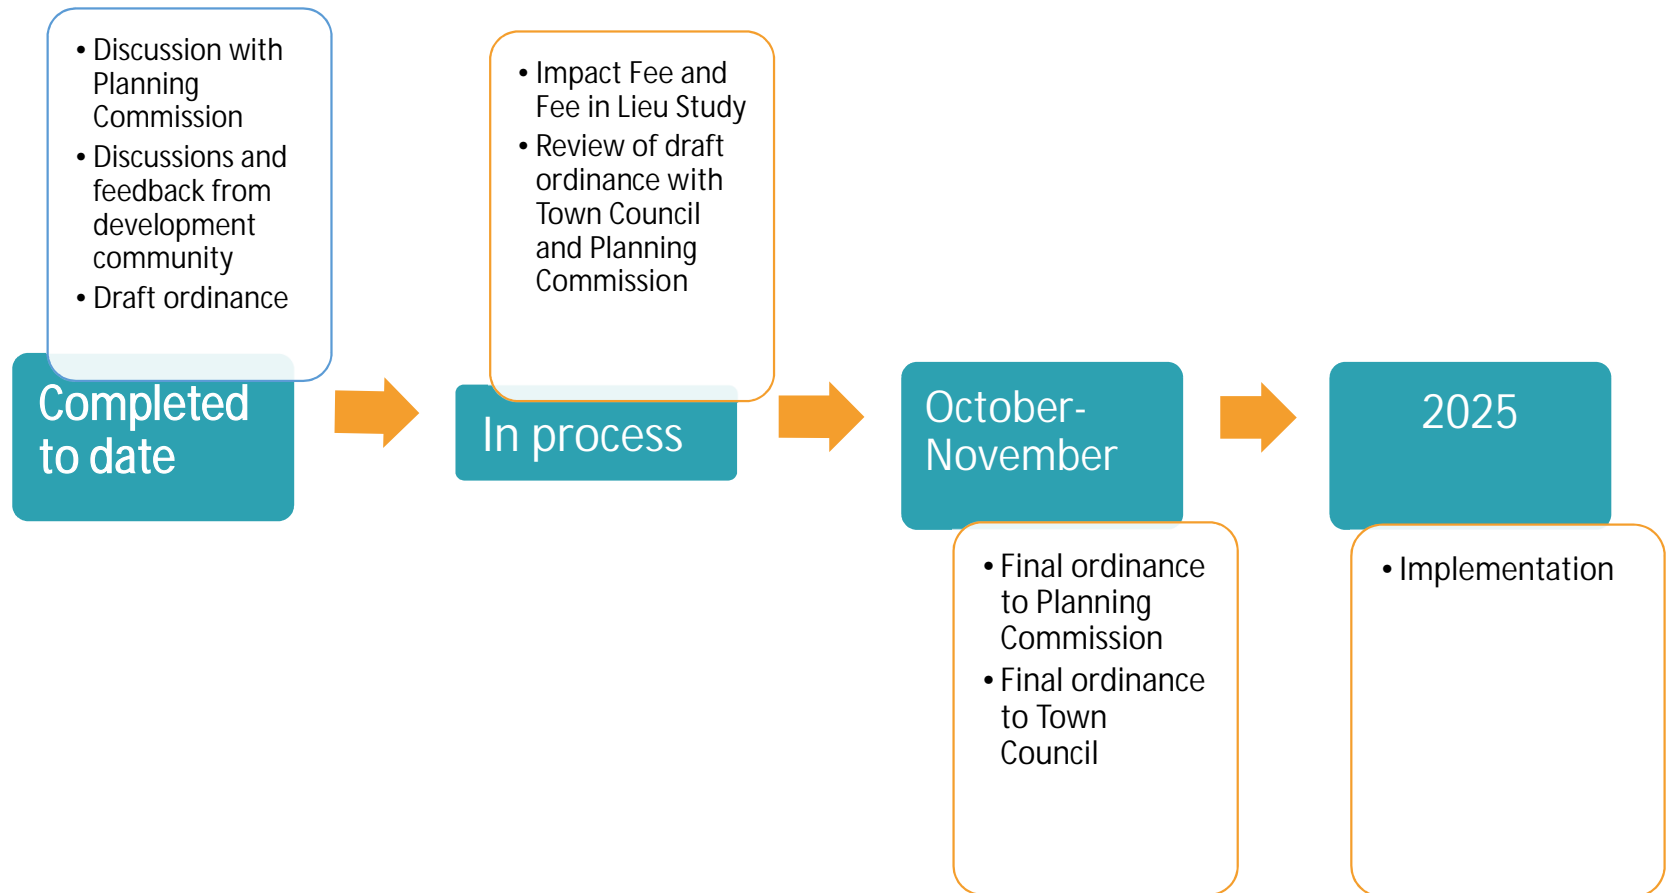

- What about commercial development?
 - also has an impact on the need for affordable housing
 - policy decision for Town that may also affect economic development goals
- Generate a dedicated revenue stream to help the Town achieve affordable housing goals
 - All fee in lieu and affordable housing impact fees will be dedicated to support affordable housing.

TOWN OF ERIE

Board Meeting Date: 7/23/2024

SUBJECT:

Boulder County Invitation to Regional Homelessness Meetings

DEPARTMENT: Town Manager

PRESENTER(S): Malcolm Fleming, Town Manager

TIME ESTIMATE: 10 minutes

POLICY ISSUES:

What is the most efficient and effective way to develop policies and action steps to help reduce the number of people in the region experiencing homelessness, to assist people who are experiencing homelessness, and to mitigate the negative impacts associated with people experiencing homelessness.

STAFF RECOMMENDATION:

Discuss Boulder County's invitation and decide whether to designate a member of the Town Council to attend the elected official working group proposed by Boulder County, and if so which Council member(s), or to recommend that instead of forming an elected officials working group, Town Council ask the Boulder County Commissioners direct their staff to work with staff from surrounding jurisdictions on this matter, and bring proposed action steps to each jurisdiction's governing body for consideration.

SUMMARY AND BACKGROUND OF SUBJECT MATTER:

As a follow-up to the May convening of regional local elected officials regarding homelessness, Boulder County has invited each city and town to designate **one elected official** to represent the council/board perspective on a working group with meetings hosted by Boulder County Commissioner Marta Loachamin. The meetings are scheduled for 5:30-7:30PM on Aug. 14, Sept. 18 and Oct. 9 at the Boulder County Courthouse, 1325 Pearl Street, Boulder.

The County suggests jurisdictions designate someone who attended the May 8, 2024, meeting in Lafayette, where cities, towns and the county shared information on current programming related to homelessness. Further, the County says each community may designate an alternate who can attend if the assigned elected official is unavailable on the scheduled date/time. Boulder County asks that we respond by noon on Friday, Aug. 2, with contact information for our representative and whether any key town staff will attend the meetings in support roles.

While discussing this invitation during the monthly virtual meeting of area City/County/Town Managers, Longmont City Manager Harold Dominguez suggested that due to the technical nature of the issue this should be handled at the staff level and then taken to elected governing bodies after staff work out recommended action steps for consideration. He also noted that for Longmont, doing this at the elected level would violate Longmont's Home Rule Charter. As Erie's Town Manager, I agree with Manager Dominguez and ask for the Erie Town Council's support to recommend that instead of forming an elected officials working group, the Boulder County Commissioners direct their staff to work with staff from surrounding jurisdictions on this matter, and bring proposed action steps to each jurisdiction's governing body for consideration.

In the County's invitation, Boulder County Administrator Jana Petersen included the information below as helpful to review:

Current regional consensus from May 8, 2024, meeting:

1. Regional approach is essential.
2. Housing First is the agreed-upon guiding framework.

Discussion Themes Identified by City/Town Officials:

Cities and towns identified the following themes (with the number of times mentioned) during the discussion on May 8, 2024, as potential topics for the working group discussions:

1. Concern about federal funds going away/funding gaps and how to sustain successful programs - 5
2. Expanding units available for people experiencing homelessness - both permanent and transitional units - 5
3. Mental/behavioral health struggles and intersection with homelessness - 4
4. Public safety related concerns (jail impact/repeat offenses/wildfire risks) - 4
5. Prevention/keeping individuals and families from entering homelessness - 3
6. Hidden homelessness/people working but can't find housing so are couch-surfing - 3
7. Preserving existing mobile home communities - 1
8. Workforce pillar/workforce housing - 1
9. Aging out of foster care creating a high risk of future homelessness - 1

Dear city/town managers and administrators,

As a follow-up to the May convening of regional local elected officials regarding homelessness, the county is inviting each city and town to designate **one elected official** to represent the council/board perspective on a working group with meetings hosted by Boulder County Commissioner Marta Loachamin. The meetings are scheduled for 5:30-7:30PM on Aug. 14, Sept. 18 and Oct. 9 at the Boulder County Courthouse, 1325 Pearl Street, which allows us to accommodate technology for a hybrid option for virtual participation. For in-person attendance, free parking is available in the lot north of the Courthouse or at any city of Boulder downtown parking garage.

From the county's perspective, it would be helpful to advance the discussion if your representative attended the May 8, 2024, meeting in Lafayette, where cities, towns and the county shared information on current programming related to homelessness. This is not a requirement but a suggestion. If needed, each community may designate an alternate who can attend if the assigned elected official is unavailable on the scheduled date/time.

To prepare for the first meeting, I'm including information below that may be helpful for your rep to review.

Please respond by noon on Friday, Aug. 2, with contact information for your city/town representative to receive the hybrid meeting invitation or let us know by then if you'd prefer to decline the invitation. Please also let us know if any key city/town staff will attend the meetings in support roles.

1. Quarterly Report

UTILITIES QUARTERLY REPORT

Review of Q2 2024

LYNN R. MORGAN WATER TREATMENT FACILITY (WTF)

Average Flow Million Gallons per Day (MGD):

2021 – 4.3 MGD | 2022 – 4.2 MGD | 2023 – 3.6 MGD

Due to low precipitation and high temperatures the second quarter of 2024 has seen a huge jump in water demand over recent years. As new development comes online with water saving features and smaller landscaped areas, combined with the Town’s strong tier pricing and conservation messaging; we are seeing water demands generally reacting appropriately.

What Does this Tell Us?

We are looking to message residents about water demands as we see bigger usage on Monday, Wednesday and Fridays – which is a common theme in our region and possibly tied to the default setting for smart irrigation controllers. Overall water demands are relatively flat in the winter (indoor demand) over the period of record and weather based in the summer irrigation period, with this year being hotter and dryer. Will continue to help residents manage their water use with incentives, smart meters and conservation programs.

Average Water Monthly Production

Average Per Capita per Day (GPCD):

2021 – 136 GPCD | 2022 – 132 GPCD | 2023 – 101 GPCD

Daily use per capita in the second quarter of 2024 saw a significant jump in spring and early summer. Indoor demands during winter remain relatively stable and are a good indicator of non-irrigation supply needs. Drought messaging, along with wetter conditions, seems to be helping curb excessive use, however we intend to increase conservation and appropriate irrigation as dry years tend to stress the system and our resources.

What Does this Tell Us?

Reducing summer irrigation and increasing reuse water availability will reduce reliance on treated water supplies in the future. Outdoor irrigation amounts to roughly 40% of annual deliveries, the shift in demand is notable. Staff will be collaborating with Water Conservation staff in Environmental Services to continue Turf Replacement programs and other conservation messaging. We recently received a grant to develop code-based water landscaping standards that can reduce customer bills and demand, while also leveraging our water supply portfolio. The Town is an innovator in the State and region in these areas.

Average Water Daily Usage Per Capita

NORTH WATER RECLAMATION FACILITY (NWRF)

Average Flow Million Gallons per Day (MGD):

2021 - 1.73 MGD | 2022 - 1.85 MGD | 2023 - 1.98 MGD

The average monthly flows in the first quarter of 2024 were considered high compared to previous years. This is likely due to moderate precipitation and growth. June 2024 set a high average monthly flow of 2.08 million gallons per day (MGD).

What Does this Tell Us?

The NWRF is permitted to treat 3.03 MGD, design for expansion is required at 80% (2.4 MGD) of permitted capacity and we must be in construction for an expansion at 95% (2.9 MGD) capacity. Based on current growth trends, we are 7-8 years out from our next expansion. As development becomes more dense, we could see that timeline shrink.

Annual Gallons Per Capita per Day (GPCD):

2021 - 58 GPCD | 2022 - 59 GPCD | 2023 - 53 GPCD

This graph depicts customer indoor water usage. The average daily usage per capita in the first quarter of 2024 was not unusual compared to previous years. In comparison, August 2022 had the highest usage at 67 GPCD, again due to intense rain.

What Does this Tell Us?

High precipitation events that flood streets have a major impact on inflows to the NWRF. This is primarily due to leakage into manholes. Overall usage per capita continues to be tempered by lower water using plumbing fixtures and newer, less prone to leakage, infrastructure.

Average Wastewater Daily Usage Per Capita

MONTHLY WEATHER DATA FOR BOULDER

National Oceanic and Atmospheric Administration (NOAA) & Natural Resource Conservation Service (NRCS)

NOAA is predicting below 40 – 50% below normal precipitation above normal temperatures July – September. This year's high precipitation is on display in the graph below. We had a generally average snowfall year and snowmelt is Erie's primary source of water supply.

HIGHLIGHTS

We continue to move forward to develop the North Water Treatment Facility design as well as Boulder Creek and Filly Lake supplies.

We also are continuing to work through water saving landscape standards.

The Utility Rate and Fee Study has an August 20 Study Session.

Precipitation

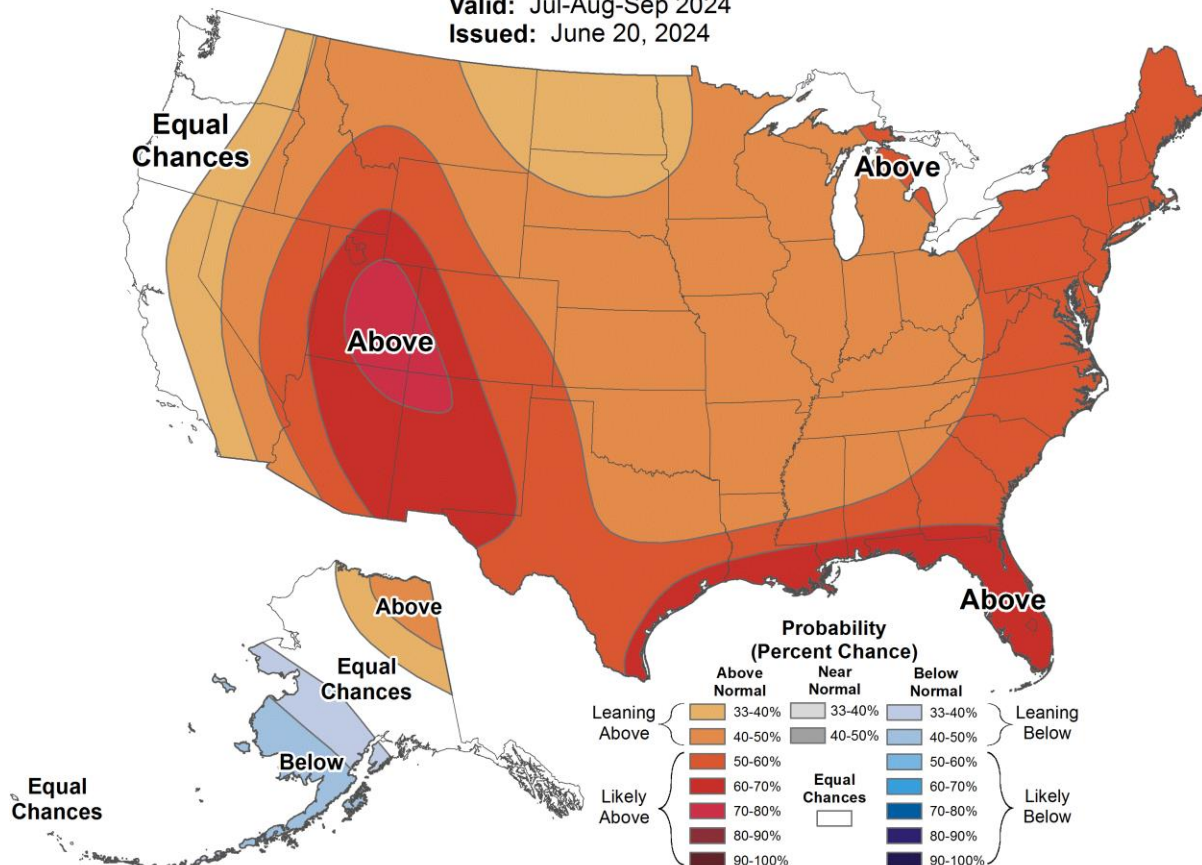

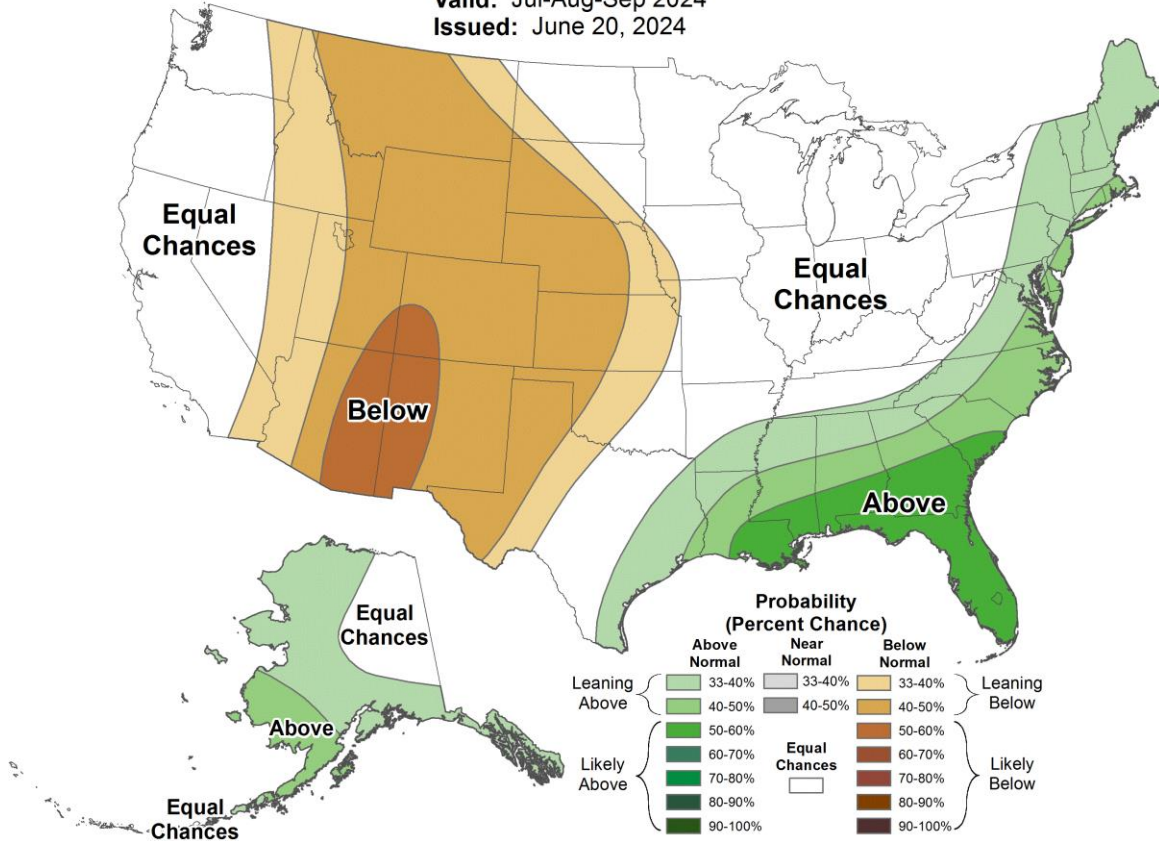

Mean Temperature

What Does this Tell Us?

Precipitation and temperature are the two most significant factors in irrigation season water demands. Tracking these demands over time helps us track demand patterns and also see factors that may influence demands and timing in water supplies and wastewater I&I.

Planning & Development Monthly Report - June 2024

DEPARTMENT: Planning & Development

PRESENTER(S): Sarah Nurmela AICP, Director of Planning & Development

STAFF RECOMMENDATION:
Informational Only

SUMMARY AND BACKGROUND OF SUBJECT MATTER:

The Planning & Development Monthly Report includes updates from all divisions within the Planning & Development Department, including Planning, Building, Housing and Transportation.

Updates and information include land use application and building permit activity as well as interdepartmental and intergovernmental efforts.

ATTACHMENT(S):

1. Planning & Development Monthly Report - June 2024

PLANNING & DEVELOPMENT MONTHLY REPORT

Review of June 2024

STAFF HIGHLIGHTS

- The Building Division staff toured a local truss manufacturing facility on June 27.
- The Transportation Division is now led by John Firouzi, Transportation and Mobility Manager, who joined the Town in June. He brings significant, highly relevant experience from both municipal and State positions in transportation planning and implementation.

PLANNING DIVISION

Current Planning

Land Use Applications

Planning had a total of 67 land use applications in process in June; the graph illustrates the breakdown of applications by type. The land use application project type details can be found in the Development Application List on the [Town website](#) along with a map of current projects.

*BOT review ** PC & BOT review *** PC review – Projects 25,000 square feet or greater

Note: Land use applications for Sketch Plan, Site Plan (under 25,000 square feet) and Final Plat are approved administratively. Projects within a PD zone district also have an administrative approval depending on their specific land use requirements.

Pre-Application Meetings

In addition to the land use applications listed above, Planning staff also meets with potential developers in pre-application meetings to discuss a concept or idea for development. Planning provides guidance on Code requirements and what formal land use applications apply. In June 2024, the Planning staff held 1 Pre-application meetings for the following projects/properties:

1. **Vista Ridge Filing 6** – Sanitary Sewer/Development Discussion

Strategic Planning

Elevate Erie

- Feedback received on land use scenarios from the Elevate Erie community engagement meetings is being used by staff to draft the Town’s future land use map using. The project website includes the scenarios information, past outreach summaries, and an opportunity to provide additional feedback or ask questions: <https://erieco.us/comp-plan-and-tmp>.

Multi-Department Projects

Other Town departments and other jurisdictions rely on the participation of Planning staff in their projects. Below is a list of the projects Planning participated in during June 2024.

- **Current Planning**
 - Current Planning and Development Review staff are using Central Square for land use application tracking and review processes and are working through necessary adjustments and process changes.
- **Long Range/Strategic Planning**
 - Stakeholders (PAC, TAC and Planning Commission) are reviewing Comprehensive Plan sections over the next month.
- **Economic Development and Interdepartmental**
 - Planning staff are assisting Public Works with necessary updates to the Floodplain Regulations, which will go to the Planning Commission and Town Council in early fall.

BUILDING DIVISION

Building Activity

- Building Division staff, specifically, Weslyn Korecky, Permit Coordinator and Joel Champagne, Deputy Building Official were instrumental throughout the expedited permitting and plan review process for the Cheesman Street Residences affordable housing project.
- The Central Square permitting software system and customer service portal have been up and running for a month. The software transition enhances our internal and external customer service and streamlines the permitting process. Customer service communications remain high but have reduced in frequency since the May 28 “Go-Live” date.

What's Going Up

- King Soopers at Nine Mile – late 2024 anticipated opening
- Town Hall Expansion and Renovation
- Valvoline Service Center
- Little Sunshine Playhouse (daycare)
- Chase Bank branch
- Westerly Amenity Center and Pool

Summary of this month's Permit and Inspection Activity:

- 214 Total Building Permits issued (2,304 YTD) – 48 re-roof permits (22% - 788 YTD) and 66 single-family dwellings (detached, attached, and townhomes - 499 YTD).
- 2,343 inspections performed – average 123 per business day | 25 per inspector per day: 5 inspectors.
- 69 Certificates of Occupancy issued - 68 Residential and 1 Commercial.

Commercial Project Permit Applications in Plan Review Queue:

- 431 Ambrose – Boulder Creek Builders Leasing Office
- 2920 Arapahoe Road – Valvoline Service Center
- 2950 Arapahoe Road – Chick-fil-A
- 720 Austin – Erie Animal Hospital
- 480 Cheesman – Children's World Montessori
- 680 Commons Drive – Bellco Credit Union

Projects in Support of other Town Departments

- Marcie Weatherly, Residential Plan Reviewer, continues to be the instrumental “problem-solver” throughout the implementation and “go-live” process for the new Central Square permitting software and customer service portal.

AFFORDABLE HOUSING DIVISION

- **Inclusionary Housing/Affordable Housing Impact Fee (IHO/AHIF)** – Staff met with several developers and the Home Builders Association (HBA) of Denver to receive input on the draft components of the Inclusionary Housing Ordinance, including a letter from the HBA. Staff is currently working with the Town Attorney to draft the ordinance and will be working with Town Council and the Planning Commission to refine the concepts.
- **Cheesman Street Residences** – The Entitlement and Development Agreement were approved in June – 35 building permits were issued in June. With this action the Town of Erie has exceeded its Proposition 123 3-year commitment (15 affordable homes). A groundbreaking celebration is planned in mid-July, starting formal outreach and marketing for interested buyers. A Homebuyers Workshop is scheduled Sept. 6 at the Erie Community Center. Application intake will start in December 2024 with first occupancy in early summer 2025 and full occupancy by December 2025.
- **Page Property** – Environmental consultants assessed environmental issues that may impact differing uses for the site. The project management team is collaborating on integration of a Parks facility with the full site infrastructure/site planning.
- **Erie Meadows** – Thistle (a local non-profit housing agency that works with manufactured home parks) is working with residents to explore the possibility of becoming a resident-owned community, if the current owner decides to sell the property.
- **Boulder County Regional Housing Partnership** – several initiatives are underway:
 - Data Dashboard – to track progress on the region’s goal of 12% affordable housing by 2035;
 - IGA with City of Boulder for monitoring and compliance of affordable housing units created;
 - Local Planning Capacity Grant – a regional effort to address the expedited permitting requirements of Proposition 123.

Division Leads

TRANSPORTATION DIVISION

- **RTD Annexation** – The RTD Board of Directors approved the resolution from Weld County that grants the Town of Erie permission to ask select voters (Erie residents in Weld County residing outside of RTD’s service boundary) whether to annex into the RTD or not. This question will be asked to those voters in this November’s election. The ballot question will be officially submitted to Weld County Clerk & Recorder before the July 28th deadline.
- **Transportation Mobility Plan (TMP)** – Town staff is continuing to review the TMP draft and making edits to the draft, projects lists, maps, policies and programs. Staff edits are expected to be completed in early July. The TMP consultant will then address staff comments prior to presenting to Council.
- **Flex Ride Service Plan Development** – Staff received the final report of the service plan from the consultants. The report provides a recommendation for the operations of the Flex Ride Service Plan

with alternative options for growth of the program. Staff will present the plan to Council in September. Staff is also working with Communications on the marketing and branding of the service.

- **JUMP Reroute & Extension** – Town staff and RTD staff made a site visit to identify new bus stops for the JUMP route extension to Erie High School. RTD engineering will confirm the locations are ideal for ADA compliance. Stop locations are along Erie Parkway at the cross streets of Powers, Briggs, Colliers Boulevard/Bonanza, Highland Boulevard and Weld County Road 5. A new terminal location will be in the Westerly development on Peach Avenue near Westerly Boulevard. Designing of the bus stops is anticipated to start this fall.
