Chairman Bottenhorn opened the Public Hearing for Resolution P18-07 at 6:37pm. This is a Resolution regarding the Dearmin Minor Subdivision Plat.

Senior Planner Hannah Hippely presented the Resolution to the Commission. The Dearmin Minor Subdivision is located north of and adjacent to Weld County Road 6 between County Road 5 and County Road 7. Currently, the property is unsubdivided land and the proposal simply creates a Tract and allows for the dedication of right-of-way adjacent to County Road 6. After the subdivision, the property will be labeled Tract A and the portion of land along County Road 6 would be dedicated to the Town. All public notice requirements have been met and staff is recommending approval of the Minor Subdivision Plat as outlined in the Resolution.

Commissioner Bottenhorn turned it over to the Commission for comments and questions of the applicants, Ryan Carlson and Heidi Majerik, and of staff.

Comments/questions were the following:

- the purpose of the plat
- future plan for this property
- access to the property/County Road 6

Staff noted there is a Type B Oil & Gas application for this tract.

Commissioner Fraser asked if future development proposals would fall under the UDC changes for Oil & Gas setbacks as its currently adopted. Staff confirmed that this would be the case.
