RE: ER1005.0.014.0A

Dear Ms. Palmer,

The Special Highway Committee has voted to approve your request for additional funding of \$68,000 for bridge rehabilitation project ER1005.0.014.0A. This amount is 80 percent of the additional costs contained in the low bid tendered to the Town of Erie to construct the project. The Committee action combines the previous award of \$159,200 for a project total of \$227,200.

I have copied CDOT bridge management on this additional award. Please continue to work with the Colorado Department of Transportation Region 4 office regarding completion of this project. Please let me know if you have additional questions.

Sincerely,

Mark Radtke
