

Erie High Booster Club is Proud to Announce the

Prom is April 14th, 2018

The Erie High School Booster Club's After Prom Committee, comprised of parents, has their planning efforts in full swing for the After Prom Party, which will immediately follow the dance.

The theme for this year is "**Post Prom Pajama Party**" and it will take place at Erie High School. This is a free, supervised event, designed to be a fun and safe alternative to other potential, post prom activities. We want to encourage students to attend by planning multiple, exciting games and activities for them to participate in, having several awesome prizes to give away and offering amazing food options. Some ideas we are working on include having a casino room, tag arena, multi-option food court, including a pancake bar, high dollar prizes and gift cards, scholarship giveaways, DJ, inflatables, caricature artists, and henna tattooing. We are excited to offer a drug and alcohol free event, designed to keep our community's kids safe while having fun and making memories with their friends.

We are asking for support from the local community to make this the most unforgettable After Prom Party yet!
