Table 5-1

T5. The first step in changing the form of government from Statutory to Home Rule is a ballot question. The ballot question asks voters to approve or reject the formation of a Home Rule Charter Commission. In that same election and on the same ballot, voters will also be asked to vote for residents to serve on the Home Rule Charter Commission. Knowing this information, if an election was held today, would you vote yes to approve the formation of a Home Rule Charter Commission and select members to serve on that commission, or would you vote no and reject it?
