

Erie Airport Economic Development Board

About Us

What

The Town of Erie passed the Ordinance No. 030-2020, establishing the EAEDB to promote economic development that is beneficial to the Town at the Erie Municipal Airport

Why

The Town believes it is in the best interest of the public health, safety and welfare to establish the advisory board

How

The ordinance shows the commitment of the BOT to the value of the Erie Airport

Member

These seven members represent a vast amount of experience in the areas of economic development and aviation

Jason Hurd
*Airport Manager
Board Liaison*

Brandon Bell
*Town Trustee
Board Liaison*

How Do We Help

The advisory board will provide written reports to the BOT in connection with matters relating to economic development, financial vitality and economic impact of the Erie Municipal Airport and related activities.

Current Actions

Support for a New Airport Entrance at Arapahoe Road and County Line

Erie Air Fair

Support for construction of a new terminal building, and/or rehab of existing structure

Support Economic Development and increased use by all citizens of Erie

New Airport Entrance

Rock Sol report with alternatives

Current State: AEDAB supports
Arapahoe connection to existing light

Requirements: Airport Layout Plan

Benefits of Arapahoe Entrance

New connection to existing Coal Creek trail and Downtown Erie

Provides the framework for a future business park and job creation

Aligns the airport with the future entrance into Erie through Parkdale

Recommendations

Erie Air Fair

Postponed to 9/10/23

Logistical delays

EEDC agreement with town

Long Term Building Lease - Terminal

Current terminal building in need of repair as identified in town report

Long term lease would provide incentive for improvements

Recent grant application for a new terminal was unsuccessful
