

**Town of Erie
Resolution No. 23-060**

**A Resolution of the Board of Trustees of the Town of Erie
Approving a Construction Contract with JOC Construction, LLC for
the Erie Community Center Pool Staircase Structural Repairs
Project**

Whereas, the concrete material of the staircase leading to the slide structure at the Erie Community Center pool is crumbling in multiple areas, and a large crack has formed in a support column due to the rusting and expansion of the rebar within the concrete caused by continuous exposure to water;

Whereas, two separate structural engineers determined that repairs are needed to address the current damage and prevent further deterioration; and

Whereas, staff determined JOC Construction, LLC, a vendor in the Town's Gordian Job Order Contracting program, is best suited to perform the repairs.

Now Therefore be it Resolved by the Board of Trustees of the Town of Erie, Colorado, that:

Section 1. The Construction Contract is hereby approved in substantially the form attached hereto, subject to approval by the Town Attorney. Upon such approval, the Mayor is authorized to execute the Construction Contract on behalf of the Town.

Adopted this 23rd day of May, 2023.

Justin Brooks, Mayor
