A maintenance plan should be prepared and submitted as part of the development review/approval process and be provided to the Business Association or District responsible for maintenance activities.

IV. IMPROVEMENT ACCEPTANCE

A. Construction Acceptance

No later than ten (10) days after improvements are substantially complete, Owner shall request of the Town Administrative Official an inspection by Erie. If Owner does not request this inspection within ten (10) days of completion of improvements, Erie may conduct the inspection without the approval of Owner. Owner shall provide Erie with complete “as-built” drawings in a form as defined in the Town of Erie Construction Standards and Specifications. If Owner has not completed appropriate residential phase or commercial phase improvements as provided for in this Agreement, Erie may exercise its right to secure performance as provided in Section IX.B of this Agreement. If improvements completed by Owner are satisfactory, the Town Administrative Official shall grant “construction acceptance”, which shall be subject to “final acceptance” as set forth herein. If improvements are not satisfactory, the Town Administrative Official shall provide written notice to Owner of the repairs, replacements, construction or other work required to receive “construction acceptance”. Owner shall complete all needed repairs, replacements, construction or other work within thirty (30) days of said notice, weather permitting. After Owner completes the repairs, replacements, construction or other work required, Owner shall request of the Town Administrative Official a re-inspection of such work to determine if construction acceptance can be granted, and Erie shall provide written notice to Owner of the acceptability or unacceptability of such work prior to proceeding to complete any such work at Owner's expense. If Owner does not complete the repairs, replacements, or other work required within thirty (30) days of said notice, Erie may exercise its rights to secure performance as provided in Section IX.B of this Agreement. Erie reserves the right to schedule re-inspections.

Additionally, for Common Facilities, the Owner shall include the Business Association, maintenance district, or final property owner in the final inspection procedures and provide Erie with written acceptance of the common facility for maintenance from this final owner.

B. Maintenance of Improvements

1. Warranty

Owner shall provide Erie with a minimum two (2) year warranty, from the

date of construction acceptance, on all Public Improvements and shall provide the two (2) year warranty to the final owner for the Common Facilities.

2. Maintenance of Improvements

For a two (2) year period from the date of “construction acceptance” of any public improvements related to the Development, Owner shall, at its own expense, take all actions necessary to maintain said public improvements and make all needed repairs or replacements which, in the reasonable opinion of Erie, shall become necessary, except that Erie shall be responsible for snow removal on public streets. If within thirty (30) days after Owner's receipt of written notice from Erie requesting such repairs or replacements, Owner has not completed such repairs, Erie may exercise its rights to secure performance as provided in Section IX.B of this Agreement.

C. Final Acceptance

At least thirty (30) days before two (2) years has elapsed from the issuance of “construction acceptance”, or as soon thereafter as weather permits, Owner shall request a “final acceptance” inspection in writing. The request shall be made to the Town Administrative Official. The Town Administrative Official shall inspect the public improvements and shall notify Owner in writing of all deficiencies and necessary repairs. After Owner has corrected all deficiencies and made all necessary repairs identified in said written notice, the Town Administrative Official shall issue to Owner a letter of “final acceptance”, as soon as reasonably possible thereafter. If Owner does not correct all deficiencies and make repairs identified in said inspection to Erie's satisfaction within thirty (30) days after receipt of said notice, weather permitting, Erie may exercise its rights to secure performance as is provided in Section IX.B of this Agreement. If any mechanic's liens have been filed with respect to the public improvements, Erie may retain all or a portion of the Improvement Guarantee up to the amount of such liens. If Owner fails to have public improvements finally accepted within two (2) years of the date of the issuance of construction acceptance or any public improvements are found not to conform to this Agreement, and applicable Town “Standards and Specifications for Design and Construction of Public Improvements,” then the Owner shall be in default of the Agreement and Erie may exercise its rights under Section IX.B of this Agreement.

D. Reimbursement to Erie

In the event it becomes necessary for Erie to complete the Public Improvements and/or Common Facility improvements due to the failure of Owner to complete said Public Improvements and/or Common Facility improvements, Erie may complete construction, repairs, replacements, or other work with funds other than the Improvement Guarantee, in which event Owner shall reimburse Erie within sixty (60) days after receipt of written demand and supporting documentation from the Town Administrative Official. If Owner fails to so reimburse Erie, then Owner shall be in default of this Agreement and Erie may exercise its rights under Section IX.B of this Agreement.

V. IMPROVEMENT GUARANTEE

A. Public Improvement and Common Facilities Schedule

Owner has submitted the certified Public Improvement and Common Facilities Schedule shown as “Exhibit B” attached hereto and incorporated herein by reference. Said exhibit generally identifies those public improvements to be furnished, installed or constructed relative to the Development. Omission of any improvement from “Exhibit B” does not relieve Owner from responsibility for furnishing, installing or constructing such improvement. The Owner shall list all Common Facilities separately and subtotal separately on “Exhibit B.”

B. Improvement Guarantee

Owner shall submit to Town Administrative Official an Improvement Guarantee for all public improvements for the Final Plat. Said guarantee may be in cash or a letter of credit in form and substance.

1. Said guarantee, if a letter of credit, shall not expire during the winter season (November 1 - March 1). Said Improvement Guarantee shall include, but not be limited to, street, curb, gutter, sidewalks, landscaping, fencing, street lights, water, sewer, storm sewer and drainage improvements, trails and park improvements on or off the Development.
2. The total amount of the guarantee for the Development shall be calculated as a percentage of the total estimated cost including labor and materials of all public improvements to be constructed in the Development as described on “Exhibit B.” The total minimum amounts are as follows:
 - a) Prior to commencement of construction of public and Common Facilities improvements: 115% of the amount(s) shown on “Exhibit B.” The guarantees will be provided on a phased basis as shown on “Exhibit B.”
 - b) Upon “substantial completion construction acceptance” of the public improvements in each phase through “final acceptance”: 25% of the amount(s) shown on “Exhibit B.” The Town will release the guarantees for the wet utilities separate from the roadway improvements on a phased basis as shown on “Exhibit B.”
 - c) Upon “substantial completion construction acceptance” of common facilities: 0%.
 - d) After Final Acceptance of Public Facilities: 0%.
3. In addition to any other remedies it may have, Erie may, at any time prior to Final Acceptance, draw on any letter of credit or Improvement Guarantee received pursuant to this Agreement.

In the event that, a) the Owner fails to extend or replace the letter of credit at least sixty (60) days prior to expiration of such letter of credit, b) the letter of credit is set to expire, c) Erie receives notice that the letter of credit will not be renewed, d) the entity issuing the letter of credit becomes non-qualifying, or e) the letter of credit, in the sole determination of Erie, is at risk of being lost as a guarantee, then, in any of these events, the Owner shall be in default of this Agreement and Erie may immediately draw on the letter of credit for the full amount of the letter of credit. In such event as identified herein, no notice or prior notice shall be required prior to drawing on the letter of credit.

The Town may hold the funds obtained from the letter of credit until the Public Improvements and Common Facilities as set forth on “Exhibit B” are completed and accepted by the Town. In the event the Public Improvements and Common Facilities are not completed by the Owner within the time period set forth in this Agreement or in the manner as required by this Agreement, the Town may, at its sole discretion, use any or all of the funds to complete some or all of the Public Improvements and Common Facilities. In any event, the Town shall have no obligation to complete any or all of the Public Improvements and Common Facilities. Owner is further subject to the provisions of Section IX.B of this Agreement, as well as the suspension of development activities by Erie including, but not limited to, the withholding of building permits and certificates of occupancy.

In the event that the cost of the Public Improvements and Common Facilities and construction is reasonably determined by Erie to be greater than the amount of the security guarantee provided by the Owner to the Town, then Erie shall furnish written notice to Owner of the condition, and within thirty (30) days of receipt of such notice Owner shall provide Erie with a substituted qualifying Improvement Guarantee, or augment the deficient security as necessary to bring the security into compliance. If Owner fails to provide Erie with a substituted qualifying Improvement Guarantee, or augment the deficient security as necessary to bring the security into compliance, then Owner is in default of this Agreement, without further notice, and is subject to the provisions of Section IX.B of this Agreement, as well as the suspension of development activities by Erie including, but not limited to, the withholding of building permits and certificates of occupancy.

4. If Erie draws on the letter of credit to correct deficiencies or complete Public Improvements and Common Facilities, any portion of said guarantee not utilized in correcting the deficiencies and/or completing improvements shall be returned to Owner within thirty (30) days after Final Acceptance of said Public Improvements and Common Facilities.

Nothing contained in this Agreement shall operate to create an obligation on the part of Erie to pay or reimburse any costs to Owner in the event such costs are not recovered by Erie as contemplated herein, for any reason, from the properties or property owners that use the utilities or public improvements, so long as Erie has made a good faith effort to recover such costs.

If Owner does not abate said nuisance, Erie may abate the nuisance and/or correct any drainage or injury without notice to Owner, at Owner's expense. Owner also agrees to take any and all reasonable steps necessary to prevent the transfer of mud or debris from the construction site onto public rights-of-way and to immediately remove such mud and debris from public rights-of-way after notification by Erie.
