

**TOWN OF ERIE – MOFFAT STREET EXTENSION &
BRIDGE OVER COAL CREEK
PUBLIC OPEN HOUSE
DECEMBER 6, 2017 5:00 – 6:30 PM**

COMMENT SHEET

Please provide your input on the following topics to assist us with this project:

1. I live in:
 - ☐ Historic Downtown Erie
 - ☒ Colliers Hill
 - ☐ Erie Highlands
 - ☐ _____
2. I spend time in the following locations:
 - ☒ Historic Downtown Erie
 - ☐ Coal Creek Park
 - ☒ Colliers Hill
 - ☐ None of these locations
3. Do you use Coal Creek Trail?
 - ☒ Yes
 - ☐ No
4. This project will provide connection between the Coal Creek Trail and the extension of Moffat Street. Is this a connection you might use?
 - ☒ Yes
 - ☐ No
5. What amenities would you like to see on or near the trail connection or trail area (select two):
 - ☒ Bench
 - ☒ Directional Map
 - ☒ Dog Pick-up Bags
 - ☐ Emergency Call Box
 - ☒ Lighting
 - ☐ Resting Pull-off Area
 - ☐ _____
6. What aesthetic elements should be considered for the Moffat Street bridge over Coal Creek:
 - ☒ Lighting on the bridge
 - ☐ Ornamental Fencing/Railing
 - ☒ Concrete Texture/Patterns
 - ☒ Town Monument Pillars at Bridge Abutments
 - ☐ _____
7. What do you think is the primary benefit of extending Moffat Street (please select one):
 - ☒ Provide connection between neighborhoods
 - ☐ Increase patronage at Downtown businesses and restaurants
 - ☐ Increased access to current park and trails
 - ☐ Provide access to future transportation connections
 - ☐ Provide additional emergency access
 - ☐ _____
8. Please provide any additional comments, concerns or information you wish to be considered.

I believe this project is integral in connecting the community through its growth, versus continuing to grow + disconnect.

 - ☐ Increased access to current park and trails
 - ☐ Provide access to future transportation connections
 - ☐ Provide additional emergency access
 - ☐ _____

8. Please provide any additional comments, concerns or information you wish to be considered.
We've lived in Colliers Hill for about a year, and love riding bikes to old town with my our two young
children. Adding this bridge/trail would make this much easier and safer, especially as my kids get old
enough to start making the trip on their own. Making it easier for residents to get to old town will in
turn add emphasize to its importance as Erie grows and hopefully allow this town to keep/build its
character and avoid turning into a strip-malled, milk-toast bedroom community.

 - ☐ Provide access to future transportation connections *increases*
 - ☐ Provide additional emergency access
 - ☐ _____
- Please provide any additional comments, concerns or information you wish to be considered.

The map presented at the community center did not address the impact of additional traffic between Briggs and C&D on my neighborhood - If we must do this please think about traffic light at moffat and Briggs and a light at C&D and moffat - Also consider making moffat 1 way going East and Balcony going 1 way west - If we want old town Erie to be safe please consider.

Please make this change! I would LOVE this road and would use it daily. I work remotely in Collier's Hill and better access to Coal Creek would mean I could ride my bike or more quickly get my car into town for lunch breaks, picnics at the park, or down town events. I would recommend the road be wide enough for a bike lane or for cars to park on the side of the road. This would improve congestion/parking for large scale events in old town such as the Halloween Trunk or Treat, Parades or Farmers Market!

WE LIVE IN COLLIERS FOR 3yrs now. Vists Ridge for 10 yrs prior. Grandma lives in old town! This would be a great safe connection for kids to go to old town connection w/ old town for many. Provide alternate in/out at the many town events.

 - ☒ NO BENEFIT
9. Please provide any additional comments, concerns or information you wish to be considered.
THIS IS SUCH AN EXCESSIVE & UNNECESSARY PROJECT - THERE ARE ALREADY 2 ENTRY POINTS INTO DOWNTOWN. WE HAVE QUIET NEIGHBORHOODS & IT'S A GREAT LITTLE AREA. WE AREN'T AGAINST CHANGE & THINK A PED. TRAIL UP TO COLLIER'S HILL WOULD BE GREAT. ALSO, THE OPEN SPACE IS SUCH AN IMPORTANT & APPRECIATED PLACE - DON'T RUIN IT!

9. Please provide any additional comments, concerns or information you wish to be considered.

I'm really disappointed that there is no
representation for old town residents
we need less lighting - too much lighting pollution w/
current excel bulbs

 - ☐ _____
2. I spend time in the following locations:
 - ☒ Historic Downtown Erie
 - ☒ Coal Creek Park
 - ☐ Colliers Hill
 - ☐ None of these locations
3. Do you use Coal Creek Trail?
 - ☒ Yes
 - ☐ No
4. This project will provide connection between the Coal Creek Trail and the extension of Moffat Street. Is this a connection you might use?
 - ☒ Yes
 - ☐ No
5. What amenities would you like to see on or near the trail connection or trail area (select two):
 - ☐ Bench
 - ☐ Directional Map
 - ☐ Dog Pick-up Bags
 - ☐ Emergency Call Box
 - ☐ Lighting
 - ☐ Resting Pull-off Area
 - ☐ _____
6. What aesthetic elements should be considered for the Moffat Street bridge over Coal Creek:
 - ☐ Lighting on the bridge
 - ☐ Ornamental Fencing/Railing
 - ☐ Concrete Texture/Patterns
 - ☐ Town Monument Pillars at Bridge Abutments
 - ☐ _____
8. What do you think is the primary benefit of extending Moffat Street (please select one):
 - ☐ Provide connection between neighborhoods
 - ☐ Increase patronage at Downtown businesses and restaurants
 - ☐ Increased access to current park and trails
 - ☐ Provide access to future transportation connections
 - ☐ Provide additional emergency access
 - ☐ _____

9. Please provide any additional comments, concerns or information you wish to be considered.

*As residents of Moffat St
we are opposed to making our neighborhood
into a major thoroughfare. The amount
of traffic will destroy the character of
this historic area.*

COMMENT SHEET

Please provide your input on the following topics to assist us with this project:

1. I live in:
 - ☒ Historic Downtown Erie
 - ☐ Colliers Hill
 - ☐ Erie Highlands
 - ☐ _____
2. I spend time in the following locations:
 - ☒ Historic Downtown Erie
 - ☒ Coal Creek Park
 - ☐ Colliers Hill
 - ☐ None of these locations
3. Do you use Coal Creek Trail?
 - ☒ Yes
 - ☐ No
4. This project will provide connection between the Coal Creek Trail and the extension of Moffat Street. Is this a connection you might use?
 - ☐ Yes
 - ☒ No
5. What amenities would you like to see on or near the trail connection or trail area (select two):
 - ☒ Bench
 - ☒ Directional Map
 - ☒ Dog Pick-up Bags
 - ☐ Emergency Call Box
 - ☐ Lighting
 - ☐ Resting Pull-off Area
 - ☐ _____
6. What aesthetic elements should be considered for the Moffat Street bridge over Coal Creek:
 - ☐ Lighting on the bridge
 - ☐ Ornamental Fencing/Railing
 - ☐ Concrete Texture/Patterns
 - ☐ Town Monument Pillars at Bridge Abutments
 - ☐ NO BRIDGE, NO ROAD
7. WILL THE ROAD RUIN A BEAUTIFUL OPEN SPACE?
 - ☒ YES
 - ☐ NO
8. What do you think is the primary benefit of extending Moffat Street (please select one):
 - ☐ Provide connection between neighborhoods
 - ☐ Increase patronage at Downtown businesses and restaurants
 - ☐ Increased access to current park and trails
 - ☐ Provide access to future transportation connections
 - ☐ Provide additional emergency access
 - ☐ NO BENEFIT

9. Please provide any additional comments, concerns or information you wish to be considered.

- ° PLEASE DO NOT BUILD A ROAD TO COLLIER'S HILL. THIS IS OLD TOWN OPEN SPACE AND WE SHOULD KEEP IT THAT WAY. I'VE SPOKEN TO DOZENS OF OLD TOWN AND COLLIER'S HILL RESIDENTS AND NOT ONE WAS IN FAVOR OF THE ROAD. DEVELOP THE OPEN SPACE, BUILD A BIKE PATH. INSTALL BENCHES. WE CAN DO BETTER!!
- ° THE ROAD WILL INCREASE TRAFFIC INTO QUIET NEIGHBORHOODS AND WILL ONLY SAVE APPROXIMATELY 3 MINUTES FROM COLLIER'S HILL TO OLD TOWN. UNNECESSARY!!

Build the bridge!
The bridge will help sold town empty faster after an event.
Good for downtown biz.
safer for kids.

With this increased traffic into old town. please consider changing the speed limit in old town and on Briggs to a much lower speed. I live on Briggs and it is already so dangerous. no police ever pull anyone over on this street with the war school preschool and so many people walking - adding more cars is so dangerous. please add police patrol more to enforce the lower speeds.

9. Please provide any additional comments, concerns or information you wish to be considered.

The argument I hear against this is that CH residents will use this as a highway through town. Not a single resident I have spoken with feels this whatsoever. CH residents just want quick & easy access to Old Town to maybe help jumpstart its growth. There is NO reason to not build this bridge.

I LIVE IN COLLIER HILL. FROM MY HOUSE TO MOFFAT + BRIGGS ST. TAKES ME 4 MIN + 30 SECONDS. I PREDICT THE MOFFAT ST EXTENSION WILL SAVE ME 2 MINUTES OR SO OF DRIVE TIME. IS THAT WORTH THE MILLIONS OF DOLLARS IT WILL COST? WHERE THE EXTENSION INTERSECTS WITH COLLIER BLVD. WILL BE DANGEROUS IF NOT MOVED AS FAR SOUTH AS POSSIBLE. SEE COST

We go downtown often but almost always drive. With this trail
connection we would walk to events, go downtown more often, and
there would be one less car on the road.

Bridge is a fabulous plan. Connect old with new
and PLEASE preserve the historic character of
downtown. Erie is not preserving its history or
buildings the way it should. More thought needs to be
given in this area.

COMMENT SHEET

Please provide your input on the following topics to assist us with this project:

1. I live in:
 - ☐ Historic Downtown Erie
 - ☒ Colliers Hill
 - ☐ Erie Highlands
 - ☐ _____
2. I spend time in the following locations:
 - ☒ Historic Downtown Erie
 - ☐ Coal Creek Park
 - ☒ Colliers Hill
 - ☐ None of these locations
3. Do you use Coal Creek Trail?
 - ☐ Yes
 - ☒ No
4. This project will provide connection between the Coal Creek Trail and the extension of Moffat Street. Is this a connection you might use?
 - ☐ Yes
 - ☐ No
5. What amenities would you like to see on or near the trail connection or trail area (select two):
 - ☒ Bench
 - ☐ Directional Map
 - ☐ Dog Pick-up Bags
 - ☐ Emergency Call Box
 - ☒ Lighting
 - ☐ Resting Pull-off Area
 - ☐ _____
6. What aesthetic elements should be considered for the Moffat Street bridge over Coal Creek:
 - ☒ Lighting on the bridge
 - ☒ Ornamental Fencing/Railing
 - ☐ Concrete Texture/Patterns
 - ☐ Town Monument Pillars at Bridge Abutments
 - ☐ _____

9. Please provide any additional comments, concerns or information you wish to be considered.

Because of the influx of traffic directed into Old Town it would be beneficial to turn Moffat into a one way street east ~~from county line~~ from county line to Briggs - easiest for police calls into Colliers Hill neighborhood and turn Balcom Street into a one way going west from Briggs to WCR. The route may discourage too many extra drivers without the need for road widening/congestion.

 - ☐ Provide additional emergency access
 - ☒ I see no benefit

9. Please provide any additional comments, concerns or information you wish to be considered.

Added traffic on Moffat street would destroy the abiance that Erie enjoys. It would lead to congestion of Downtown Erie and lessening of the quality of life that makes Erie a desirable place to live. Household pets and school children from greater traffic in the area which a bridge in that area would bring. The road which is the extension North and East of Briggs is a lovely passageway and if it is felt that too few know of this, I suggest that attention be placed

Thank you for your attendance and input.

I was unable to attend the meeting discussing this proposal, and I realize that this has already been approved. I have heard some of your plans from neighbors, and I'm hoping that my comments may still be considered.

I live on Moffat Street. The increase in traffic, noise, and people over the last 3 years has been difficult to adjust to. Cars and trucks already speed on this road without any noticeable deterrence by law enforcement. If you encourage even more traffic into the heart of downtown, an even greater muddle will arise. And providing "easier access" to the schools at the west end of Moffat by routing the traffic through downtown is sheer absurdity.

It is my opinion that, at this time, the downtown Entertainment District is not large enough to accommodate all of the people you are trying to draw.

I would like to see:

- * a Moffat Street extension/bridge for pedestrians/bikes only
- * a change of Moffat Street to one-way, eliminating the need to widen it
- * parking lots for cars well outside of the Entertainment District to encourage foot traffic and bikes
- * more bike parking accommodations downtown

Thank you for your consideration of these thoughts.
