Owner has submitted the certified Public Improvement and Common Facilities Schedule shown as "Exhibit B" attached hereto and incorporated herein by reference. Said exhibit generally identifies those Public Improvements to be furnished, installed or constructed relative to the Development. The Owner shall list all Common Facilities separately and subtotal separately on "Exhibit B."

B. Improvement Guarantee

Owner shall submit to Town Administrative Official an Improvement Guarantee for all Public Improvements for the Final Plat. Said guarantee may be in cash or a letter of credit in form and substance.

 - c) Upon Construction Acceptance of Common Facilities: 0%.
 - d) After Final Acceptance of Public Improvements: 0%.
3. In addition to any other remedies it may have, Erie may, at any time prior to Final Acceptance, draw on any letter of credit or Improvement Guarantee received pursuant to this Agreement.

In the event that, a) the Owner fails to extend or replace the letter of credit at least sixty (60) days prior to expiration of such letter of credit, b) the letter of credit is set to expire, c) Erie receives notice that the letter of credit will not be renewed, d) the entity issuing the letter of credit becomes non-qualifying, or e) the letter of credit, in the sole determination of Erie, is at risk of being lost as a guarantee, then, in any of these events, the Owner shall be in default of this Agreement and Erie may immediately draw on the letter of credit for the full amount of the letter of credit. In such event as identified herein, no notice or prior notice shall be required prior to drawing on the letter of credit.

The Town may hold the funds obtained from the letter of credit until the Public Improvements and Common Facilities as set forth on "Exhibit B" are completed and accepted by the Town. In the event the Public Improvements and Common Facilities are not completed by the Owner within the time period set forth in this Agreement or in the manner as required by this Agreement, the Town may, at its sole discretion, use any or all of the funds to complete some or all of the Public Improvements and Common Facilities. In any event, the Town shall have no obligation to complete any or all of the Public Improvements and Common Facilities. Owner is further subject to the provisions of Section X.C of this Agreement, as well as the suspension of development activities by Erie including, but not limited to, the withholding

of building permits and certificates of occupancy.

In the event that the cost of the Public Improvements and Common Facilities and construction is reasonably determined by Erie to be greater than the amount of the security guarantee provided by the Owner to the Town, then Erie shall furnish written notice to Owner of the condition, and within thirty (30) days of receipt of such notice Owner shall provide Erie with a substituted qualifying Improvement Guarantee, or augment the deficient security as necessary to bring the security into compliance. If Owner fails to provide Erie with a substituted qualifying Improvement Guarantee, or augment the deficient security as necessary to bring the security into compliance, then Owner is in default of this Agreement, without further notice, and is subject to the provisions of Section X.C of this Agreement, as well as the suspension of development activities by Erie including, but not limited to, the withholding of building permits and certificates of occupancy.

4. If Erie draws on the letter of credit to correct deficiencies or complete Public Improvements and Common Facilities, any portion of said guarantee not utilized in correcting the deficiencies and/or completing improvements shall be returned to Owner within thirty (30) days after Final Acceptance of said Public Improvements and Common Facilities

Nothing contained in this Agreement shall operate to create an obligation on the part of Erie to pay or reimburse any costs to Owner in the event such costs are not recovered by Erie as contemplated herein, for any reason, from the properties or property owners that use the utilities or Public Improvements, so long as Erie has made a

good faith effort to recover such costs.

The following examples compare the tax impacts between a property within the boundaries of a District levying an annual ad valorem property tax mill levy of 50 mills, and a property not within the boundaries of a District. This example is based on a single-family residence on a property with an Actual Value (as determined by the County Assessor) of \$300,000.
