(2)Assuming 2 Regular Meetings and 1 to 2 Work Sessions per month, averaging 4 hours per each meeting.							
(3) Because this figure is a negative number, it reflects the Board's schedule is overloaded. However, the regular meeting time deficit can be covered by the contingency, and the Work Session deficit can be covered by having additional Work Sessions. Additionally, as the year progresses, the Board may need to revisit the Work Plan and reprioritize to defer lower priority issues.							
(4) 1= Inform, 2= Consult, 3=Involve, 4=Collaborate, 5=Empower. See "A Strategic Framework for Public Engagement".
