Re: Exclusion of Property from Left Hand Water District

Dear _____:

This letter is being sent to inform you that the Town of Erie is planning to file a petition in Boulder County District Court to exclude the property located at [property address and Boulder County Parcel #] from the Left Hand Water District. The purpose of this exclusion process is to avoid overlapping services between Erie and Left Hand Water District, and to eliminate any confusion as to whether your property is subject to Left Hand Water District's jurisdiction. Erie's records indicate that you are already receiving water service from Erie, and that service will not be affected by this exclusion process.

If you have any questions or concerns, please contact our office at your earliest convenience.

Sincerely,

TOWN OF ERIE
