Projects

Land Use Applications

In April 2021, Planning had a total of 65 land use applications in process; below is the breakdown of applications by type. In April 2021, 10 new land use applications were submitted to Planning. The land use application project type details can be found in the Development Application List on the Development Review page.

<https://www.erieco.gov/329/Development-Review>

PLANNING DIVISION

Pre-Application Meetings

In addition to our formal land use applications listed above, the Planning staff often meets with potential developers in pre-application meetings to discuss a concept or idea for development and Planning provides guidance on our Code requirements and what formal land use applications the developer should apply for. In April 2021, the Planning staff held 7 Pre-application meetings for the following projects/properties:

1. 4215 124th Street – Dubois Annexation
2. Erie Exchange – Commercial development at the southeast corner of I-25 and Erie Parkway
3. Morgan Hill – HOA pool facility
4. Nine Mile – King Soopers concept plan
5. Nine Mile – UC Health medical facility/urgent care concept plan
6. Railbike – Concept plan for railbike recreational use on RTD owned railroad line
7. Vista Ridge – Commercial development concept in King Soopers parking lot

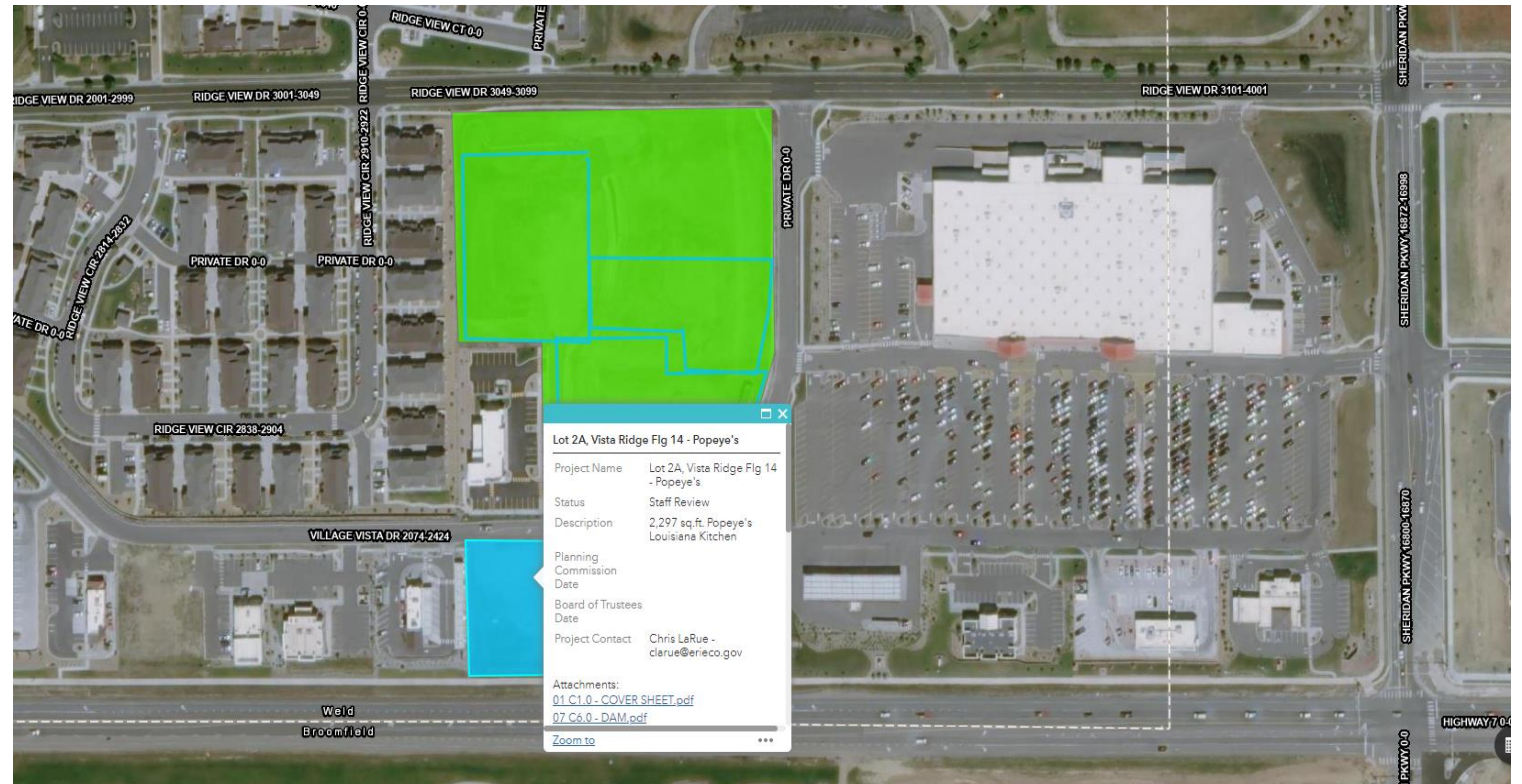

PLANNING DIVISION

Administrative Approval of Site Plans

The majority of Site Plan applications that are submitted to the Town are reviewed and approved Administratively. In April 2021, the Planning & Development Director approved 2 Administrative Site Plans and 1 Site Plan Amendment. Please reference our Development Activity Map for full details of the project. This is the link to the Development Activity Map <https://town-of-erie-co-new-site-erieco.hub.arcgis.com/app/2f2f822f322b48eca7ea9c778d300a03>

Administrative Approvals:

1. Canyon Creek PD Amendment No. 10 – minor amendment to a setback in Canyon Creek Filing 7
2. Vista Ridge – Site Plan for Popeye's

PLANNING DIVISION

Land Use Referrals from Broomfield County, Boulder County, Weld County

In addition to the Town's land use application reviews, Planning receives land use application referrals from Broomfield County, Boulder County and Weld County. In April 2021, Planning received 3 outside referrals for review and comment. Below, is a breakdown of the number of referrals by jurisdiction.

PLANNING DIVISION

Special Updates

Town Website

Here is a link to the Planning Division pages on the Town website <https://www.erieco.gov/111/Planning-Division> The Planning provides a variety of accessible resources to the public and our development community to address the Board of Trustees priority to provide Effective Governance. The April updates to the Planning Division webpage include:

Planning's interactive Development Activity Map is continually being updated with new and revised land use applications that we have in process. The map can be found using the following link <https://town-of-erie-co-new-site-erieco.hub.arcgis.com/> When you click on the project shape on the map it pulls up an information block and all the land use application materials that have been submitted by the applicant. Additionally, projects that have recently been approved and have started construction are left on the page until they are completed.

UDC Amendment Phase 2

Planning staff is working on the Phase 2 edits to the Unified Development Code. The focus of Phase 2 will be Chapters 4 – Dimensional Standards, 6 – Development and Design Standards, 7 – Review and Approval Procedures, 9 – Non-Conformities, 11 - Definitions and a separate, illustrated Development Design Standards document.

PLANNING DIVISION

2021 Comprehensive Plan Amendment

The top priority for the Board of Trustees for 2021 is to begin a major amendment to the Town's Comprehensive Plan. A Request for Proposal (RFP) to hire an outside consulting group to lead the Town through the Comprehensive Plan process was issued on the Rocky Mountain E-Purchasing website on March 12th. The proposal submittal deadline was April 22nd; the Town received 5 proposals. Ten members of the Technical Advisory Committee (TAC) reviewed and ranked the proposals. The top 3 consulting groups proposals are being interviewed by TAC, Planning Commission and the Board of Trustees on May 18th. After ratings are tallied, the top scoring consulting group will be awarded a contract with the Town to be approved at the June 22nd Board of Trustees meeting.

DOLA Grant

In April 2021, Planning staff drafted an Energy/Mineral Impact Assistance Fund Grant (EIAF) application for work on a Comprehensive Plan Amendment that was approved for submittal to DOLA in February. The Town requested \$200,000 matching funds from the Department of Local Affairs (DOLA). On May 11th, the Town was issued an award letter for \$100,000 from DOLA. The contract for the award will need to be executed before the Town can begin work on the Comprehensive Plan update. DOLA has indicated the award letters are typically fully executed mid-summer.

PLANNING DIVISION

Projects in Support of Other Departments & Jurisdictions

Other Town departments and other jurisdictions rely on the participation of Planning staff in their projects. Below is a list of the projects Planning has been involved with in April 2021.

Administration:

- Oil/Gas Public Information/Notices; Setbacks

- Boulder Valley School District IGA – 10-year renewal

- St. Vrain Valley School District IGA – 10-year renewal

Economic Development:

- Marijuana Regulations

Interdepartmental

- SOLVE Process Mapping

- Partners in Energy - PIE

Parks:

- Coal Creek Park – Construction Plans

- Wireless Communication Facility at Erie Community Park

PLANNING DIVISION

Projects in Support of Other Departments & Jurisdictions (cont.)

Public Works:

- Colorado Department of Transportation (CDOT) Highway 52 Planning and Environmental Linkages (PEL) Study and Access Control Plan (ACP)

- Town Drought and Water Supply Shortage Plan

- Growing Water Smart Workshop

- Town Facilities Master Plan

- Sustainability Evaluation Process of Existing Code/Master Plans

- Town Recycling Center improvements

Staff Updates

Planning continues to experience a high volume of work in April 2021. Below are Planning staff updates.

Senior Planners Audem Gonzales, Chris LaRue and Shannon Moeller: The senior planners all participated in the Technical Advisory Committee (TAC) review of the proposals for work on the Comprehensive Plan update. Their participation is greatly appreciated.

ENGINEERING DIVISION

Projects

Current Land Use projects under review:

Project Name	Project Description	Planner	Engineer	Project Status
Parkdale PP No. 2, Flg 3	Residential - 204 lots	AG	CS	Referral Review
Town Of Erie, Lots 1-4, Block 12	Echo Brewing - 7,691 sq.ft. addition	AG	CS	Ready for BOT
Canyon Creek Filing 7 & 8 - PP	Flg 7 - 109 Res Lots/Flg 8 - 88 Paired Homes	CL	CS	Scheduled for BOT
Erie Air Park Replat D	5 Light Industrial/Hangar Bldgs - 10.340 acres	CL	CS	Referral Review
Coal Creek Center, Lot 11	One Story Retail Shell Building	AG	TB	Approved, Awaiting Fees
Parkdale - Masters Addition	Annexation - 15 acres	AG	CS	Referral Review
Erie Commons Filing 4, 4th Amendment	4 Commercial Lots/1 Lot for Residential	CL	TB	Scheduled for BOT

- US287 Bus Rapid Transit Feasibility Study – Boulder County – DP
- SH7 Preliminary Corridor Design – CDOT - CS/TF
- County Line Road Master Plan (North of Cheesman) – Boulder County - CS
- SH52 PEL – CDOT – DP
- US287 and Isabelle – Boulder County/CDOT – WP
- SW Weld County and Boulder County Subregional DRCOG Forums – DP

ENGINEERING DIVISION

Staff Updates

The Engineering Department continues to operate exceptionally well. Below I have outlined some updates and some much deserved recognition for the Engineering team:

Updates:

Two new staff members have started in the Engineering Department: Kevin Spencer, Traffic Engineer, and Sam Hertel, Construction Inspector. The Engineering Department is excited to have them on board and be fully staffed! We have no doubt that they will be excellent contributors to the Town.

Chad Schroeder – Chad has done an excellent job of filling the vacant inspector position. Chad has also done an excellent job of helping to navigate a possible COVID exposure in the Town. Chad also did an excellent job of mapping out the road work to expect over the course of construction season so the Town, the Board of Trustees, and the residents can be effectively informed!

Tyler Burhenn – Tyler took his PE exam last month! We are excited to hear the results and likely having another PE on our team!

Wendi Palmer – Wendi has been moving a lot of high priority projects forward in to design and construction. She has been a true professional in handling of all of these projects. She has also been in constant coordination with Boulder County with the Isabelle/US287 Project to ensure we are making informed decisions for the Town to minimize impact to the Town and the residents.

Zach Ahinga – Zach has kicked off the Town Center Roundabouts project and is also pursuing a grant for funding of construction.

Jesse Ascunce – Jesse has been asked by several departments recently to develop various new maps for the Town. This has all had varying degrees of difficulty, but Jesse and Daniel have been true professionals in their response. They have tackled this new workload with excitement and passion.

Jason Mraz and Corey Kuehner – Jason and Corey have been doing an outstanding job managing an increased work load with Dave Noell having retired until we can bring a new inspector on to the team. They continue to be outstanding people and the hardest of workers!

GEOGRAPHIC INFORMATION SYSTEMS DIVISION

GIS Projects

- **Oil & Gas Setback maps**
 - GIS is coordinating with Malcolm and Fred to create O&G setback maps that will assist in illustrating those properties which will NOT be subject to modified setbacks with future ordinances. We will be researching historic approvals of PP, FP, and Minor Subdivisions prior to May 4th, 2018. Identifying these properties will help us to also identify properties which WILL be subject to new setbacks. GIS has been given the due date of May 13th.

GEOGRAPHIC INFORMATION SYSTEMS DIVISION

GIS Projects

- Oil & Gas Setback maps

Town of Erie Oil & Gas:
All Setbacks From Plugged and Abandoned
& Dry and Abandoned Wells

Legend

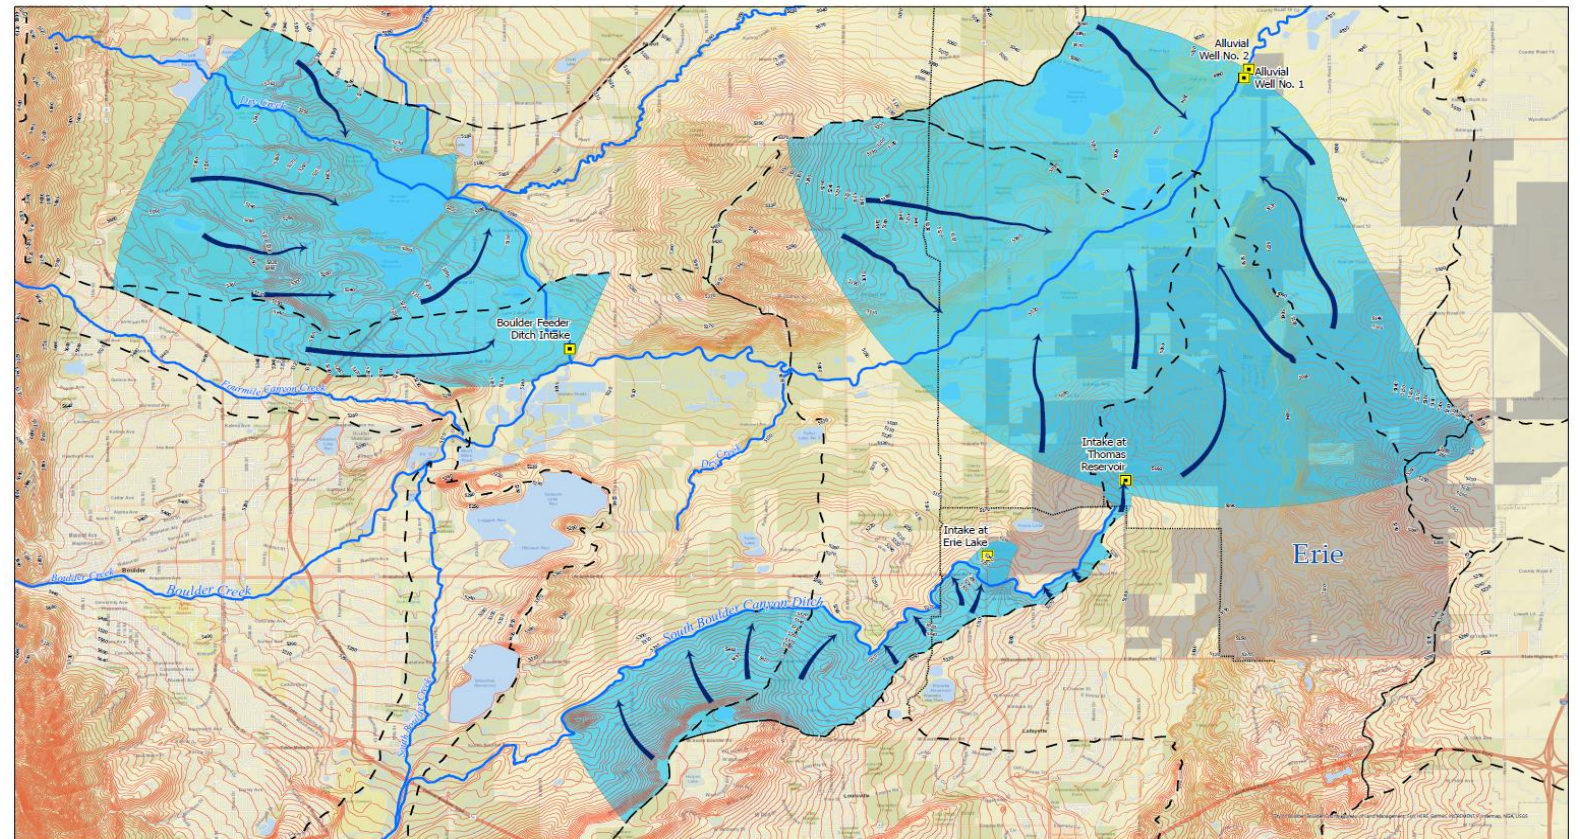

- Plugged & Abandoned Well
- Erie Boundary
- 250 ft Setback
- 500 ft Setback
- 1000 ft Setback

0 1,000 2,000 4,000 Feet
*ODGCC Well Site Data is current as of 4/18/2021

GEOGRAPHIC INFORMATION SYSTEMS DIVISION

- **Watershed Protection Areas**

- Map was prepared for Town Attorney seeking to define areas to be protected for drinking water. Major Wells and Intakes were identified and 5 mile buffer areas were modified to show predicted flow of drainage to these Wells and/or intakes.

Watershed Protection Area Map Planning

* Watershed protection areas were derived from 5-mile buffers from each well or intake. Each 5-mile buffer area was then reduced based on USGS watershed data and contour data to illustrate potential drainage to each respective well or intake.

GEOGRAPHIC INFORMATION SYSTEMS DIVISION

- **Digital Asbuilt Submittals**

- Project acceptances are picking up and have provided us with much asbuilt data to get into GIS. Daniel Completed the Nine Mile Ditch Realignment Data Acceptance and we are expecting Colliers Hill Filing 4F to come in soon.

- **Addressing for tenant spaces**

- Guidelines for requesting addressing plans for commercial tenant spaces as well as residential tenant spaces has been final drafted. TOE Planners have agreed to wording and we will be including the guidelines and sample document in the applicant checklist.

GEOGRAPHIC INFORMATION SYSTEMS DIVISION

People

Daniel just had a birthday last weekend and was able to take a little well-deserved time off. As soon as he returned, he has hit the ground running on the priority work of the before-mentioned O&G maps and digital submittals.
