Table Source: CML @ https://www.cml.org/home/topics-key-issues/municipal-retail-marijuana-laws
The state of Colorado has a 15% tax rate on recreational Cannabis plus 2.9% state + local sales tax.
Medical marijuana is only subject to the 2.9% state sales tax and any local sales taxes.
State allocates 10% of this back to local governments based on \$ marijuana sales tax they generated

Retail Sales Tax

Local governments will receive 10% of the 15% retail marijuana state sales tax. The 10% will be divided among local governments. The calculati marijuana sales taxes in the local jurisdiction. The city or town share will be apportioned according to the percentage of retail marijuana sales tax of Revenue within the boundaries of the city or town. Counties will not receive any retail marijuana sales tax revenue, unless there is a retail mari. The distribution will be monthly. This is similar to cigarette tax distributions to local governments. Please note that since the distribution is based sales tax revenue collected within the boundaries of a city, town, or unincorporated area of a county versus the total retail marijuana sales tax revenue cach eligible jurisdiction is not a static amount, but will vary based on total retail marijuana sales tax revenues and the amount of retail marijua jurisdiction. For information on marijuana tax collections and retail marijuana sales tax distributions of local governments, see Colorado Marijua https://tax.colorado.gov/marijuana-tax-information-for-local-governments

Excise Tax

The 15% retail marijuana excise tax goes to Colorado public school construction. The excise tax is remitted by the retail marijuana cultivation factorial marijuana to any retail marijuana store or retail marijuana products manufacturer. With the excise tax, the first \$40 million in retail marijuana excise to public school construction. Any revenue above that will be transferred to the Public School Fund.
