Education and  
Outreach

# Where We Have Been

## Erie Town Fair Booth

- ▶ Distributed Xcel Energy kits of LED light bulbs
- ▶ Passed out education material and answered questions
- ▶ Many compliments on Erie's sustainability focus
- ▶ Most questions were regarding curb-side composting and recycling

# Where We Have Been

Earth Day 2021

- ▶ Hosted virtual Sustainability event
- ▶ Answered questions on Erie Sustainability master Plan
- ▶ Discussed Erie's progress toward a more sustainable future

# Where We Have Been

## Water Conservation

- ▶ Provided support to Town's great progress on education and outreach for water conservation
- ▶ Provided posters and advertising for "Simple Steps"
- ▶ Provided Spanish translation to advertising to ensure reach across cultures

# Where We Have Been

## Community Gardens

### ERIE COMMUNITY GARDEN GUIDE

Establishing and Managing a Garden for Fresh/Healthy Vegetables and a  
Vibrant Erie Community

- ▶ Created Erie Community Garden Guide
- ▶ Researched local community garden structures and interviewed organizations for *Best Practices*

# Where We Have Been

## Approval to add Youth to SAB

- ▶ Requested Board of Trustees to amend Ordinance to allow for youth to join the Sustainability Advisory Board
- ▶ Thank you!!
- ▶ Our first youth team member is on your agenda this evening for approval!!

# Where We Have Been

## Community Solar

- ▶ Coordinated several tours of the Lafayette Community Solar Site
- ▶ Worked with Eire community volunteers who work in the industry to better understand location opportunities and next steps
- ▶ Recently started working with OSTAB on combining efforts for community solar in Erie

*Note: Being very ambitious in adding clean energy generation is critical to our sustainability as a community. This should include Utility-scale solar, Community solar and Residential solar. O&G sites as well as Open Space should be considered now to get Erie moving in this direction.*

# Where We Are Going

- Focusing on our duties by Ordinance 14-2018, 3-5-6-(B)
  1. **Advise** the Board of Trustees specific to Town Master Plan Priorities
  2. **Educate** the Community on Sustainability
  3. **Research and development** as requested by the Board of Trustees

# Where We Are Going

## Advise the Board of Trustees

We requested the Town to provide the top three sustainability priorities from the Sustainability Master Plan for the year. We will focus on these priorities to advise the BOT.

1. ENERGY USE SECTOR: Energy efficiency and renewable energy implementation
2. EDUCATION & OUTREACH SECTOR: Green Business & HOA Certifications
3. WASTE, RECYCLING, AND COMPOSTING SECTOR: Trash, Recycling, and Composting Action Plan

*SAB members will break into sub-teams for each of these areas for research and recommendations*

# Where We Are Going

## Educate the Community

We will continue to focus on outreach to inform the community on sustainability efforts and what they can do to be more sustainable considering events that have the most opportunity for larger audiences

- Erie Town Fair
- Earth Day
- Library Series (NEW)
- Annual Fall Clean-up
- Annual Spring Clean-up
- Leaf & Holiday Tree Composting Events

*SAB members will volunteer for at least two events per year and assist in finding additional volunteers to help with these critical outreach events*

# Where We Are Going

## Sustainability Research & Development

As requested by the Board of Trustees, the SAB will research specific topics and/or sustainability development opportunities and bring recommendations to the Board and the Town Administration. This could include:

- Facilitating Community Study Sessions
- Conducting Surveys
- Consulting with sustainability professionals
- Connecting with local county and/or state agencies
- Partnering with neighboring counties and/or municipalities

# We appreciate your collaboration and support

## Thank You!
