**SUMMARY AND BACKGROUND OF SUBJECT MATTER:**

The Erie Village Filing No. 5 Sketch Plan is located west of East County Line Road and is surrounded by C.W. Bixler Boulevard on all other sides. This Sketch Plan proposes 32 single-family units and 38 townhome multi-family units. Also, proposed is a commercial area which would accommodate four new commercial buildings consisting of approximately 38,000 square feet.

A Sketch Plan represents a generalized land use plan and layout for the area proposed to be included within a subdivision. A Sketch Plan application is required to allow for an early, informal evaluation of a proposed subdivision before detailed planning and engineering work has occurred. The Sketch Plan is not part of a formal application for approval of a subdivision and any comments made by the Town in reaction to a Sketch Plan shall not be binding on the Town's consideration of any subsequent Preliminary or Final Plat application, nor result in a vested property right under this UDC or State Statute.
