SUMMARY AND BACKGROUND OF SUBJECT MATTER:

The Ranchwood Sketch Plan is located northwest of Erie Parkway and County Line Road. This Sketch Plan proposes 220 multifamily units and 6 commercial pad sites.

A Sketch Plan represents a generalized land use plan and layout for the area proposed to be included within a subdivision. A Sketch Plan application is required to allow for an early, informal evaluation of a proposed subdivision before detailed planning and engineering work has occurred. The Sketch Plan is not part of a formal application for approval of a subdivision and any comments made by the Town in reaction to a Sketch Plan shall not be binding on the Town's consideration of any subsequent Preliminary or Final Plat application, nor result in a vested property right under this UDC or State Statute.
