SUBJECT: Staff Report
Update on Oil and Gas Action Items
DEPARTMENT: Administration

PRESENTER: Farrell Buller, Deputy Town Administrator

TIME ESTIMATE: 0

SUMMARY AND BACKGROUND OF SUBJECT MATTER:

Below is a list of action items, topics and tasks that have the attention and/or are being worked on by Farrell Buller, Local Government Designee (LGD), and the Town's oil and gas consultant, CGRS.

- Beginning visual inspection process of wells
 - These are currently being scheduled and will likely be completed by the end of the first quarter
- Improvements to Town website information regarding oil and gas activity
 - Implemented use of consistent wording and mapping updates to the community
 - Most recent updates to the interactive map include:
 - Current and future anticipated activity
 - Annual activity (2019 and 2020)
 - Clear identification of activity within Town limits and activity that is outside Town limits but within the jurisdiction of Boulder County and/or Weld County
- Air monitoring being conducted by Crestone Peak Resources (see attached)
 - Canary air monitoring will be on the following sites in Erie: Pratt, Waste Connections, Cosslett, Woolley Becky & Morgan Hills. The roll out will be phased.
- Working with regional LGD group
- Continued participation in several rule making groups
- Holding regular meetings with larger operators working in or near Erie
