**DEPARTMENT:** Planning & Development

**PRESENTER:** Deborah Bachelder AICP, Planning Manager/Deputy Director of Planning & Development

### **STAFF RECOMMENDATION:**

### **SUMMARY AND BACKGROUND OF SUBJECT MATTER:**

The Westerly property is located on the southeast corner of Erie Parkway and WCR 5. The proposed 268.11 acre Westerly Preliminary Plat is for the first phase of development which includes 530 residential lots and 60 tracts for future development, parks, openspace, landscaping, trail and utility purposes. The Preliminary Plat is being reviewed concurrently with a PUD rezoning application. A Rezoning application was recently reviewed by the Planning Commission on May 20, 2020 and was approved by the Board of Trustees on June 23, 2020. The Rezoning application shifts the boundary between the NMU-Neighborhood Mixed Use and LR-Low Density Residential zone districts.

The property was annexed in 1990 and zoned as Rural Preservation 3. In 2017 the property was rezoned to NMU-Neighborhood Mixed Use, LR-Low Density Residential and AG/OS-Agriculture/Open Space to accommodate the current development proposal. Sketch Plans were reviewed in 2017 and 2019.
