### **SUBJECT: General Business**

**PUBLIC HEARING:** Resolution P21-02: A Resolution of the Planning Commission of the Town of Erie Recommending that the Board of Trustees Approve an Amendment to the Town Comprehensive Plan Map

**DEPARTMENT:** Planning & Development

**PRESENTER:** Deborah Bachelder AICP, Planning Manager/Deputy Director of Planning & Development

### **STAFF RECOMMENDATION:**

**Approve resolution recommending that the Board of Trustees approve a Comprehensive Plan Map amendment.**

### **SUMMARY AND BACKGROUND OF SUBJECT MATTER:**

The Planning Division is recommending a Comprehensive Plan Map amendment to provide updates to the map to reflect:

- Land Use designation changes that have occurred through an approved zoning.
- A revision to the Airport Influence Area boundaries that was adopted in the 2019 Airport Master Plan.
- Updates to the status of schools on the map.

Additionally, a new detailed map section for Old Town has been added that is similar to what is found on the Zoning Map.

A public hearing notice was published in the Hometown newspaper on January 27, 2021.
