The DOLA Grant form is on the Board of Trustees February 9th consent agenda for authorization for staff to submit the grant application. The draft RFP is on the Board of Trustees March 9th general business agenda for authorization for staff to publish the RFP.

Request for Proposal:

Staff and the Steering Committee have provided a draft of the Request for Proposal - Comprehensive Plan for Planning Commission consideration. We are asking for approval of the resolution recommending that the Board of Trustees authorize staff to publish the Request for Proposal.

An important element of the RFP are the evaluation criteria that the Town will use to evaluate the proposals submitted. The evaluation criteria listed at the end of the RFP have been put into a spreadsheet that the Technical Advisory Committee (TAC) will use to evaluate all of the proposals submitted to the Town. The top 3-4 consulting groups will be short listed for in person interviews with the Board of Trustees, Planning Commission and TAC. The top ranking consulting group will be offered the contract for the Comprehensive Plan update.

Calendar of Events:

Attached is the calendar of events for the DOLA Grant application process (highlighted in yellow on the calendar) and for the RFP process (highlighted in blue). The schedule anticipates final approval of a contract with a consulting group occurring on June 22, 2021.
