**STAFF RECOMMENDATION:**

**SUMMARY AND BACKGROUND OF SUBJECT MATTER:**

The Board of Trustees requested the Parks & Recreation Department pursue two general upkeep recommendations from the Erie Historic Preservation Advisory Board, regarding Schofield Farm buildings. The two items were to replace the roof on the Schofield house and to repaint all 11 buildings. Staff received initial quotes from current contracted companies for the projects. The quotes are attached and as follows, \$15,584.00 for a new roof and \$46,800.00 for painting. It is not recommended to proceed with these improvements until after the master plan process is completed.
