SUMMARY AND BACKGROUND OF SUBJECT MATTER:

The Town of Erie Public Works hosted the 12th annual Fall Clean Up on Saturday, September 9, 2017. The event is offered as a service to the Town of Erie residents allowing disposal of a variety of items at no expense to them.

Town of Erie staff assisted residents with directions, confirming residency, and ensuring compliance with landfill regulations and assisted residents with unloading for the various services offered at the Service Center.

This year's clean up went very well with the largest participation so far for the fall event. The following is a breakdown of services offered and participation (in loads) for each service.
