Cost as Recommended: \$ 37,218.00

Balance Available: \$ 63,500.00

Budget Line Item Number: 100-50-820-605000-100245

New Appropriation Required: No

### **STAFF RECOMMENDATION:**

**Approve resolution authorizing a contract with The Slide Experts, Inc. for the Erie Community Center Water Slide and Tower Restoration Project and authorize the Town Administrator to sign said contract.**

### **SUMMARY AND BACKGROUND OF SUBJECT MATTER:**

In the 2018 budget, the Board of Trustees authorized \$63,500 for the restoration of the Water Slide at the Erie Community Center (ECC). Staff has determined that the slide is in need of restoration based on the following criteria:

- Age - The slide is 10 years old and is in need of refurbishment to avoid any significant repairs and possible safety issues that can lead to injury and shut down
- Wear and Tear - The slide is in need of a new gel coat (needs to be done about every 10 years), new hardware (bolts, washers, and nuts) to replace rusted hardware, and new caulking to fix leaks
- Stains - Age and chemicals from pool have led to discoloration of flume and chemical build up on the inside and outside of flume
- Repairs - To fix all leaks that are unreachable for aquatics staff, repair chipping and rusting of slide stairs, repainting of slide structure supports

Areas of restoration include: Erie Community Center Pool Water Slide and Slide Tower

Staff reviewed multiple different vendor bids for slide restoration:

<u>Vendor</u>	<u>Quote</u>
Slide Experts	\$37,218.00
White Water West	\$63,500.00 (located in Canada, labor not included)
My Park Supply	\$67,000

Analysis completed by staff determined that Slide Experts was the best overall vendor selection. Some of the deciding factors:

- Overall cost are within approved budget
- Vendor comes highly recommended from other Colorado agencies
- Only vendor to give us complete costs and come to visit work site
- Vendor located in Colorado and has agreed to get job done during time frame requested
