New Appropriation Required:

STAFF RECOMMENDATION:

Approve resolution authorizing an Intergovernmental Agreement supporting the Town of Erie's participation in the Boulder County Transportation Improvement Program Forum Agreement and authorize the appropriate Town representative to sign said agreement.

SUMMARY AND BACKGROUND OF SUBJECT MATTER:

The Denver Regional Council of Governments ("DRCOG") allocates certain funding for transportation improvements as part of their Transportation Improvement Program ("TIP"). DRCOG has modified the TIP funding distribution process, and beginning in 2018 they will provide a certain allocation of funding to County geographies ("sub regional funding") within the DRCOG region and will provide a certain allocation of funding to the DRCOG region ("regional funding").

The Town of Erie is participating in both the Boulder County and Southwest Weld County Transportation Improvement Program Forums.

DRCOG's modified TIP process requires Agencies to propose a portfolio of projects to utilize the regional and sub regional funding to the DRCOG Board of Directors that are consistent with the policy direction provided by the DRCOG Board of Director and applicable federal requirements. The coordinated efforts of the Agencies is necessary to implement the regional and sub regional funding allocation process for the DRCOG TIP.
