SUMMARY AND BACKGROUND OF SUBJECT MATTER:

The 2018 General Fund and Public Facilities Capital Budgets include funds for paving a portion of the south side of the Service Center. The Service Center opened in 2010 with the yard paved with recycled asphalt. With additional staff vehicles and heavy equipment since opening, increased traffic is causing rutting in the lot and drainage issues. Paving the lot will help mitigate these problems.

Staff requested a bid from Metro Pavers, who is our current asphalt vendor for 2018. The bid includes asphalt work and parking striping.

Project Budget Summary

Contract	\$411,108.59
<u>Contingency</u>	<u>\$ 61,591.41</u>
Total	\$472,700.00

Staff has reviewed the bid and found it to be acceptable. Metro Pavers has successfully performed this work for the Town previously. Staff recommends award of this service contract to Metro Pavers.
