645 Holbrook Street
Erie, CO 80516

Town Council

Board Meeting Date: 6/8/2021

File #: 21-208, **Version:** 1

Subject: General Business

A Resolution of the Board of Trustees of the Town of Erie Vacating the 2008 Pavement Management Criteria Policy

Department: Public Works

Presenter: Todd Fessenden, Public Works Director

Time Estimate: 15 minutes

Staff Recommendation:

Vacate the 2008 Pavement Management Criteria Policy

Summary and Background of Subject Matter:

At the December 9, 2008 Board of Trustees meeting, the Board adopted a Pavement Management Policy and Criteria. Per the Board's direction at that time, staff prepared a policy for maintenance and/or reconstruction of dedicated streets that were not built to the Town's *Standards and Specifications for Design and Construction of Public Improvements 2004 Edition (Revised 2006)*.

The Town reevaluated its current pavement management policy and proposes to vacate this policy. By vacating it, the Town will include all non-private streets in the Pavement Management System and as funds are available, look to making improvements to bring the streets up to standards.

Fiscal Impact: The annual Streets Capital Budget allows for maintenance of roads throughout Town. Including all non-private streets, staff will evaluate roads on an annual basis and identify projects as funds are available to bring roads up to Town standards.

Board Priority(s) Addressed:

- ✓ Well-Maintained Transportation Infrastructure
- ✓ Safe and Healthy Community
- ✓ Effective Governance
- ✓ Fiscally Responsible
