

Transportation Update Bus Stops Design Project

Town Council

Miguel Aguilar, Senior Transportation Planner

John Firouzi, Transportation & Mobility Planner

January 14, 2025

Bus Stop Design

How We Got Here

- Council Agenda to Expand Transit
- Staff analyzed JUMP Route and identified improvements
- RTD agreed to JUMP changes upon construction of new stops
 - RTD has no funding to build new stops
- Consensus:
 - Town pay for designing stops
 - Town will seek grants for construction
- Council approved design project in 2024

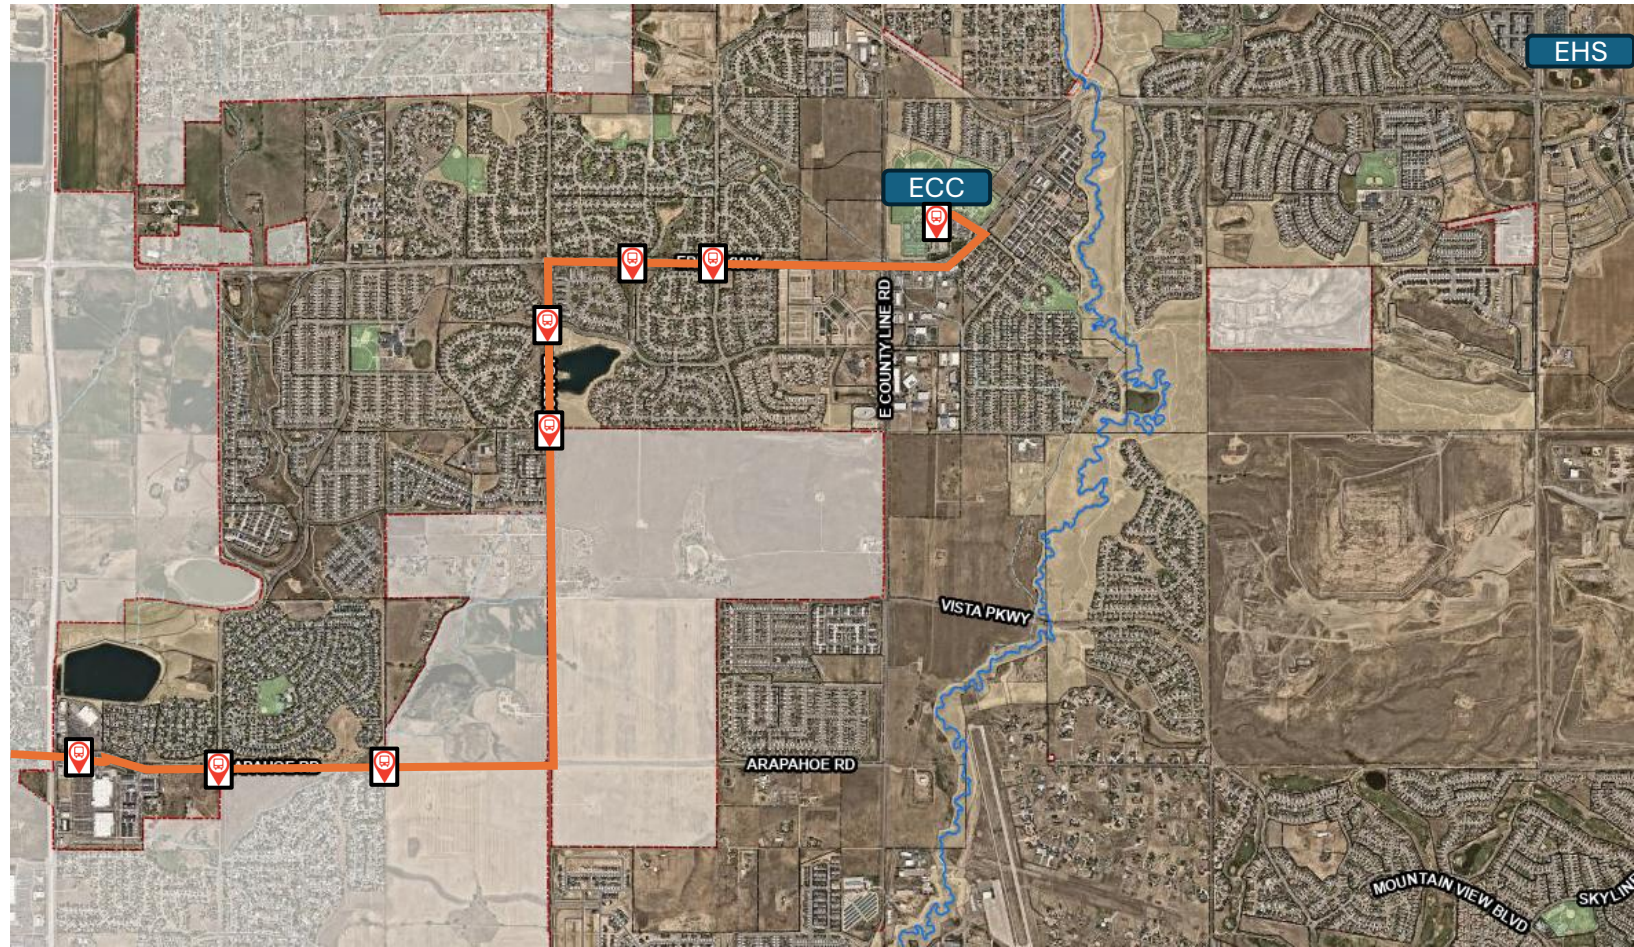

Bus Stop Design

- Design Only Project Cost \$175,000; approved in 2024
- Project preparation and contracting took longer than expected
- Project will provide 24 ADA compliant bus stop for JUMP Route
- New stops along 111th Street and Flatiron Meadows Blvd
- New stops along Erie Pkwy from ECC to EHS
- Improve existing stops on Erie Pkwy
- Includes bus stop amenities: shelters, trash cans, benches
