This Tax Increment Revenue Agreement (the "**Agreement**") is entered into as of [_____], 2024 (the "**Effective Date**") by and between the Town of Erie Urban Renewal Authority, a body corporate and politic of the State of Colorado (the "**Authority**"), whose address is 645 Holbrook Street, Erie, CO 80516, and the Mountain View Fire Protection District, ("**District**"), whose address is 3561 N. Stagecoach Road, Longmont, Colorado 80504. The Authority and the District are referred to herein individually as a "**Party**" and collectively as the "**Parties**."

Recitals

The following recitals are incorporated in and made a part of this Agreement, as noted in Section 1 below. Capitalized terms used herein and not otherwise defined are defined in Section 2 below.

A. Redevelopment. The Parties understand that the real property described in Exhibit A (the "**Property**") lying within the corporate limits of the Town of Erie (the "**Town**"), is proposed to be within the area of the Erie Gateway Phase 1 Urban Renewal Plan ("**Plan**"), to be redeveloped by one or more developers and/or property owner(s) as a mixed-use development(s) that will eliminate existing blighted conditions which constitute threats to the health, safety and welfare of the community and barriers to development.

B. Urban Renewal and Tax Increment Financing. To accomplish the redevelopment and to provide certain required improvements, the Authority has recommended that the Property be included within the Erie Gateway Phase 1 Urban Renewal Plan, which Plan will authorize the utilization of tax increment financing in accordance with the Colorado Urban Renewal Law, Part 1 of Article 25 of Title 31, C.R.S. (the "**Act**"), to pay Eligible Costs of the Improvements. The Plan that includes the Property has been provided to the District under separate cover. The final version of the Plan as approved by the Town Council of the Town shall be the "Plan" for purposes of this Agreement. The Parties hereto hereby approve the Plan in all respects, including any and all amendments thereto, unless such amendments constitute a modification of the Plan under § 31-25-107(3.5) or (7) of the Act.

C. Nature of Urban Renewal Project and Purpose of Agreement. The proposed Urban Renewal Project consists of designing, developing and constructing the Improvements (which includes paying the Eligible Costs of public improvements) necessary to serve the proposed Urban Renewal Area and, in compliance with § 31-25-107(4)(g) of the Act, the Plan affords maximum opportunity, consistent with the sound needs of the Town as a whole, for the rehabilitation or redevelopment of the Urban Renewal Area by private enterprise. Approval of the Plan is subject to the Act, including

F. Colorado Urban Renewal Law. In accordance with the Act as amended to the date of this Agreement (including the Amended 1348 Requirements), the Parties desire to enter into this Agreement to facilitate adoption of the Plan and redevelopment of the proposed Urban Renewal Area described therein. 4.1 **District Increment Revenues**. Based on the Project's impacts to District services, the District and the Authority agree as follows:

A. The Authority shall pledge 100% of the District Increment received to the District until the District has received the total amount of \$12 million in revenue generated from the District's mill levy as the Remitted District Increment for Fire Station as follows:

(i) The District agrees to utilize the Remitted District Increment for Fire Station in order to offset a portion of the cost of constructing a new fire station that will serve the Urban Renewal Area;

(ii) Provided that the District commences construction on the fire station prior to the total amount of the Remitted District Increment for Fire Station being remitted to the District, thereafter, the District shall receive the Remitted District Increment as set forth in subsection B. of this Section 4.1; and

(iii) In the event that the District has not commenced construction on the fire station prior to the total amount of the Remitted District Increment for Fire Station being remitted to the District, the Authority may retain 100% of the District Increment until construction has commenced. For purposes of this Agreement, "commenced construction" means commencing site preparations (earthwork) on a new fire station serving the Urban Renewal Area.

B. Once the District has received the \$12 million in revenue generated from the District's mill levy and has complied with the provisions of above in subsection A of this Section 4.1 regarding commencement of construction of a new fire station, thereafter the District may retain and expend 25% of the District Increment as the Remitted District Increment, commencing immediately following the receipt of the \$12 million in revenue, and ending upon the earlier of: 1) the occurrence of the Duration; or 2) the payment in full of all bonds, loans, advances and indebtedness, if any, incurred by the Authority to pay for the Improvements, including interest thereon and any premiums due in connection therewith in accordance with § 31-25-107(9)(a)(II) of the Act.

C. D. In the event the District has received the Remitted District Increment for Fire Station, but has not commenced construction of the fire station, the Authority may retain 100% of the District Increment until the District has commenced construction of the fire station to serve the Urban Renewal Area.

E. Upon the earlier of: 1) the occurrence of the Duration; or 2) the payment in full of all bonds, loans, advances and indebtedness, if any, incurred by the Authority to pay for the Improvements, including interest thereon and any premiums due in connection therewith in accordance with § 31-25-107(9)(a)(II) of the Act, the entire District Increment shall be paid by the Weld County Assessor to the District, and not to the Authority. The Authority shall annually provide a written report to the District on progress towards completion of the Improvements. The report shall include information related to any significant changes in project scope or cost.

4.2 All of the District Increment upon receipt by the Authority will be deposited into the Special Fund to be utilized in accordance with Section 4.1 hereof. No District Increment will be deposited or transferred into any other Authority fund or into the general fund or any other fund. The Remitted District Increment shall be transferred to the District within thirty (30) days of receipt by the Authority.

5. Authority Administrative Fee. An administrative fee equal to one percent (1%) of the District Increment as determined on an annual basis shall be retained by the Authority ("**Administrative Fee**"). Notwithstanding anything to the contrary set forth in this Agreement or in the Urban Renewal Plan, the Authority shall be entitled to retain the Administrative Fee to pay the reasonable and customary administrative costs of the Authority incurred in connection with the Authority's obligations under this agreement, including without limitation the collection, enforcement, disbursement, and administrative fees and costs related to the District Increment and the Urban Renewal Plan Area. The Administrative Fee shall be deducted annually from the District Increment received.

6. Pledge of Property Tax Increment Revenues. The District recognizes and agrees that in reliance on this Agreement and in accordance with the provisions of § 31-25-109(2)(b) of the Act, the Authority has the right to pledge the Retained District Increment to the payment of the Authority's Bonds (if any are or have been issued) and other financial obligations incurred in connection with the Urban Renewal Project. The District and the Authority also recognize and agree that this Agreement is an indebtedness of the Authority under § 31-25-107(9)(a)(II) of the Act. The Retained District Increment, when and as received by the Authority is and shall be subject to the lien of such pledge without any physical delivery, filing, or further act. The lien of such pledge on the Retained District Increment shall have priority over any of all other obligations and liabilities of the Authority with respect to the Retained District Increment. The lien of such pledge shall be valid, binding and enforceable as against all persons having claims of any kind in tort, contract, or otherwise against the Authority irrespective of whether such persons have notice of such lien.

7. Agricultural Land. The Urban Renewal Area will include property that has been classified within the previous five years as agricultural land by the Weld County Assessor ("**Agricultural Land**") for the purposes of levying ad valorem property taxes. The Act requires that such Agricultural Land included within an urban renewal plan area shall be valued at fair market value for purposes of establishing the base and calculating the increment. Accordingly, as demonstrated in the Impact Report for the Plan previously submitted to the District, among others, the Agricultural Land base value has been established at fair market rates. In addition, the District specifically and irrevocably consents to the inclusion of such Agricultural Land in the Plan pursuant to § 31-25-107(1)(c)(II)(D) of the Act

8. Waiver. The District acknowledges and agrees that the execution of this Agreement satisfies the requirements of the Act regarding all applicable Amended 1348 Requirements for the adoption of the Plan, TIF financing in accordance with the Plan, and notices related thereto, except those that may apply to future modifications of the Plan as required by Sections 31-25-107(3.5) and (7) of the Act. Subject to such right to receive notice of any proposed future modification of the Plan, the District hereby waives any provision of the Act that provides for notice to, requires any filing with or by, requires or permits consent from, or provides any enforcement right to the District regarding the Plan. The District agrees that it has already received information about the Plan

equivalent to the information otherwise required to be provided to it by Section 31-25-107(3.5) of the Act in the form of the Impact Report, and therefore hereby deem that requirement satisfied.

9. Limitation of Agreement. This Agreement applies only to the District Increment, as calculated, produced, collected and paid to the Authority from the Urban Renewal Area by the Weld County Treasurer in accordance with § 31-25-107(9)(a)(II) of the Act and the rules and regulations of the Property Tax Administrator of the State of Colorado, and does not include any other revenues of the District, Town or the Authority.

Notwithstanding the foregoing, where any of the above events shall occur which temporarily interrupt the ability of a Party to abide by its obligations as provided in this Agreement, as soon as the event causing such interruption shall no longer prevail, the applicable Party shall fulfill all of its obligations as soon as reasonably practicable.

10.2 Termination and Subsequent Legislation or Litigation. In the event of termination of the Plan, including its TIF financing component, the Authority may terminate this Agreement by delivering written notice to the District. The Parties further agree that in the event legislation is adopted or a decision by a court of competent jurisdiction is rendered after the effective date of this Agreement that invalidates or materially effects any provisions hereof, the Parties will in good faith negotiate for an amendment to this Agreement that most fully implements the original intent, purpose and provisions of this Agreement, but does not impair any otherwise valid contracts in effect at such time.
