

**Town of Erie
Resolution No. 25-175**

**A Resolution of the Town Council of the Town of Erie Certifying
that Money Received from the State Peace Officer Training and
Support Fund Will be Used for a Permissible Purpose**

Whereas, Colorado Senate Bill 25-310, which will be codified at C.R.S. § 24-33.5-122 and implements Proposition 130, establishes the Peace Officer Training and Support Fund to assist local law enforcement agencies with recruitment, training, and retention of officers, and to provide a death benefit to the families of first responders killed in the line of duty;

Whereas, to receive money from the Fund, C.R.S. § 24-33.5-122(3)(a)(III) requires the Town to certify that any funds received will be used in compliance with C.R.S. § 24-33.5-122(3)(c), including that the funds will be used solely for a permissible purpose and will supplement, rather than supplant, existing funding for that purpose;

Whereas, the Town understands that a permissible purpose means the initial and continuing education and training for peace officers and the compensation of peace officers; and

Whereas, the Town desires to submit a certification to the Colorado Department of Public Safety to receive money from the Fund at some time in the future.

Now Therefore be it Resolved by the Town Council of the Town of Erie, Colorado, that:

Section 1. The Town hereby certifies that any money received from the Peace Officer Training and Support Fund pursuant to C.R.S. § 24-33.5-122 will be expended in accordance with the requirements of subsection (3)(c) of that section, including that the money will be used solely for a permissible purpose and will supplement, and not supplant, existing funding for that purpose.

Adopted this 4th day of November, 2025.
