General Provisions

Authority

This Development Plan is authorized by chapter 5 - Planned Development District of the Town of Erie Zoning Ordinance adopted pursuant to the Colorado Planned Unit Development Act of 1972.

Applicability

The provisions of this Development Plan shall run with the land. The landowners, their successors, heirs, or assigns shall be bound by this Development Plan, as amended and approved by the Director or Town Board of Trustees.

Adoption

The adoption of this Development Plan shall evidence the findings and decision of the Town of Erie Town Board of Trustees that this Development Plan for Canyon Creek is in general conformity with the Town of Erie Comprehensive Plan; is authorized by the provision of Chapter 5 of the Town of Erie Zoning Ordinance; and that such Chapter 5 and this Development Plan comply with the Colorado Planned Unit Development Act of 1972, as amended.

Relationship to Town Regulations

The provisions of this Development Plan shall prevail and govern the development of Canyon Creek provided, however, that where the provisions of this Development Plan do not address a particular subject, the relevant provisions of the Town of Erie Municipal Code, Title 10, as amended, or any other applicable ordinance or regulations of the Town of Erie, shall be applicable.

Enforcement

To further the mutual interest of the residents, occupants, and owners of the Planned Development and of the public in the preservation of the integrity of the Plan, the provisions of this Plan relating to the use of lands and the location of common open space shall run in favor of the Town of Erie and shall be enforceable at law or in equity by the Town without limitation on any power or regulation.

Conflict

Where there is more than one provision within the Development Plan that covers the same subject matter, the provision which is most restrictive or composes higher standards or requirements shall govern unless determined otherwise by the Director.

Maximum Level of Development

The total number of dwellings or the total commercial, business, or industrial intensity approved for development within the Planning Areas is the maximum development requested for platting or construction (plus approved density transfers, if any). The actual number of dwellings or level of development for commercial, business, or industrial properties may be less due to subdivision or site improvement plan requirement plan requirements or other requirements of the Town Board of Trustees.

Project Tracking

At the time of subdivision final plat, the applicant shall provide a summary of the development, to date, along with the final plat submittal to ensure maximum development limits are not exceeded.
